Points shall be awarded to each horses actually starting and finishing a race of a Qualifying Division on the basis that the winner of a race of a Qualifying Division will receive in points the equivalent of the number of horses previously selected by the Host Club as the maximum number of horses to compete in each race of the Qualifying Divisions. The second horses in each race of the Qualifying Divisions will receive the next lower number in points and the third horses will receive the next lower number with each horse finishing thereafter receiving in order one lower number in points than the preceding horse until the last horse finishing in a maximum field will receive one (1) point.

The winner of each race of a Qualifying Division will receive one (1) bonus point to be added to the points already earned for that race.

There are no points allocated for fastest time.

A horse that is scratched from a race of the Qualifying Divisions or a horse that does not complete the race will not be allocated any points for the race of that Qualifying Division.

In the event of a scratching or a horse not completing the course, points will be allocated as before with the winner and other horses finishing the race entitled to receive their maximum number of points as if a full field had competed and finished the course in that particular race.

In the event of a dead-heat all points of the horses dead-heating shall be added together and equally divided.

The ten horses which gain the greatest aggregate of points shall be eligible to start in the Grand Final.

In the event of two or more horses each scoring equally the minimum number of points entitling them to be eligible for the Grand Final and thereby producing a field exceeding the number designated by the Albion Park Trotting Club or producing a field exceeding the safety number for Albion Park Paceway then the Grand Council shall decide in its discretion which of the horses with equal points shall start in the Grand Final.

Should circumstances warrant such a course of action the Grand Council of the Inter-Dominion Trotting Council shall have the power to increase the number of starters above the designated number and to select the additional starters.

Official Points Scorer — Mr. J. I. H. GREGG.

STEWARDS' REPORT
THE ALBION PARK TROTTING CLUB

Wednesday, 24th May, 1972

Scratchings:

PRINCESS LIGHT and COEUR DE LION were scratched for reasons acceptable to the stewards. DER TEUFEL, which was scratched for reasons not acceptable to the Stewards, was declared ineligible to start for 4 weeks.

Changes of Gear:

Connections of the following horses were permitted to effect gear changes as shown:—

Race 3: BAY BRIGADE — to alter hobbles from 55¾ to 56½; to race in a hood and without shoes in front.

Race 4: GAY POWER — to alter hobbles from 56¾ to 56½. RE PETITE — to alter hobbles from 54 to 53½ and to race in tongue tie.

Race 6: RAVEN'S LAND — to use pulling rope.

Race 7: SILENT CHOICE — to race in shadow roll and overhead check.

LITTLE QUAIN — to alter hobbles from 55 to 55½.

HYLAND RIVERS — to alter hobbles from 56½ to 57.

Race 1: KIWI LAD (H. H. Wilson), which jumped sideways at the start, locked wheels with BORN TO TROT (P. J. Hall), dislodged Driver H. Wilson and failed to complete the course. An enquiry will be held when Driver Wilson, who was taken to hospital, is able to attend.

REICHMAN (R. K. Hocking) galloped for a few yards at the start.

Race 2: DIGANA (G. R. Volp) broke for a few strides when racing on the inside of NELLIE GLENFERN (P. Bryant). ROBBIE JOHN (G. Kleinhans) which was racing on the inside of DIGANA also appeared to be tightened for room, causing the horse to break and lose ground. An enquiry was held. After hearing evidence of Driver P. Bryant (NELLIE GLENFERN), Driver G. Kleinhans (ROBBIE JOHN) and Driver G. R. Volp (DIGANA) and from the stewards' observation, the incident was found to have been caused by Driver Volp driving in a careless manner thereby causing interference to ROBBIE JOHN, and his driving licence was suspended for 4 weeks.

MR. SPROGGINS and SKY VALLEY also lost considerable ground as a result of this incident.

Race 3: KARAMEA BOB (K. Newman) galloped at the start and a warning was issued to connections. BAY BRIGADE (R. Williams) again raced roughly in the right-handed direction and appears to be unable to handle racing in that direction.

Race 4: As the horses turned out of the straight soon after the start, GAY POWER (K. Cummins) appeared to break for no apparent reason and JENNY GLENFERN (N. Ryan), which was trailing closely, contacted the wheel of GAY POWER'S gig, becoming entangled. Both horses withdrew from the race. No action was taken against the connections of GAY POWER owing to the very heavy state of the track.

Race 5: NUTS AND BOLTS (P. Wolfenden), ROYAL GARRISON (P. J. Hall) and SECRET CLAN (K. Pocock) were all slow away.

Race 6: BADENOCH (J. O'Sullivan), which refused to line up at the first attempt, was sent to the outside, and will continue to be drawn on the outside in mobile start races.

GRIFFITH STAR (M. Thomson) accidentally contacted the wheel of OPAL DALE (V. Mahar) soon after the start, causing GRIFFITH STAR to fall. After hearing the explanation of the parties concerned, the stewards decided that the incident was accidental.

Race 7: MANOLITO (D. Schmidt), which broke at the first attempt to start, was sent to the outside by the Starter, and will continue to be drawn on the outside in mobile starts.

Race 8: ADIOS AMIGO (R. Jackson) galloped at the start and lost ground. As the horse had behaved in a similar manner on previous occasions, ADIOS AMIGO will be drawn on the outside in future standing start races.

ALECAN (J. E. Binskin) finished the race with a badly buckled wheel. An enquiry was held and the incident was found to have been caused by ADIOS AMIGO (R. Jackson) accidentally contacting the wheel of ALECAN (J. Binskin) when the horses were racing tightly in the back straight.

Warnings were issued to the connections of WAR STAMP (V. Frost) and POLO BREEZE (R. J. Hancock) which lost ground at the start.

Hobbles of horses which broke were checked and found to be of correct length. Films were viewed at enquiries. All winners were sent to be swabbed.

J. I. H. GREGG,

Chairman of Stewards.
