CONDITIONS GOVERNING 1974 INTER-DOMINION PACING CHAMPIONSHIP

POINTS SYSTEM:

The Championship will be conducted on the points system which shall be awarded as follows—

Points shall be awarded to each horse actually starting and finishing a race of a Qualifying Division on the basis that the winner of a Qualifying Division will receive in points the equivalent of the number of horses previously selected by the Committee as the maximum number of horses to compete in each Qualifying Division.

The second horse in each Qualifying Division will receive the next lower number in points and the third horse will receive the next lower number with each horse finishing thereafter receiving in order one lower number in points that the preceding horse until the last horse finishing in a maximum field will receive ONE (1) point.

The winner of each Qualifying Division will receive ONE (1) BONUS POINT to be added to the points already earned for that race.

No points will be allocated for fastest time.

A horse that is scratched from a Qualifying Division or a horse that does not complete the race will not be allocated any points for that particular Qualifying Division.

In the event of a horse being scratched or not completing the course, points will be allocated as before with the winner and other horses finishing the race entitled to receive their maximum number of points as if a full field had competed and finished the course in that particular race.

In the event of a dead heat all points of the horses dead heating shall be added together and equally divided.

GRAND FINAL:

The ten (10) horses gaining the greatest number of points in the Qualifying Divisions shall be eligible to compete in the Final of the INTER-DOMINION PACING CHAMPIONSHIP.

In the event of two or more horses each scoring equally the minimum number of points entitling them to be eligible for the Final and thereby producing a field exceeding the number designated by the Western Australian Trotting Association or producing a field exceeding the safety number for Gloucester Park then the Grand Council shall decide in its discretion which of the horses with equal points shall start in the Final.

RACE 1: MISS COUTHIE (R. Sangalli) tangled in its gear shortly after the start — a warning was issued. HIGH CAM (W. Whitfield) missed the start slightly. R. Sweetman was cautioned for allowing his horse to move out slightly in the run to the winning post. L. J. Robinson CARLOS ADIOS was reprimanded for attempting to take a position where there was insufficient room in the front straight the last time.

RACE 2: PLACID WAY (L. J. Robinson) left its feet in the score up checking several horses including JAY MODE but all horses had regained their position at the release point. MAC (B. Warwick) left its feet in the back straight the last time. Reinsman B. Warwick stated that the horse had cross fired and struck itself — a warning was issued in respect to the pacer. Shortly after the start ACE DILLON (G. A. James) was slightly checked. This was caused by LIGHT BADGE (R. Buswell) tightening JAY MODE (L. Marriott) and that pacer in turn moving on to ACE DILLON (G. A. James). R. Buswell was severely reprimanded and told that a repetition would result in more severe action being taken. On the turn out of the front straight the second time EBONY ROCK (G. Lilleyman) was moved off the fence into the one out line causing HILL ORO (R. J. Starkie) to be moved out of its position for some distance. EBONY ROCK was pulling extremely hard at this point. As there were some mitigating circumstances G. Lilleyman was issued with a warning. When retaking his position in the one out line HILL ORO caused MAC (B. Warwick) to be slightly checked. A severe reprimand was issued to R. J. Starkie driver of HILL ORO. L. Mitchell was questioned regarding his driving tactics on PARK LODGE. Mitchell stated that he was unable to secure a clear passage until the turn out of the back straight the last time, by this time the winner EBONY ROCK had moved away to a considerable lead. This was borne out by the observations of the Stewards and no action was taken.

RACE 3: ROYAL FORCE (J. Retzlaff) galloped at the start losing considerable ground. WAITAWHILE BOY (NSW) (R. Pracey) was a little slow to begin. TANAKA (B. Cushing) was slow into stride, in the front straight the first time YOUNG ROBBIE (K. Tyler) moved off the fence causing ADIOS VICTOR (NSW) (A. Bray) to race wide for a short distance before taking its position. K. Tyler was warned. K. Wills BRET ARMAGH (Vic) was severely reprimanded for prodding his horse in the run to the winning post. K. Wills was reprimanded for unduly looking around throughout the race. As the field moved into the back straight the last time ROYAL FORCE received a check and left its feet. This was found to have been caused by WAITAWHILE BOY (NSW) moving sharply off the fence at this point. R. Pracey was reprimanded and told to exercise every care in future.

RACE 4: BEAU DECCA was examined by the Club's Veterinary Surgeon on the Course and found to be lame. BEAU DECCA was withdrawn by order of the Stewards acting on vet's advice. Shortly after the start BAY BRIGADE (R. J. L. Williams) received a check and lost a little ground. This was found to have been caused by a general tightening of the field at that point — mainly contributed to by B. Giudice GENTLE BEN. B. Giudice was severely reprimanded and told that a repetition could result in action being taken against him.

RACE 5: HARLERAY (Qld.) (R. J. Smith) galloped at barrier rise. This pacer will be excluded from the draw for the remainder off the series. WEE CENT (L. Lindau) lunged as the barriers were released and broke a crupper. WEE CENT had to be retired from the race. BANGALORE (R. Grantham) was a little slow into stride. On the turn out of the back straight the last time MISS DUNDEE (M. R. Johnson) received a check and left its feet causing FORBES ADIOS and BANGALORE to be severely checked behind the galloping HARLERAY and WEE CENT. An inquiry was held into this incident. After taking evidence from the drivers concerned and viewing the

official film it was found that the incident was caused by C. N. Pike PALEFACE ADIOS (NSW) allowing his horse to move down on to BANGALORE (R. Grantham) that horse in turn being forced on to MISS DUNDEE, causing MISS DUNDEE to gallop. C. N. Pike was suspended from driving in races for two (2) scheduled metropolitan meetings.

RACE 6: MALE RULER (R. Walton) left its feet under pressure shortly after the start was effected. A warning was issued. Turning into the back straight the sulki of BANKSY BUTLER (R. Pollock) and HIPPY JAY (L. Marriott) locked wheels. This was found to have been caused by a general tightening of the field at this point and no blame could be attached to any particular driver.

RACE 7: OPERA HOUSE (NSW) (J. Schrader) galloped badly at barrier rise and hung in the early stages of the race. Reinsman Schrader stated that OPERA HOUSE had begun very fast from the second line and had to be checked severely to avoid contacting the sulkies of the horse in front of him — this caused OPERA HOUSE to gallop. BOLD JASON (NSW) (F. J. Willis) was a little slow into stride.
