INTERDOMINION PACING CHAMPIONSHIP POINTS SYSTEM

- (a) Points shall be awarded to each horse actually starting and finishing a division of the Qualifying Heats on the basis that the winner of a division of the Qualifying Heats will receive in points, the equivalent of the number of horses previously selected by the Albion Park Harness Racing Club as the maximum number of horses to compete in each division of the Qualifying Heats. The second horses in each division of the Qualifying Heats will receive the next lower number in points and the third horses will receive the next lower number with each horse finishing thereafter receiving in order one lower number in points than the preceding horse until the last horse finishing in a maximum field will receive one (1) point.
- (b) The winner of each division of the Qualifying Heats will receive four (4) bonus points to be added to the points already earned for that race. The second and third horse in each division of the Qualifying Heats will receive two (2) and one (1) bonus points respectively to be added to the points already earned for that race.
- (c) There are no points allocated for the fastest time.
- (d) A horse that is scratched from a division of the Qualifying Heats or a horse that does not complete the race will not be allocated any points for the division of that Qualifying Heat.
- (e) In the event of a scratching or a horse not completing the course, points will be allocated as before with the winner and other horses finishing the race entitled to receive that maximum number of points as if a full field had competed and finished in the course in that particular race.
- (f) In the event of a dead heat, all points of the horses dead heating shall be added together and equally divided.
- (g) The Judge shall place all horses in a race according to the order in which their noses reached the winning post.
- (h) In each Qualifying Heat the original number of maximum points shall be allocated irrespective of the actual number of starters and irrespective of the variation of the number of divisions of Qualifying Heats on each night of racing.

INTER DOMINION PACING CHAMPIONSHIP GRAND FINAL FIELD

- (a) The twelve (12) horses which gain the greatest aggregate of points shall be eligible to start in the Grand Final, but should circumstances warrant such a course of action, the Grand Council of the Inter Dominion Harness Racing Council shall have the power to increase the number of starters above the designated number and to select additional starters.
- (b) In the event of two or more horses each scoring equally the minimum number of points entitling them to be eligible for the Grand Final and thereby producing a field exceeding the number designated by the Albion Park Harness Racing Club then the Grand Council shall decide in its discretion which of the horses with equal points shall start in the Grand Final.
- (c) The Championship Program Committee shall be the sole judge of which horses are entitled to start in the Consolation Race.

Brian Perkins proudly presents

SH-BOOMTM

The spontaneous joy and musical freshness of the 50s through to the 80s combined with the electronic and instrumental wizardry of the 90s . . . quite a package!

That's the combination being offered by Australia's top vocal group . . . **Sh-Boom**.

It could be termed **NOSTALGIA PLUS**.

The distinctive sound of this all-Australian group not only takes audiences back down a nostalgic tunnel of time, but also puts zest into the world of song.

The group's line-up is a mix of old and new. Brian Perkins, baritone; combining with Leigh Gorring, tenor; Rex Harris, bass; David McClurg, lead.

Brian co-founded the original Delltones in 1958. In 1982 he retired to his property near Byron Bay, where he still resides. In 1987, Brian recreated that true four part stand up vocal harmony style Sh-Boom have become synonymous with.

The response was overwhelming! Audiences all over Australia made no secret of their appreciation and have been wowed by Sh-Boom's audacious brilliance.

Sh-Boom has not only a great vocal blend — but also a fusion of experience, enthusiasm, energy and excellence. These qualities all add up to **ENTERTAINMENT NON STOP AND FULL ON**. This is Good Time Rock 'n' Roll before ear splitting volume took over.

What you see is what you get — nothing but a fabulous show. The success of Sh-Boom is good news for everybody. This act is all class.

All the big hitters are handled by Sh-Boom — to name a few songs from the Beach Boys, Four Seasons, Platters, Roy Orbison and of course, Brian's own original Delltones!

. . . . a message from the Chairman of Albion Park Harness Racing Club

and the Chairman of the Queensland Harness Racing Board

Welcome to all visitors from Australia and New Zealand for the 1993 Conrad Jupiters Inter Dominion Pacing Championship. We trust that you enjoy yourselves and back plenty of winners.

Albion Park extends its sincere appreciation to Conrad Jupiters for their invaluable sponsorship of the Series. We are delighted such a high-profile organisation has given its name and financial backing to this prestigious Series.

And a special mention of good luck to all competitors in the 1993 Series as achieving a start in the Inter Dominion is an honour in itself.

Once again, a special thank you to you — the public — because without your attendance, the 1993 Conrad Jupiters Inter Dominion would not be the wonderful event it will most certainly be.

FIRST 4 — FIRST 4 PAST THE POST IN CORRECT ORDER**How First 4 works . . .**

You don't need to be an expert to take home the First 4 dividend. Wherever you see the First 4 logo in the press, or on the official race lists, you know it is a designated race for First 4.

The First 4 dividend pool is shared by those punters who choose the First 4 official placings, in the correct order.

How the Jackpot works . . .
 If the correct combination is not chosen by an investor, the entire dividend pool will jackpot to the next First 4 race. It will keep jackpotting indefinitely until such time as a winning combination is selected.

How to increase your chances of winning . . .

Box First 4

With a Box First 4, any number of runners may be boxed in any order Banker First 4.

If you feel there's a "sure thing" or a short-priced favourite which is freely tipped to win, then a Banker First 4 is the perfect type of multiple betting. In this case, you could make the "sure thing" a Banker — this runner HAS to win the race. Then you could couple the Banker with 3 or more other runners to finish second, third and fourth.

Multiple Combination

With Multiple combinations, any number of selections can be nominated. But a winning combination will result only if the nominated selection is officially placed first, second, third and fourth. If you have a couple of "sure things" in the First 4 race, you could nominate the "sure things" to run first, first and second, OR first, second and third with any number of selections to fill the other placings.

PLEASE SEE YOUR FRIENDLY TOTE OPERATOR FOR COSTS

What if your runners are scratched . . .

If one of your selections is declared a non-runner or is scratched after you've placed your bet, your money will be refunded on every combination which includes the scratched runner.

MAKE SURE YOU CHECK YOUR TICKETS

Your ticket should be checked to ensure you have the requested combination. Please ask the operator if you feel there is some discrepancy especially if the amount differs from the one which you have already calculated.

COMMENTS TO RACE SIX

1. **RED CHIP** (WA): Fair efforts in heats but outclassed in this. Trained leader 9m 5th Defoe 2600m MS heat last Saturday.

2. **MASTER MUSICIAN** (NZ): Great prospect, well drawn, but been under fitness cloud this week. Runner-up 2100m, 1609m heats before 2600m MS heat win last Saturday's brilliant 1:57.9 rate. Top effort then when raced 3 wide trail before got to 2nd at 400m. Strong chance.

3. **FRANCO TIGER** (VIC): Front-runner, perfectly drawn. Raced 3 wide trail, led 450m out game 3rd (11m) Master Musician 2600m MS heat last Saturday 1:57.9 rate after led 1:56.1 mile heat win. Very honest with top driver but place chances are best.

4. **BLOSSOM LADY** (NZ): Grand-staying NZ mare, competed well in heats including 2100m MS heat win (1:56.9 rate). Game hd 2nd Defoe 2600m MS heat last Saturday (2:01 rate). Can do plenty of work in her races; go well.

5. **JACK MORRIS** (WA): Find of the season. Brilliant 2100m MS heat win (1:55.7 rate) at first run in 7 weeks and then world-record 2600m MS heat win last Saturday (1:57.2 rate). Worthy favourite, drawn to win.

6. **HILARION STAR** (WA): Beaten 74m in Jack Morris's 2600m MS heat. Outclassed.

7. **LEVEL ADVICE** (VIC): Brilliant beginner but stamina risk. Disappointed 2 unplaced heat runs since led 2100m MS heat win opening night 1:58 rate. Hard to fancy.

8. **DEFOE** (NZ): Good 4th 2100m heat, no luck (blocked for a run) 7th mile heat then led 2600m MS heat win last Saturday, slowest 2:01 rate. This is much harder, need luck.

9. **WEONA WARRIOR** (NSW): Outsider of series and unplaced all 3 heat runs, although not disgraced. Checked 6th (27m) Master Musician 2600m MS heat last Saturday at 12-1. Blocked for a run previous 4th Christopher Vance 1:54.6 mile heat. Good prospect for the future.

10. **WARRIOR KHAN** (VIC): Find of the series but not well drawn, begins moderately. Ignore 7th (13m) Defoe 2600m MS heat when checked at the 800m. Big efforts previous 1609m and 2100m minor placings. Don't completely rule out.

11. **RUSTIC LAD** (QLD): Never raced better but this is too hard, particularly off an awkward draw. Best run of his career 9m 2nd Jack Morris world-record 2600m MS heat last Saturday. One for the future.

12. **WESTBURN GRANT** (NSW): Champion, this is his last race. Competed well in series inc 1:57.5 mile heat win and late-finishing 2nd (1½m) Master Musician 2600m MS heat last Saturday when checked at the 300m. Trails out fast beginner Franco Tiger; eachway hope.

13. **CHOKIN** (NZ): Hasn't had a lot of luck in series. Badly checked at 800m 6th (10m) Defoe 2600m MS heat last Saturday after 2nd Westburn Grant 1:57.5 mile heat and 17m 3rd Jack Morris 2100m MS heat. Not helped by being drawn behind slow beginner.

14. **CHRISTOPHER VANCE** (NZ): Top campaigner with a bad alley, however. Placed all 3 heats inc 1:54.6 mile win middle night. Game 3rd (17m) Jack Morris 2600m MS heat last Saturday. Hard to see him turning the tables on that horse.

WEATHER Overcast/cool. **TRACK** Good.

SCRATCHINGS PARAGON PETE, JOHN OWEN, THE UNICORN NZ, SUNSET LIQUER, SHE'S BLUSHING, VANASSIC, DAY AND KNIGHT NZ, ATOMIC VIEW and HIP POCKET which were scratched for veterinary reasons were declared ineligible to start for 10 days. SON OF GLORY and VALRO IDOL were scratched due to being ineligible. CLASSIC ALBA NZ was scratched due to being under an existing bar.

GEAR CHANGES VANSTON ADIOS add removable deafeners. MAGGIE MAJETTE extend hobbles 1 inch. BEAUS DREAM remove hood, add dolly varden winkers.

GENERAL From APHRC Meeting, Saturday 17.4.93 — Race 7: On Wednesday, 21 April, an inquiry was held into the reason for BOWRAL BOY NZ (T. Demmler) being checked on the turn out of the front straight after the start. It was ascertained that BOWRAL BOY NZ was being restrained from a 3 wide position to take up a 2 wide position at the same time as CHRISTOPHER VANCE NZ was being moved out to a 2 wide position, resulting in BOWRAL BOY's driver having to check to avoid causing interference to CHRISTOPHER VANCE NZ. The incident was deemed to be a racing incident with no blame attributable to any particular horse or driver. From APHRC Meeting, Wednesday 21.4.93 — Race 8: C. McKinnis (PARAGON PETE) was fined \$50 for failing to come up into position and maintain same at the start of race 8. It was noted that PARAGON PETE was well back from the barrier as the start was effected. Rule 221 (g). E. Papworth (FAIR DINKUM) was questioned regarding that horse being back from the barrier as the start was effected. Mr. Papworth indicated that the horse was having difficulty maintaining its position, and a review of the film of the race revealed that the horse was pacing roughly and lugging in at that stage. A warning was issued regarding FAIR DINKUM.

LATE DRIVING CHANGE Race 4: WIG AND GOWN NZ — K. Belford to P. Greig due to injury.

RACE ONE It was noted that THE BATON (K. Schmidt) and BLUE BALERO (W. Garay) were slow out at the start.

RACE TWO No incidents.

RACE THREE The score-up was called off in the early stages as a result of the headcheck on HIGH TRUST (T. Gillespie) coming undone. All horses retained their allotted positions. It was noted that FURY'S FINETO (D. Royle) raced 3 wide without cover for a considerable distance during the early stages of the race before gaining the lead.

RACE FOUR LONG FELLA NZ (A. Neale) which galloped at the start losing ground, will be drawn wide in standing start races until stewards are satisfied it will perform in the desired manner. It was noted that the off knee-boot of LONG FELLA NZ (A. Neale) dropped, possibly placing the horse at some disadvantage. The connections were instructed to take the necessary precautions to prevent a repetition.

RACE FIVE No incidents.

RACE SIX A warning was issued to the connections of WARRIOR KHAN (A. Peace) which was back from the barrier as the start was effected. Mr. Peace explained that as a result of WARRIOR KHAN's barrier manners he normally keeps the horse back off the gate a little, however tonight he may have

misjudged it and was back slightly further than normal. Approaching the turn into the back straight during the final lap, INSUTCHA NZ (D. Aiken) galloped, causing CHOKIN NZ (T. Herlihy), WARRIOR KHAN (A. Peace) and LORD MUCKALEE (G. Morgan) to be checked. An inquiry was conducted and evidence was taken from D. Aiken and A. Butt (BLOSSOM LADY NZ), which was racing ahead of INSUTCHA NZ. It appeared that INSUTCHA NZ may have contacted the back of the sulky of BLOSSOM LADY NZ as INSUTCHA NZ was being eased out to commence a run, however both D. Aiken and A. Butt denied that that was the case. Mr. Aiken explained that as a result of the moderate pace leading up to the incident, INSUTCHA NZ had commenced to race fiercely, and when he commenced to move out, INSUTCHA NZ threw its head in the air and became unbalanced, resulting in it galloping. The stewards accepted the explanations and advised Mr. Aiken to take the necessary precautions to prevent a repetition.

RACE SEVEN After the turn out of the back straight during the final lap, WEONA WARRIOR (B. Hancock) was checked when its driver endeavoured to obtain a run in restricted room. WESTBURN GRANT (V. Frost) and ADMIRAL CHIMES (W. Innes) were inconvenienced as a result of the incident. On the turn out of the front straight at the commencement of the final lap, B. Hancock endeavoured to move WEONA WARRIOR away from the rail to a one out position when racing on the inside of ANVIL LAD NZ (M. Edmonds). M. Edmonds applied pressure to WEONA WARRIOR to maintain his one out, one back position and succeeded in moving WEONA WARRIOR back to the rail, causing WEONA WARRIOR to be inconvenienced. It was noted that TWO UNDER NZ (B. Purdon) raced 3 wide without cover for almost the entire distance before tiring, and MASTER MUSICIAN NZ (R. Dunn) and FRANCO TIGER (B. Gath) raced 3 wide with cover for a considerable distance before commencing their runs 700 metres from the finish.

RACE EIGHT A tyre of the sulky of BLAZING IN (D. Graham) was accidentally struck and punctured in the back straight during the final lap, placing the horse at some disadvantage. J. Livingstone (ARAFURA NZ) advised that the horse does not respond to the whip.

RACE NINE STRATA (G. Vernon) galloped on the turn out of the back straight during the first lap when racing on the inside of JUST TRY HIM (A. Donohoe) and MAI LING (D. Crone). The incident was found to be the result of a general tightening with no blame attributable to any particular horse or driver.

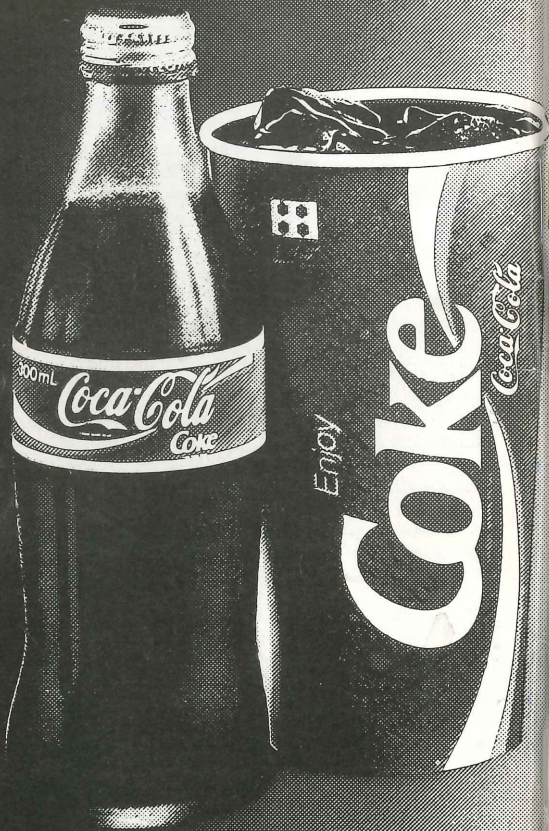

RACE TEN TOURA (V. Rasmussen) which galloped on the turn into the front straight for the finish, was declared ineligible to start at Albion Park until the stewards are satisfied it will perform in the desired manner. An inquiry was opened into the running and handling of KILBANK CRAIG NZ (G. Bowyer). After taking some evidence from Mr. Bowyer, the inquiry was adjourned until 10.00 am on Thursday 29th April.

PRE-RACE SWABBING — Samples taken from 67 horses and the horses in the Performance Against Time were tested for TOC2 levels. All samples were cleared. Other samples taken from 4 horses were sent for analysis.

POST RACE SWABBING — R1: 1st, 2nd, 3rd. R2: 1st, 2nd, 3rd. R3: 1st, 2nd, 3rd. R4: 1st, 2nd, 3rd. R5: 1st, 2nd, 3rd, 4th. R6: 1st, 3rd, 4th, 9th. R7: 1st, 2nd, 3rd, 4th, last. R8: 1st, 2nd. R9: 1st, 2nd. R10: 1st, 2nd. Performance Against Time — both horses. All samples were sent for analysis.

Trainers W. Garay (BLUE BALERO), W. Campbell (MAGGIE MAJETTE), J. Livingstone (TRIX GALORE NZ), R. Gordon (GILT DRAGON), N. Copeland (TIARA NUGGET) and D. Graham (LAND PROFIT) were reprimanded for failing to have the horses on the course within the prescribed time. LUCKY BYE ABLE was not on the course by the prescribed time. Trainer M. A. Dux was informed that as he has been reprimanded previously for arriving late, in future the late arrival of his horses may result in the horses being withdrawn by order of the stewards.
