GENERAL INFORMATION

BUGLE CALL: A bugle call will be sounded over the public address system when the field leaves the Birdcage.

LAP BELL: As a warning to drivers the lap bell will be sounded when the field has one more round of the track to go.

SIREN: A siren will be sounded when the Judicial Committee conducts any hearing that may affect the result of a race. Patrons are warned against destroying totalisator tickets until at least FIVE MINUTES after the running of each race, or until payment of dividends has actually been commenced.

INDICATOR LIGHTS ON WINNING POST

ORANGE — Indicates that the starter has been notified to commence the race in 1½ minutes.

RED — Indicates that the starter has permission to commence the race.

UNRULY HORSES: If the letters UR appear in place of the barrier draw it means that, that particular horse has been declared unruly by the Stipendiary Stewards and such horse shall start a second line on the extreme outside from behind and clear of the front line horses. If there are other horses on the second line the horse or horses so declared unruly shall start on the extreme outside of the second line and clear of the front and second line horses.

BREAKING HORSES: As a general principle, when a pacer or trotter breaks during a race, the driver must immediately return the horse to its correct gait and where possible take the horse clear of the field.

The Stipendiary Stewards may fine or suspend any driver who fails to take such action and disqualify any horse which in their opinion has gained an advantage by breaking.

Where the Stipendiary Stewards decide that any horse by breaking at or near the finishing line gained an advantage that enabled it to run into a place before any other horses in the race, they shall relegate the horse gaining the advantage behind such other horses.

UNDER DOLLAR DIVIDENDS: The attention of patrons is drawn to the following notice which appeared in the New Zealand Gazette on 18 December, 1980:-

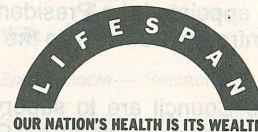

"Pursuant to sections 44A and 98A of the Racing Act 1971 (as inserted by the Racing Amendment Act 1980) the Minister of Internal Affairs hereby notifies for public information that the requirement on Totalisator Clubs and the Totalisator Agency Board to pay out by way of dividend in respect of any bet on which a dividend is payable shall not apply in respect of place betting on any race when an amount equal to 60 percent or more of the gross investments in the place pool is invested on any one of the horses or greyhounds filling a dividends-earning place in the race."

Warning: Patrons are warned that as a consequence of the above notice the possibility exists that place dividends in respect of strongly-invested starters will not be made up to \$1.

GOLDEN JUBILEE LIFESPAN INTER-DOMINION POINTS SYSTEM

1. Points shall be awarded to each horse actually starting and finishing a race of a Qualifying Division on the basis that the winner of a race of a Qualifying Division will receive in points the equivalent of the number of horses previously selected by the Auckland Trotting Club as the maximum number of horses to compete in each race of the Qualifying Divisions. The second horse in each race of the Qualifying Divisions will receive the next lower number in points and the third horse will receive the next lower number with each horse finishing thereafter receiving in order one lower number in points than the preceding horse until the last horse finishing in a maximum field will receive one (1) point.
2. The winner of each race of a Qualifying Division will receive one (1) bonus point to be added to the points already earned for that race.
3. There are no points allocated for fastest time.
4. A horse that is scratched from a race of the Qualifying Division or a horse that does not complete the race will not be allocated any points for the race of that Qualifying Division.
5. In the event of a scratching or a horse not completing the course, points will be allocated as before with the winner and other horses finishing the race entitled to receive their maximum number of points as if a full field had competed and finished the course in that particular race.
6. In the event of a dead-heat all points of the horses dead-heating shall be added together and equally divided.
7. The Judge shall place all horses in a race according to the order in which their noses reached the winning post.
8. In each Qualifying Division the same number of maximum points shall be allocated irrespective of the actual number of starters and irrespective of the variation of the number of Divisions on each day or night of racing.

HOW WE SEE THE FIELD

In what looks an interesting line-up, CALL ME CHIOLA ranks as a likely favourite and one who is geared to race well. Winner of two trials, CALL ME CHIOLA looks a very settled youngster and most will be expecting the strong filly to be in front from barrier rise. HANGOVER is another filly to have impressed in the past week or two and her handy draw is going to prove a valuable asset. For better odds, SOUND OF CHIOLA may be worth a dollar for she is some way better than her effort at the trials last Tuesday may suggest. At the same meeting, MEGAMAN went super well and if he repeats that form a dividend will be returned. BALTIC PRINCE was another to catch the eye on Tuesday while TROTTING POWER set a national record the same day and that will ensure the Cambridge trotter is well supported.

HOW WE SEE THE FIELD

Exposed form and the presence of trial performance makes this a tough challenge and DOROTHY MAY is one that could prove value. Impressive in winning at a midweek matinee on course, DOROTHY MAY has sufficient early brilliance to ensure that rail draw is used to advantage. PRECIOUS GIFT, a last start winner, impressed when making a debut appearance for the Purdon stable on Sunday and that augurs well for the chance in this. Similarly, LADY'S DAY is another to have shown real promise in the South and she will have to be given every consideration. EVAMAY has the back up form to recommend while the Purdon pairing of DREAM HANOVE and SWEET ALLI BUTLER have both impressed at trials and are obviously ready to fire. MICHELLE SOKY, at nine, is another with a promising background but the better prospect may be ATOMIC LACE as she was super impressive when winning at Cambridge last week.

WHO'S PAYING FOR SPORTS SPONSORSHIP?

Where tobacco concerns are investing in sponsorship, the price is often paid by young New Zealanders.

The Health Sponsorship Council's Lifespan programme has been set up to end that contradiction.

And to assist tobacco sponsored organisations as they move into a healthier future.

Over the next few years, Lifespan proposes to phase out tobacco sponsorships and, wherever necessary, replace them with its own support.

It's a small price to pay for a healthy New Zealand.

HOW WE SEE THE FIELD

Roy and Barry Purdon are again likely to take prominence with DREAM HANOVER seemingly a top each way bet. Nicely placed on that rail, DREAM HANOVER steps into this with trial form in credit and most in this acceptance should be hard pressed to run with the daughter of MISTER HANOVER. Southern trained JOYOUS MOMENT could be an exception as she is from a stable that gets early results and the same can be said of the richly bred TUAPEKA DAME. For better return, CUNNING ATOM could be worth more than a passing glance. Prior to a first up failure, CUNNING ATOM had looked promising and the conditions here should suit. UP THE ANTE has, in trial competition, indicated that ability to be prominent and if SAY GRACE can strike the right trip early, she should be right there at the finish.

HOW WE SEE THE FIELD

The in form pairing of ALBERTON FAIR and MAC EXPRESS rather look to be a special quinella in what looks an evenly matched line-up. When resuming on course a week ago, ALBERTON FAIR attracted predictable support and he did look a little unlucky. MAC EXPRESS, at the same meeting, turned in a powerhouse display and in that sort of form he will be hard to contain. For better return, give consideration to ADIOS VANCE as he is a fresh runner who is a good way better than average. In terms of sheer ability, SMOOTH GERRY lacks little and he will find the conditions of this right within range. PLACID LYNAR, though drawn wide, is not to be overlooked and form reversal from WHAT YOU GOT would come as no surprise. As an each way bet, WARM SPIRITS has to rate and those looking for a worthwhile place return may do well by giving support to MARY MAY.

SUPPORTING THE ARTS SHOULDN'T COST A PACKET.

New Zealand cultural groups have been grateful to accept money from whoever has offered it.

Some of that money has been provided by the tobacco industry. But at a price.

Through tobacco sponsorship, much of the cost of supporting many arts projects is met by young people who end up buying the sponsor's product.

And pay for it with their health.

The Health Sponsorship Council's Lifespan programme has been developed to eliminate the need for such a source of funds. And to assist tobacco sponsored organisations as they move into a healthier, tobacco-free future.

The cost of matching such sponsorships will, where necessary, be met by Lifespan.

It's a small price to pay for a healthy New Zealand.

HOW WE SEE THE FIELD

With most of the better fancied runners drawn awkwardly, GYPSY VANCE and TWO UNDER are two that could add value to trifecta bets. GYPSY VANCE, in particular, shapes as being the "dark horse" for he is a tough old campaigner and his form is not considered to be a true guide. TWO UNDER, who was not too far away when last on course, will be suited if a staying test develops and this seems likely as FIELD COMMANDER is in good form and this a distance over which he excels. Most interest, however, will centre upon defending Inter-dominion champion THORATE. He arrived in the country on Thursday morning looking very fit and there are few in this acceptance with comparable ability. TIGHT CONNECTION is exception as he is also a million dollar earner and one who again looks at the top of his form. ROWLEYALLA, from Sydney and the Victorian IT'S MOTOR POWER are others that should command respect.

HOW WE SEE THE FIELD

Midweek trial form makes LYN'S CHOICE a must for those chasing the TAB treble. While the Cambridge mare continues to rank a little below the best in this section, she has been totally consistent and the rail draw is seen to be something of an advantage. EVANDER ROSE, another with trial form to recommend is to be given serious consideration and a bold display from TOP A PEEL would come as no surprise at all. The greatest majority, though, will be drawn to the side of WILLIAM DEE as he was a luckless runner last time and his prior form had been very sound. DIRECTORSHIP, who caught the eye with a bold trial on course a week ago, is a talent that is always worthy of respect. LENIN, likewise, is regarded as being better than an average chance and just as back up form serves to confirm, DAVID MOSS is not one to leave out of combinations.

HOW WE SEE THE FIELD

Local runners look likely to play a prominent role in the TAB double opener and everything points to CHRISTOPHER VANCE being the public elect. One of a strong team that Roy and Barry Purdon will present, CHRISTOPHER VANCE is in great shape and at this stage he ranks as being a certainty to make Grand Final selection. CHUIN, the drive of Robert Mitchell, is in a position to give a little cheek and having won 8 races from a mobile, DEFOE obviously warrants respect. Form followers will also be drawn to the side of BLOSSOM LADY but there is some doubt as to how she will handle right handed competition. If she adapts, a dividend should be returned but as a betting medium the improving LOOKAHEAD does make far more appeal. The visiting pair of RUFUS YOUNG BLOOD and DARE YOU TO are also likely to attract support but no more so than local hero THE BRU CZAR for he indicated his readiness with an easy trail win on course mid-week.

HOW WE SEE THE FIELD

While those drawn on the back row are going to dominate most of the discussion, there seems little doubt that INKY LORD will start favourite and rightly so! This handsome black was in great form at Ashburton last week and given his record on course, he is hard to go past. The barrier position has enhanced the prospects of FRANCO ICE and he is likely to test the more favoured runners, whereas HONKIN VISION is drawn to need luck but as indicated in a recent trial, the Southern star is not to be taken lightly. Realistically, though, race fitness will be the telling factor and that is what will help the well performed MARK HANOVER. He loves the track, the distance will suit and being so tough the draw will not matter. It could, however, count against NIGHT COLT but he, along with the talented ALMETA BOY, are two that must be accorded serious consideration.

HOW WE SEE THE FIELD

Exposed form provides the best key for this result with GLENFIELD GIRL a possible to spring something of a surprise. On her day, the Victorian mare is very capable and her advantage in the draw could well lead to a dividend being returned. Having course and distance winning form in credit virtually entitles FRENCH KISS to respect but if MOUNT CARGILL and IDLE SCOTT are on their game, she may be restricted to a minor placing only. For the each way bettor, MOUNT CARGILL is clearly a must and IDLE SCOTT is obviously an even better show. Southerner's, however, will have SUNDON ahead of this pair and given his effort of late, that is easy to understand. For better odds, JOE JUNIOR ranks as one for those wanting a worthwhile place bet and though YANKEE LOCH has not yet won from a mobile, he is clearly too good to leave out of combinations.

HOW WE SEE THE FIELD

The “getout stakes” will see some out to regain lost glory while the highly ranked TOORALOO will attempt her sixth win in succession. Of those drawn better than the likely favourite, RESOLUTE POPLAR, VANCE WIN and FUN LEGACY are three that make warm appeal. Coming in fresh is obviously going to suit RESOLUTE POPLAR and he has the gate speed to use the rail draw to advantage. Especially if VANCE WIN attempts to repeat his effort of last week and in that form, the Pukekohe gelding will find the rise in class no problem. FUN LEGACY, on the other hand, needs to turn a last start defeat around and running of the gate may well affect that change. CAMERON HANOVER, a fresh runner, is to be given serious consideration while TRIO'S CHARM and MATAI JEWEL look two that have the ability to upset.
