The New South Wales Trotting Club purchased the Glebe circuit in 1911 from the Metropolitan Rugby Union for £10,400.

The track was known as Epping until 21st March 1929, when due to confusion of the name with that of a well-known Sydney suburb, it was renamed Harold Park, after Childe Harold (Imp), one of the great progenitors of the stock of the early night trotting days.

Childe Harold was bred in Kentucky and was imported from Glasgow, Scotland, by Mr Andrew Town of Richmond, New South Wales.

The progress since then has reached heights undreamt of by those who attended Harold Park's inaugural meeting in 1902, and from its early obscurity Harold Park has become known world-wide as the venue of one of Australia's most spectacular night entertainments.

Handicaps — All races for the Carnival shall be from the mobile barrier. Races conducted on the second night of Heats shall be under an "open" barrier draw system, (i.e., a random barrier draw). All other races in the Series will be conducted under a preferential barrier draw system.

Preferential Barrier Draw — The barrier draw for all Heats, (excepting 2nd series of Heats), Grand Final and Consolation of the Championship shall be conducted in accordance with the following:

Group 1: Will comprise the five horses with the lowest LTS which will be allocated by random draw to barrier positions 1 to 5 plus the number of emergencies.
Group 2: Will comprise the five horses with the highest LTS which will be allocated by random draw to barrier position 6 to 10.
- (c) In regard to (b) above, horses ruled "out of draw" will be placed on the outside of the second row.
In the event of horses of the same LTS spilling past group 1, the extra horse or horses will be taken into an expanded Group 1.

Field Sizes — Heats — maximum of 10 starters for all events. It may be decided to run one or more series of Heats with less than 10 starters. Reserves may be selected with a maximum of 2 in first series of heats only until 9.30 a.m. on the day of the event.

1988 FOSTER'S INTER DOMINION CARNIVAL AWARD FOR YOUNG DRIVERS

There has been great support to the N.S.W. Harness Racing Club from many sources for the upcoming Foster's Inter Dominion Carnival. This support has made possible a number of Awards for the Media, gifts for successful owners and for the Public. One unusual, but we feel sure, keenly sought after Award, has been made available for the **most successful young reinsperson throughout the Carnival.**

The F. G. (Roy) Stephenson Memorial Award has been provided by Mrs. Loretta Shackley (nee Stephenson), daughter of one of the sports forefathers. To be eligible, drivers must be under thirty years of age and will be credited with points for winners and placegetters driven by them during the five nights of racing at Harold Park between the 4th and 18th March, 1988.

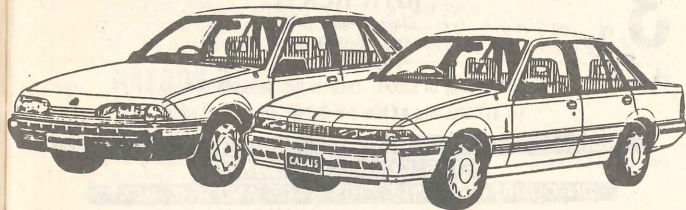

Three points will be awarded for a win, two for a second and one for a third.

Mr. Stephenson, a member of the N.S.W. Trotting Club, was appointed by the Committee in 1929 to the position of Supervisor of the Cumberland Group of Shows, a position he held until his death in 1963.

He was one of the driving forces behind the establishment of night trotting in Sydney and assisted in the organising of the 1952 Harold Park Inter Dominion. Mr. Stephenson was also a co-founder of the Trotting League of N.S.W. and remained as Organizing Secretary for 25 years. Mr. Stephenson devoted his life to the development of Trotting in New South Wales and was particularly interested in fostering the talents of young people in the sport.

The Award will be presented trackside by Mrs. Shackley on Friday, 25th March, 1988.

BATTLE OF BROADCASTERS

TUESDAY, 8th MARCH, 1988

TREVOR SINCLAIR (2UW) v DAVID LORD (2KY)
PETER GRAHAM (2WS) v GARY WILKINSON (ATN7)

Seven of the Best

The quality of the Hanwood Varietal Range introduced into the Australian market by McWilliam's Wines only two years ago has certainly re-shaped consumers' perceptions of the Riverina table wines and the excellent value for money they represent.

Despite their youth, these wines have

already achieved numerous awards from wine judges throughout Australia, a Trophy, a Gold and eight Silver Medals.

The current Hanwood range is comprised of 1986 Rhine Reising, 1986 Chardonnay, 1986 Fume Blanc, 1983 Spatlese Rhine Reising, 1983 Cabernet Merlot and 1984 Cabernet Sauvignon.

Information for Totalisator Investors

NO REFUNDS ARE MADE OR DIVIDENDS PAID except upon presentation of a ticket. If the ticket is mutilated or defaced an order for payment by the Stewards may be required. Every investor should satisfy himself before leaving the window that he has received the ticket for which he applied, or the correct amount of dividend or refund payable to him, as the case may be. No claim in respect of the issue of a ticket or in respect of short payment of a dividend or refund will be entertained after the investor has left the window.

DO NOT DESTROY your tickets until ALL-CLEAR has been declared.

UNCOLLECTED DIVIDENDS

Dividends not collected tonight may be collected at any Harold Park Meeting and Fairfield, Menangle and Richmond Meetings within sixty days. After that tickets can be posted to:-

The Dept. of Sport and Recreation, P.O. Box 422, North Sydney, 2060.

In the event of the Stewards declaring all investments off, the money invested will be returned to the investors.

LATE SCRATCHINGS

WIN-AND-PLACE, QUINELLA, TRIFECTA. If a horse is withdrawn or declared a non starter, moneys invested on it will be returned.

DOUBLES — If

- (1) Your horse in the first leg is withdrawn — the money invested will be transferred to the second leg on the Win Tote except when the first leg is run after the second leg when all investments on a first leg scratching will be refunded.
- (2) Your horse in the first leg WINS and your horse in the second leg is withdrawn or declared a non-starter after the Totalisator has opened to receive investments on that double, a dividend will be paid depending upon the number of tickets on the first leg.

NOTE — As a dividend will be paid on the winner of the first leg as set out in (2). NO REFUND will be made where a horse in the second leg is scratched after the Totalisator has opened to receive investments on that double.

CONTROL OF RACING AT HAROLD PARK

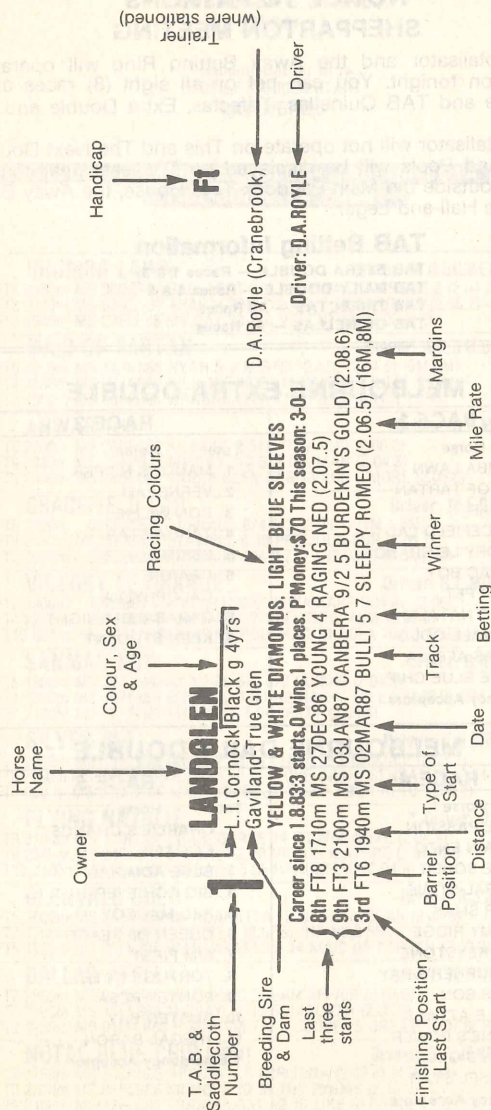

New South Wales Harness Racing Club is proud to be associated with the Stewards of the Harness Racing Authority of N.S.W. in safe guarding the interests of the betting public at Harold Park Paceway.

The Club has been untiring in its efforts to promote public confidence in Harness Racing at the famous Glebe circuit. Some of the initiatives of the Club to achieve this confidence are set out below, for the information of patrons:

- ★ Pre-race blood testing of about 65% of all horses competing.
- ★ Checking of freeze brands on each horse prior to every race. This is the most modern and efficient method of identification in the world.
- ★ Australia's best five camera video coverage of all races, enabling Stewards to view with great clarity all race incidents.
- ★ Post race urine test.
- ★ Strict security — "Birdcage" and Stabling area.
- ★ Comprehensive check of all horses, and condition of their gear as they go out onto the racetrack.
- ★ A modern communication system between Stewards, Starter, Broadcasters, Betting Supervisors, etc.
- ★ A special P.A. microphone in the Stewards' Room to announce important decisions affecting late scratchings, betting decisions, protests, etc. Harold Park is one of the few tracks in the world with this facility.

The Administration of the New South Wales Harness Racing Club, sincerely hope that you enjoy your evening of Harness Racing at the most security conscious racetrack in Australia.

 DEDUCTIONS FOR LATE WITHDRAWALS**

606.(L.R.) Unless otherwise determined by the Authority the scale of deductions of late withdrawals shall be:—

(a) Win and Place Betting

If a horse is withdrawn after betting has commenced on the course, the Stewards are empowered to order a refund of the bets on that horse. In addition, if they consider that the late withdrawal would have any material effect on the other win-and-place bets made prior to the announcement of the late withdrawal they may make an order for deductions in accordance with the following scale:—

Odds against a non-starter at time of declaration	Deductions in the \$ on amount payable to investor (inc. stakes) for a WIN	Deductions in the \$ on amount payable to investor (inc. stakes) for a PLACE
1-4	80¢	30¢

7-1, 8-1, 9-1, 10-1	10¢	10¢
12-1, 14-1, 15-1, 16-1	5¢	5¢

Patrons are reminded that these deductions apply only to bets made before the announcement of the late withdrawal. Bets made subsequently are unaffected, except in the case of a further late withdrawal.

In the event of a late withdrawal from a race at a meeting at another course, if an appropriate ruling can be obtained, bets may be paid in accordance with the order of the Stewards in charge of such meeting. If no appropriate ruling is available the Stewards may exercise their powers as described above for local betting.

MOBILE STARTING PROCEDURES

Effective from 1st October 1986

The Procedures are:

1. The run-up behind the gate will be 300 metres.
2. During the first 100 metres the gate will accelerate to approximately 20km per hour, and for the next 100 metres will accelerate to approximately 30km per hour, before accelerating for the final 100 metres to the release point. When a particular speed has been reached in a score-up there shall be no decrease except in the case of a false start.
"In the event of a track being rain effected, the mobile barrier starter may on approval from the Chief Steward reduce the score-up speeds".
3. Where a horse offends in the first score-up causing a false start it will remain in its allotted position.
4. Where the same horse offends on the second score-up causing a false start it will be "Scratched".
5. In the event of a false start drivers must return to the starting point as quickly as possible (at a pace or trot). Any driver dismounting from his sulky without the starter's permission will be deemed to be wasting time and be duly dealt with.
6. In the event of a horse not taking up its place at the start the stewards may apply Rule 591 of the Rules of Harness Racing.
7. **Scratchings** — In the event of a scratching or scratchings, no gaps will be left in either line and no horse will move from the back line to the front line unless there are fewer horses on the front line than on the back line.
The only exception to this regulation is when reserves are drawn in a race and on these occasions barrier positions shall be determined at 9.30 am race day for T.A.B. meetings. Also, when fewer horses remain on the front line as against the back line, the front line shall be filled.

FALSE STARTS

- (i) A false start will only be declared if:—
- (a) A horse causes interference to another runner.
 - (b) A horse falls prior to the starting point.
 - (c) A horse breaks gear prior to the starting point.
 - (d) A horse scores-up in front of the gate.

* **PLEASE NOTE:** A horse which has galloped away and does not cause a false start will be considered to be a starter and the field will be despatched without that horse.

PENALTIES

FIRST OFFENDERS

- (a) A horse which causes a false start or which fails to take up its allotted position will automatically be stood down until it requalifies from behind the Mobile, and is also made an ODM horse.
- (b) If this is the horse's first offence, it will remain out of the draw for its next two starts and then may re-enter the draw provided it performs satisfactorily.
- (c) A horse which causes 2 false starts in an event and is consequently withdrawn will be stood down 3 Mobile Trials, two of which must be Re-Qualifying trials and is re-classified as an ODM horse.

PREVIOUS OFFENDERS (ODM Horse)

- (a) A horse which has previously caused a false start but then scored-up satisfactorily on the second occasion, and has again behaved in a similar manner at another meeting within a period of two months will be automatically stood down 4 Mobile Trials, two to be Re-Qualifying trials and is re-classified as a RODM horse.
- (b) A horse which has previously behaved intractably behind the mobile and was subsequently withdrawn and on returning to licensed

meetings causes a further false start will be automatically stood down 6 Mobile Trials, two to be Re-Qualifying trials, and is re-classified as an RODM horse. When the trials are completed, the horse is required to perform satisfactorily at 2 non-TAB meetings before being allowed to accept for TAB meetings.

REQUALIFYING

Previous offenders from the mobile attempting to re-qualify **MUST** do so from the front row of the mobile barrier and must be drawn with a horse on either side.

RE-INCLUSION OF HORSES INTO THE DRAW

- (a) **ODM Horses** (with the exception of first offenders): Application will only be considered after 3 satisfactory performances at licensed meetings.
- (b) **RODM Horses:** Consideration of a re-classification to ODM will only be considered after 5 satisfactory performances at licensed meetings.

RACE ACCIDENTS

The Stipendiary Stewards are concerned that further injury may occur to drivers and horses involved in accidents if patrons move on to the racetrack.

The Stewards are aware that members of the public have the best of intentions, but point out that there are laid down procedures in the event of accidents.

These procedures involve officials and horsemen experienced in these emergencies as well as medical and ambulance officers who are on standby.

This request is a direction from the Chairman of Stipendiary Stewards and patrons are respectfully urged to co-operate.

NEW SOUTH WALES HARNESS RACING CLUB LTD. ABANDONED MEETINGS

Should the Board of Directors be compelled by circumstances beyond its control, to order a meeting to be abandoned after the public has been admitted, the following procedure will apply:—

- (1) If less than four races have been conducted at the time of abandonment, each patron will receive at the exits from the Course, a ticket carrying the privilege of free admission to the next Friday/Tuesday meeting, or —
 - (2) If four or more races on the programme have been run, no issue of tickets will be made.
- By order of the Board of Directors.

SIGNALS PROTESTS

will be announced immediately after the finish of a race, and also displayed by a red light on the semaphore, and the sounding of a beepbeep warning sound on the public address system.

ALL-CLEAR AND PAY SIGNALS

will be the showing of a green light on the semaphore and the sounding of a siren.
