* EI Outbreak

** From service season 2016/2017 AHHR Rule 92 allows mares to be served from 1 September, and the age of August born foals are reckoned as beginning on 1 January in the next racing year

For the purposes of this report:

Normal gestation period = between 320 and 370 days

Short gestation period = below 320 days

Long gestation period = above 370 days

Season foals are from Australian services, and do not include mares served NZ and foaled in Australia
