

2021 INTER DOMINION

Inter Dominion Championship Series

Governance

The Inter Dominion Championship was first developed in 1935-36 and was conducted under the auspices of the Inter Dominion Harness Racing Council (IDHRC), with representatives from both Australia and New Zealand, until early 2008. From that date, the supervision of the Series was assigned to an **Inter Dominion Event Committee** comprised of members appointed by Harness Racing Australia (HRA) and Harness Racing New Zealand (HRNZ).

Inter Dominion Event Committee

1. The Committee is comprised of two representatives chosen by the Executive of HRA, and two representatives chosen by the Executive of HRNZ.
2. The Chair will be appointed from one of the representatives of the country not holding the event.
3. The Secretary will be either the CEO of HRA or HRNZ, and will rotate depending on which country will host the Series in that year.
4. Consensus based decision making is expected, and representatives have an equal vote in any ballot.
5. The Committee will oversee the event, including marketing, approve all Series Terms and Conditions, Reciprocal Agreements, etc and will resolve any disputes that arise.
6. The Committee is responsible for the development of guidelines for the conduct of the Series and for providing recommendations on Committee composition and responsibilities to HRA and HRNZ.
