GENERAL INFORMATION

BUGLE CALL: A bugle call will be sounded over the public address system when the field leaves the Birdcage.

LAP BELL: As a warning to drivers the lap bell will be sounded when the field has one more round of the track to go.

SIREN: A siren will be sounded when the Judicial Committee conducts any hearing that may affect the result of a race. Patrons are warned against destroying totalisator tickets until at least FIVE MINUTES after the running of each race, or until payment of dividends has actually been commenced.

INDICATOR LIGHTS ON WINNING POST

ORANGE — Indicates that the starter has been notified to commence the race in 1½ minutes.

RED — Indicates that the starter has permission to commence the race.

UNRULY HORSES: If the letters UR appear in place of the barrier draw it means that, that particular horse has been declared unruly by the Stipendiary Stewards and such horse shall start a second line on the extreme outside from behind and clear of the front line horses. If there are other horses on the second line the horse or horses so declared unruly shall start on the extreme outside of the second line and clear of the front and second line horses.

BREAKING HORSES: As a general principle, when a pacer or trotter breaks during a race, the driver must immediately return the horse to its correct gait and where possible take the horse clear of the field.

The Stipendiary Stewards may fine or suspend any driver who fails to take such action and disqualify any horse which in their opinion has gained an advantage by breaking.

Where the Stipendiary Stewards decide that any horse by breaking at or near the finishing line gained an advantage that enabled it to run into a place before any other horses in the race, they shall relegate the horse gaining the advantage behind such other horses.

UNDER DOLLAR DIVIDENDS: The attention of patrons is drawn to the following notice which appeared in the New Zealand Gazette on 18 December, 1980:-

"Pursuant to sections 44A and 98A of the Racing Act 1971 (as inserted by the Racing Amendment Act 1980) the Minister of Internal Affairs hereby notifies for public information that the requirement on Totalisator Clubs and the Totalisator Agency Board to pay out by way of dividend in respect of any bet on which a dividend is payable shall not apply in respect of place betting on any race when an amount equal to 60 percent or more of the gross investments in the place pool is invested on any one of the horses or greyhounds filling a dividends-earning place in the race."

Warning: Patrons are warned that as a consequence of the above notice the possibility exists that place dividends in respect of strongly-invested starters will not be made up to \$1.

HOW WE SEE THE FIELD

With form runners drawn close in, the opening trifecta could well hang upon SHEER DALE, SIOUX CITY and JACK HAWKINS. All have shown a good deal of promise and given his ability to run this distance well, JACK HAWKINS could well prove the each way bet. On form shown to date, the Herbert trained three-year-old has looked well above average and being fresh just may prove to his advantage. IN A FRENZY, another back from a break, is likely to add a little value for he did show a lot of promise last time in and this would seem to be well within range. ROY'S ADVICE and CHAPEL LORD, both beaten when favourite last time out, are to be given consideration should they make the starting line-up and in their absence it would pay to give more than a passing glance to HILO ROYCE. His deputing run was very sound and it gave hint that HILO ROYCE is to make rapid progress through the lower grades.

HOW WE SEE THE FIELD

Form followers again have to mull over with TOP RUN right among the forefront. Beaten by a difficult draw when last tried, TOP RUN had beforehand raced with credit and it is fair to say that a winning turn is due. MAC ENTIRE managed just that last time out and such was the authority of that performance, he must be some chance to repeat. HAPPY JOE and TEUTONIC are two of good consistency that will appeal to each way investors and ADVENTURER is another that knows not how to run a bad race. For better return, have a look at the richly bred SMILE BIRDIE. While his latest run was nothing to rave over, SMILE BIRDIE at least has winning form on course and he should now be in a position to race right up to that standard. BEST OF VANCE, if caught in the mood, also has the ability to threaten and there could be even better value to be found in CORPORATE QUEEN as she was clearly denied a true racing opportunity last time out.

HOW WE SEE THE FIELD

BOLD SHARVID and **THORATE** stand out as being the hardest to beat in this and the first of two
consolation races to be run tonight. Both are very talented performers with **BOLD SHARVID** having won
4 races over the distance and **THORATE**, perhaps a little unlucky not to have qualified for Grand Final
selection. **TIGHT CONNECTION**, on the other hand, only really came to form a week ago and none
in this line-up can boast a better winning record on course. A peak effort from this talented performer
would just about increase that strike rate and doubtless many will also be looking to **STARSHIP** to make
a winning return. His fourth on night three represented a fairly solid effort and taken overall, this is probably
his best opportunity at the carnival. **FIELD COMMANDER**, a second night heat winner, obviously has
potential to repeat and if given any sort of trip, **ROWLEYALLA** could well outfinish them all.

HOW WE SEE THE FIELD

An even mix of trial and race form makes this a tough betting challenge and the rail draw could well help EASY GOER to perform with credit. In trial competition, this richly bred gelding has shown all the attributes of a first up winner and the odds on offer are likely to be restricted. KURAHAUPO LORD is another with trial winning performance to support his claim but MIKE'S REIGN is the consistent performer who will appeal to those making an each way investment. For better place odds, a ticket of DRIZZABONE would not go astray as this is to be his last test before being freshened and if there are no scratchings on the inside, he could end up with a decent run. RAINBOW FELLA and CONNEMARA VANCE are two trial winners to have impressed while GRETNA'S GUY looked very strong when last on course and he is obviously destined to go a good way further.

HOW WE SEE THE FIELD

The opener of the TAB treble rather looks like providing CASINO LORD with yet another chance for success. Currently on a three straight sequence, CASINO LORD gets into the race nicely and he does have the ability to lead throughout. PROVANCE, a recent trial winner, could be the dark horse. For better value, look to the in-form pairing of MARY MAY and VANCE MORRIS as both are far better than their last run may indicate. Consistency makes MIGDAL worthy of respect and EASY GUESS is one who should be improved by a run on course last week. SMOOTH PERFORMER, who starts from the second line, is another to watch closely as she is a rare talent and one who can counter a difficult draw. ALBERTON FAIR, beaten favourite when last produced, is obviously going to have to improve on that effort but he along with the well performed SMOOTH GERRY are not to be omitted from combinations.

RECENT EFFORTS HAVE BEEN MIXED, OTHERS LOOK BETTER.

SUPPORTING THE ARTS SHOULDN'T COST A PACKET.

New Zealand cultural groups have been grateful to accept money from whoever has offered it.

Some of that money has been provided by the tobacco industry. But at a price.

Through tobacco sponsorship, much of the cost of supporting many arts projects is met by young people who end up buying the sponsor's product.

And pay for it with their health.

The Health Sponsorship Council's Lifespan programme has been developed to eliminate the need for such a source of funds. And to assist tobacco sponsored organisations as they move into a healthier, tobacco-free future.

The cost of matching such sponsorships will, where necessary, be met by Lifespan.

It's a small price to pay for a healthy New Zealand.

OUR NATION'S HEALTH IS ITS WEALTH.

HOW WE SEE THE FIELD

Having so many talented types drawn together makes this a tough mission for those chasing either the TAB double or TAB treble. Realistically, all are deemed to be a winning chance but given the way the draw has gone, things definitely tend to favour the visiting American DARE YOU TO. He has proven at the carnival that he has tremendous speed and a fifth on the first night serves as confirmation that he will have no trouble with the distance. THE BRU CZAR, but for a third night defeat, has much to recommend and he will make things interesting as will the consistent MARK HANOVER, who many believe as being Roy and Barry Purdon's best chance for success. FRANCO ICE, given that he may run from nine, is drawn to need luck but such are his great fighting qualities, he cannot be taken lightly and only the very game will leave CHRISTOPHER VANCE from combinations. INKY LORD, likewise, is a huge talent and one who has whipped many of these in the past.

HOW WE SEE THE FIELD

The closing leg of the TAB treble is yet another race that is loaded with options and the spread of form should make for a worthwhile return. It is fair to assume, however, that THE SICILIAN will be a short order as he has been among the favoured runner's more often than not and his last start lapse is deemed to be a little misleading. Before that, THE SICILIAN had been a model of consistency and this is a distance over which he is better suited. IRRESISTIBLE VANCE, another with course and distance form, rates as a chance while fresh and having been so consistent overall, FERN GLEN could hardly be left out of calculations. Exposed form also makes SLY LOBELL one of the better prospects and had END THE BATTLE drawn better, he could then have been backed with far greater confidence. CARSON'S LAW, a good third last time out, is another that deserves attention as does the highly regarded NERO'S FIDDLE and the in form RAJ VANCIE.

HOW WE SEE THE FIELD

Course and distance specialist IDLE SCOTT gets his chance to strike a blow in the second leg of the TAB double. Three starts at the carnival have not yielded much for this war horse but his third night showing did tend to suggest that IDLE SCOTT is again closing on a peak performance. YANKEE LOCH, given that he has never won from a mobile, is in a position to give cheek for the inside draw does give this well performed runner a certain advantage. Expected scratchings should also have improved the starting position of GUARDIAN ANGEL and that could help the third night placegetter to give a little cheek. LENIN, likewise, may start closer in than barrier nine and if he does, the Australian is sure to make things interesting. Grand Final victor FRAGGLE ROCK is obviously going to command great respect as will the well performed WILLIAM DEE and the in form TOBAGO.

WHO'S PAYING FOR SPORTS SPONSORSHIP?

Where tobacco concerns are investing in sponsorship, the price is often paid by young New Zealanders.

The Health Sponsorship Council's Lifespan programme has been set up to end that contradiction.

And to assist tobacco sponsored organisations as they move into a healthier future.

Over the next few years, Lifespan proposes to phase out tobacco sponsorships and, wherever necessary, replace them with its own support.

It's a small price to pay for a healthy New Zealand.

HOW WE SEE THE FIELD

Having the barrier draw in his corner is going to help CHUIN no end and a form reversal could very well result. His efforts at the meeting have been some way better than that appear on paper and the four-year-old talent may wait sometime to get an easier chance of breaking back onto the winners list. LORD LENNY is another who could find the conditions most suitable and contrary to back-up form, he does have the ability to be prominent. Most, however, will be looking to NIGHT COLT for a form reversal and the Canadian does deserve a change of fortune. CAPTAIN LEE, having won 6 of his eight races over this distance, ranks as one who could provide a little value to trifecta bets and the form of TWO UNDER at the carnival is reason enough to give support.

HOW WE SEE THE FIELD

Exposed form tends to offer a realistic guide in the "getout stakes" with TOWER OF STRENGTH and TOORALOO a likely quinella pairing. Fresh to the meeting, TOWER OF STRENGTH looked very smart when last tried and his gate speed will ensure the two draw is used to advantage. Whether that will be enough, however, to hold the well performed TOORALOO is another question. Winner of six on the trot, TOORALOO sprints well and only the game will be on anything else to win. KILBURNIE VANCE, at nine, is drawn to need luck but if it falls his way a dividend should result. For better odds, give thought to the Blanchard/Simpson pairing of ORETI EXPRESS and CHERBOURG as they are mares of some quality and the pick of the remainder could well be CAMERON HANOVER as he is the type that invariably gives of his best.

STIPENDIARY STEWARDS PRESS REPORT

RACE 1 — EQUINE PACIFIC MOBILE PACE

Dorothy May broke in the run up losing several lengths before settling.

RACE 2 — MEADOWSET GRAPHICS (HEAT 18) MOBILE PACE

Jackoe's Boy broke with 1000m to run and also in the run home, both free of interference.

RACE 3 — MEADOWSET GRAPHICS (HEAT 19) MOBILE PACE

Adios Vance was a late scratching in this event with a veterinary certificate provided.

RACE 4 — MEADOWSET GRAPHICS (HEAT 20) MOBILE PACE

Adventure broke badly in the run up losing considerable ground before settling.

RACE 6 — AIR NEW ZEALAND INTER-DOMINION TROTTERS CHAMP GRAND FINAL.

Family Pride was a late scratching from this event on veterinary advice. The Club's veterinary surgeon reported that the horse was lame in the near front leg. Favourite David Moss trotted roughly after the barrier pulled away losing several lengths before settling towards the rear. Lyn's Choice broke after approximately 200m settling quickly.

RACE 7 — NEW ZEALAND RACING AUTHORITY EIGHTH PACERS QUALIFYING HEAT

Bold Sharvid was a late scratching by the Stipendiary Stewards due to the horse having an unacceptable level of bicarbonate. Blossom Lady paced roughly with approximately 300m to run eventually breaking in the run home. Following the event trainer D.G. Jones was fined \$100.00 as the connecting strap on the near side had broken.

RACE 9 — MANUKAU TROTTING CLUB INTER-DOMINION TROTTERS CHAMP CONSOLATION

Piece De Resistance which drew three on the front line broke during the run up, this resulted in White Horse Pride, which had drawn the second row behind this horse, to be checked. In the re-run Piece De Resistance was sent to the outside of the front line by the starter. Following the running of this event a complaint was lodged against I.R. Lee (Glenfield Girl) on the grounds of careless driving causing interference to Game Nian and Midlands Del, both these horses breaking after approx. 400m. I.R. Lee pleaded guilty and his horseman's licence was suspended up to and including the 16th March 1991. He was also fined the sum of \$250.00.

RACE 10 — BARON DEVELOPMENTS HANDICAP PACE

Fella's Ego (Mrs S.H. Branch) broke, ran in squeezing Caledonian Count (M.J. Stormont) down on to the hub rail, which resulted in this horse breaking and losing whatever change he may have had in the race. Following the event trainer Mrs S.H. Branch was warned that a repetition of her driving tactics would see her dealt with and further the horse was issued with a warning regarding its racing manners. The bandage on Bobby Dazzler (E.B. Billett) on the off fore came undone in the run home and trainer E.B. Billett was subsequently fined the sun of \$100.00 for faulty gear.
