

EARLY TASMANIAN WINNERS

Compiled by Peter Cooley

1832 to 1899 (by year)

TERMS USED

Scr means started from the front

14 h a u means 14 hands and under

All handicaps were behind front unless stated

Duplication of names was common before registrations were introduced in 1906

Sov is short for sovereign (\$2.10)

Race results from 1900 to 1986 are on the Harness Racing Australia website

<http://www.harness.org.au/hra/feature/rc.htm>

starters

The Tasmanian Trotting Ass. took over from the Butchers Trotting Ass. which only held one meeting in June 1899. The T.T.A. became the Hobart Trotting Club in June 1903.

Results are mostly taken from the Tasmanian Mail's Racing Annuals and daily newspapers
