TOTALISATOR ODDS

For the benefit of Patrons, the bulk of the Off-Course (T.A.B.) Investments is incorporated in the odds indicators BEFORE any On-Course bets are accepted.

This provides a ready market for On-Course Patrons.

Do not wait for the queues to form. Experience has shown that generally the balance of Off-Course Investments has had little or no effect on the comparative odds.

DON'T LEAVE YOUR
INVESTMENTS UNTIL TOO LATE

STEWARDS' REPORT

MEETING, 22nd FEBRUARY, 1964.

CHRISTCHURCH STAKES: In future, "Revlis Peak" (J. Leonard) which broke at the start and broke a hoppel, will be excluded from the draw in Mobile Barrier races. A warning was issued to "Ettamogah" (L. Turner) which broke at the start and under pressure in the last lap. "State Law" (J. Barron) broke without interference at the turn out of the home straight in the last lap, causing "Little Arbo" (K. Raw) and "Nick Star" (L. Moulds) to be checked. A repetition of such behaviour could lead to this horse being barred for a period. "Plaintiff" (D. Ducat) suffered a slight check as "Ettamogah" (L. Turner) shifted ground at the turn into the straight in the last lap.

THE AUSTRALASIAN TROTTERS' CHAMPIONSHIP (First Qualifying Division. First Heat): "Little Topsy" (S. Messenger) began badly and was uncontrollable for the first lap. "Rio" (J. Barron), "Red Envoy" (twice) (J. Hogan), "Red Jenny" (C. Parsons), "Flooram" (G. Gath) and "Pohutukawa" (twice) (D. Townley) broke without interference during the running of the race.

1964 INTER-DOMINION CHAMPIONSHIP (First Qualifying Division. First Heat): "Summit Road" (L. Moulds) stood on the mark and was contacted from behind by "Robin Dundee" (D. Townley). Both horses lost considerable ground. Future similar behaviour will mean "Summit Road" will be excluded from the draw.

"Colonel Scott" (A. Phillis) broke without interference at the turn out of the straight in the first lap. In avoiding "Colonel Scott", "Summit Road" (L. Moulds) shifted ground sharply contacting "Robin Dundee" (D. Townley). "Robin Dundee" lost considerable ground. "Colonel Scott" broke again without interference in the third lap. The trainer, E. Nicholson, was warned against a repetition of the horse breaking in races.

H. Alley, "Chief Vitesse", was reprimanded for carelessness in contacting the back of the sulky of "Colonel Scott" (A. Phillis) in the back straight in the last lap.

STEWARDS' REPORT—Continued

1964 INTER-DOMINION CHAMPIONSHIP (First Qualifying Division. Second Heat): Warnings were issued to "Minuteman" (E. Hurley) and "Future Raider" (W. Davies) which began badly.

1964 INTER-DOMINION CHAMPIONSHIP (First Qualifying Division. Third Heat): Warnings were issued to "Deep Tan" (M. Adams) and "Idaho" (L. Williams) which began badly. "Pipiriki" (K. Newman) and "Arabian" (G. Rothacker) were severely checked by "Idaho" at the start.

V. Frost, "Red Adios" was reprimanded for driving with his leg out of the irons in the latter stages of the race.

THE AUSTRALASIAN TROTTERS' CHAMPIONSHIP (First Qualifying Division. Second Heat): For shifting ground from the rail too sharply at the turn out of the back straight in the first lap, causing interference to "Tara Gold" (F. Males), which caused that horse to break, the driver's licence of K. Shand, "Attract" was suspended for four weeks.

A warning was issued to "Noble Command" (I. Jones) which began badly checking "Wonwondah" (T. Jardine).

"Lucky Song" (A. Holmes) and "Shellgrit" (A. Phillis) broke without interference during the running of the race. When checked off other horses at the first turn, "New England" (G. Rothacker) swung into a pace and as a result lost considerable ground.

An inquiry was opened into interference to "Full Measure" (J. Martin) and "Wonwondah" (T. Jardine) at the half mile post. After taking some evidence, it was adjourned until 6.30 p.m. on Wednesday next, 26th February.

1964 INTER-DOMINION CHAMPIONSHIP (First Qualifying Division. Fourth Heat): Warnings were issued to "Le George" (K. Robinson) and "Smoke Up" (C. Watts) which began badly.

"Heroic Action" (G. Gath) was checked for some distance at the start.

"Waitaki Hanover" (P. Wells) broke at the turn into the straight in the first lap. "Western Song" (C. Allen) was checked.

2. Doubles tickets will be issued at the YELLOW windows. They will show the racebook number of the horse in the 1st leg above the racebook number of the horse in the 2nd leg. Quinella tickets will be issued at the BLUE windows, and for the last race, at the YELLOW windows also.
3. In selecting a Double the investor must ask for the racebook number of the horse required in the 1st leg First and then the racebook number of the horse required in the 2nd leg.
4. An investor may invest in a Double as many times as desired. For example, if he wishes to Couple Nos. 3 and 7 more than once he should say "Nos. 3 and 7, two tickets", or whatever number of times he requires the double.
5. **FIELD BETTING** —
 Certain windows will be available for Doubles and Quinella "Field" betting. In Doubles "Field" betting an investor selects one horse in any one leg of a Double with ALL the runners in the other leg. For example, a horse, say No. 7, in the first leg, could be coupled with all the horses ("the Field") in the 2nd leg, in which case the investor would ask for "No. 7 and the Field", or the investor may desire to have all runners ("the Field") in the 1st leg coupled with a horse, say No. 5, in the 2nd leg, in which case he would ask for "the Field and No. 5". The same principle applies to Quinella "Field" betting. Of course, the investor's outlay is greater, being governed by the number of horses in "the Field". A Doubles or Quinella ticket in "Field" betting can be issued just as quickly as a Single ticket for a combination of only two horses.
6. In Totalisator Doubles:—
 - (a) You are entitled to a REFUND of your stake —
 - (1) If your horse in the 1st leg is withdrawn, regardless of whether your horse in the 2nd leg wins or does not start; or
 - (2) If your horse in the 2nd leg is withdrawn PRIOR to the running of the 1st leg, regardless of whether your horse in the 1st leg wins or loses.
 - (b) NO REFUND is made if your horse in the 1st leg loses and your horse in the 2nd leg is scratched after the running of the 1st leg.

(c) If your horse in the 1st leg wins and your horse in the 2nd leg is withdrawn AFTER the running of the 1st leg your bet is deemed to be transferred to such other horse as the Trotting Control Board shall determine and announce prior to the running of the 2nd leg. In making its determination, the Board is required, as far as practicable to substitute for the withdrawn horse the starter which carries the greatest amount of money in combination with the winner of the 1st leg.

The foregoing shall also apply if your horse in the 2nd leg is withdrawn from a re-run of a race in which it had taken part.

7. QUINELLA (RACE PAIRS) BETTING—

This is a form of Doubles betting on any one race. A Quinella will operate on every race.

The investor may select any two horses in the race, for example, Nos. 3 and 11, and if those horses fill the first two placings, IRRESPECTIVE OF WHETHER THEY ARE PLACED FIRST AND SECOND OR SECOND AND FIRST, the investors on Nos. 3 and 11 are entitled to collect the dividend declared on the Quinella. As in doubles betting the investor may take the whole field if he wishes (see paragraph 5). Quinella tickets are obtainable at the Blue windows and for the last race at the Yellow windows also.

WARNING RE DOUBLES and QUINELLA

It is possible that there may not be any investors on a winning combination in which event the Doubles and Quinella pools would be divided among the investors as follows:—

DOUBLES

2. Second and Second.	2. First and Third.

4. Third and First.	4. Second and Third.
5. Third and Second.	5. Third and Second.
6. Third and Third.	6. Third and Third.

QUINELLA.
