# President's Message

*W.A.T.A. President, Jim Snooks*

The Western Australian Trotting Association is delighted to be the host club for the 1989 Golden West Interdominion Pacing Championship.

The Golden West Interdominion Carnival will be a sensational finale to the feast of pacing which fans in WA will have witnessed since the start of the Christmas Carnival and the Benson and Hedges Cup.

When the greatest pacers from each age group in Eastern Australia and New Zealand are matched against the best of our local horses, and you couple this with our extended track and fine new facilities, we are obviously ready for the greatest championship of them all.

Prizemoney in excess of \$1,005,000 will be distributed over the four meetings which constitute the championship.

All at the WATA look forward to meeting our old friends from overseas, interstate and country areas and, as always, we keenly anticipate the many new friendships which will be made over the Carnival.

The WATA committee and I wish to thank the WA Tourism Commission for their sponsorship of this Golden West Interdominion Pacing Championship and we invite all fans to be at Gloucester Park on March 3 when the most successful Interdominion Championship commences.

**JIM SNOOKS**

# 1989 GRAND COUNCIL

The Inter Dominion Pacing Championship was first conducted in 1936 in Perth and from its inception it was realised there was a need for a supervisory body to ensure that rules, policy and guidelines were uniformly interpreted from series to series.

The President of the Council in those days was the late J.P. Stratton who appointed the President of each State and Dominion controlling authority to the Grand Council.

The duties of the Council are to supervise all matters pertaining to the Series and to finalise the Grand Final field.

This year the Grand Council comprises:—

- Dr. E.C. Manea, President, Inter Dominion Harness Racing Council**
- Mr. J. Snooks, President, Western Australian Trotting Association**
- Mr. J. Phillips, President, New Zealand Harness Racing Conference**
- Mr. L.G. Nicholl, President, New South Wales Harness Racing Club**
- Mr. H.D. Krantz, Chairman, South Australian Harness Racing Board**
- Mr. D. McKillop, Chairman, Tasmanian Harness Racing Board**
- Mr. P. Burge, Chairman, Queensland Harness Racing Board**
- Mr. J.F. Williams, Board Member, Harness Racing Board Victoria**

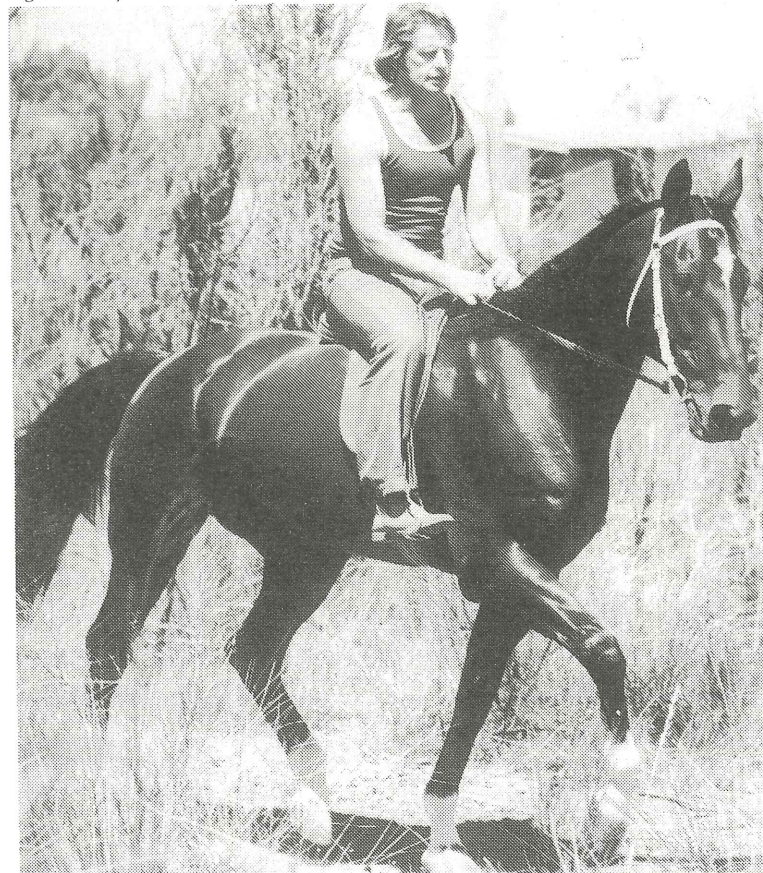

**BINSHAW** Bay Gelding foaled 1961 (27 years old) — by BINTRAUSS—PANMINTON by PANTHER'S PAL

Binshaw was the first W.A. bred pacer to win the Inter-Dominion Final when he was successful in 1967 as a 5yo.

At age 27 Binshaw is the oldest surviving Inter-Dominion Final winner in Australia and will be leading out his third Grand Final having previously led out the 1974 and 1982 Grand Finals in Perth.

Binshaw retired from the racetrack in 1976 at age 14 as the winner of 27 races and \$84,445 in stakes and in addition to the 1967 Inter-Dominion Final win with Phil Coulson in the spider, Binshaw won the 1970 Easter Cup for Ray Sweetman and the 1976 Fremantle Members Flying Mile for Fred Kersley.

Binshaw is pictured being ridden by Fred Kersley shortly after his retirement from the racetrack was announced in 1976.

## GLoucester Park — "FRIDAY, MARCH 10, 1989"

**RACE 1:** Pay-up time for race 1 was extended for several minutes as a result of trainers experiencing extreme difficulties in arriving on course by the prescribed pay-up time due to heavy traffic in the vicinity of Gloucester Park. Racing down the back straight on the last occasion SAN MIG (K L Kersley) and SLY AGENT (T B Warwick) locked wheels momentarily as a result of SLY AGENT attempting to obtain a clear run. TRUNKEY JAGUAR (J R Graham) and THE GOOD DECISION (M G Reed) had difficulty in obtaining clear runs until entering the front straight on the last occasion. REAL FORCE (G R Jones) after leading up the event, tired over the concluding stages. The connections of REAL FORCE reported that this pacer had become agitated en-route to the course when caught in the traffic jam and appeared to break-out badly prior to this event and this may have affected his performance. MILE RATE 1.59.0 FINAL MILE 2.00.9 FINAL HALF 59.5 FINAL QUARTER 30.0

**RACE 2:** CAPTAIN LORENZO (P J Schrader) which was leading up the field had a tendency to shift up the track into the one wide line racing for the back straight on the last occasion. Shortly after the start was effected EXCEED (G E Hall) appeared to be momentarily inconvenienced as HIGH WESTERN (M G Reed) has shifted down the track on its outside. M G Reed has attempted to correct the line of HIGH WESTERN however EXCEED has been obliged to shift outwards as a result. Racing towards the front straight EXCEED was in a half cart position attempting to regain its position in the one wide and in the front straight SMOOTH PRINCE (A L De Campo) which has been racing on its outside has restrained to take a seat behind EXCEED as it has shifted outwards into a full one wide line. It was noted that EXCEED had a tendency to hang inwards throughout the running of the event. MILE RATE 1.59.5 FINAL MILE 2.01.0 FINAL HALF 60.6 FINAL QUARTER 31.0

**RACE 3:** OUR TRIVIAL PURSUIT (C F Ellis) was slow away. WEST MANJIMUP (G K Devenny) broke gait and galloped for a short distance. Subsequent to the running of the event the Stewards ordered a veterinary inspection and the Club's veterinarian reported severe chaffing to the off-fore leg. Trainer G K Devenny advised that WEST MANJIMUP appeared to be favouring its hind quarters during the running of the event. Stewards advised that this pacer would be stood down pending a veterinary certificate of soundness. MILE RATE 2.00.4 FINAL MILE 2.01.9 FINAL HALF 59.9 FINAL QUARTER 30.2

**RACE 4:** LADY LANARK (L J Mitchell) was slow away. Over the concluding stages of the event ANNE OF GREENWOOD (P C Coulson) was held up and unable to obtain a clear run. Swab samples were taken from the first three placegetters in this event. MILE RATE 2.01.9 FINAL MILE 2.02.8 FINAL HALF 59.9 FINAL QUARTER 29.5

**RACE 5:** Prior to the running of the event the Club's veterinarian inspected OUR MAESTRO and found that pacer to be fit to compete. V J Knight was fined \$200 for the manner in which he used his whip over the concluding stages of the event.

Racing into the front straight on the last occasion ELTEEI (A C Lewis) which had been racing between SCREAMING EAGLE (G D Harper) and MORGAN JAMES (L C Froyland) appeared to be tightened and contacted as SCREAMING EAGLE has shifted outwards on its inside. At a subsequent enquiry G D Harper (SCREAMING EAGLE) pleaded guilty to a charge of carelessness in crossing under Rule 257 and his reinspersons licence was suspended for 14 days. It was noted that TAX CREDIT (A G Herlihy) was badly held up and unable to obtain a clear run. J G McLean was questioned as to the reason he did not move BRONSKI BEAT from a trailing position, one, one, leaving the back straight on the last occasion and around the bend entering the front straight. McLean advised that he felt BRONSKI BEAT was doing its best and he was following ANOTHER BART (P C Coulson) who he felt would carry on and cart him forward. However when BRONSKI BEAT has obtained a clear run it has been unable to run on. Stewards noted the comments. MILE RATE 1.58.6 FINAL MILE 1.59.6 FINAL HALF 58.3 FINAL QUARTER 28.6

**RACE 6:** In the run to the finish it was noted that SIR REILLY (V J Knight) was momentarily inconvenienced as PALIMAR (C W Joss) hung inwards under pressure on its outside. Subsequent to the running of the event Stewards ordered a veterinary inspection of SIR REILLY and the Club's veterinarian reported he could find nothing amiss. It was noted that MAXWELL HOOK (W Harman) and KARL THOMAS (N J Clarke) were both held up and unable to obtain clear runs. MILE RATE 1.59.6 FINAL MILE 1.58.2 FINAL HALF 57.6 FINAL QUARTER 29.4

**RACE 7:** Leaving the back straight on the last occasion COME MY FRIEND (A L DeCampo) which had been racing in the one wide position appeared to shift down the track under pressure and SINGLETON (G D Harper) which was racing on its outside has shifted in with this movement. As the horses left the back straight GOLDEN KING (T B Warwick) racing on the rails has shifted out slightly and as a result COME MY FRIEND has been momentarily tightened and raced roughly as SINGLETON has crossed to lead the one out line. After taking evidence from the drivers concerned viewing the official films, acting on their own observations the Stewards took no further action in the incident other than to remind G D Harper of his

obligations when shifting ground. Swab samples were taken from the first three placegetters in this event. MILE RATE 1.59.7 FINAL MILE 2.00.6 FINAL HALF 59.9 FINAL QUARTER 29.4

**RACE 8:** LET'S TALK (D J Jeffees) was inspected by the club's veterinarian prior to the running of the event and passed fit to compete. J G McLean (VOIGHT) was charged and found guilty under Rule 212E for having allowed his horse to shift from its allotted barrier position prior to the start being effected. McLean was fined \$200. LUV YOU PERTH (W J Kersley) began slowly. In the back straight on the second occasion it was noted that ESTEVE (R J Retzlaff) and ROWLEYALLA (K Rivett) locked spider wheels for approximately 50 metres. After viewing the films and acting on their own observations the Stewards could lay blame on no one driver in the incident. ROWLEYALLA tired badly over the concluding stages of the event. Subsequent to the running of the event the Club's veterinarian inspected ROWLEYALLA and reported he could find nothing amiss. MILE RATE 1.58.4 FINAL MILE 1.58.9 FINAL HALF 59.1 FINAL QUARTER 29.5
