## JOHN McSWEENEY

John McSweeney has sung his way into hundreds of hearts, not only in Australia, but also overseas, winning the prestigious Queensland Country Music Entertainer of the Year award an unprecedented and unequalled ten times.

The all-round entertainer who sings, plays guitar, banjo, violin, mandoline, clarinet and saxophone as well as impersonating other entertainers, dominated the awards for a decade and then declined nomination for further awards.

John started singing at the Palace Hotel at Redcliffe back in the 60s and while working there started sharing the stage with Barry, Robin and Maurice Gibb who eventually shot to fame as the Bee Gees.

He has performed with the best in the business such as Charley Pride, Slim Whitman, Peter Paul and Mary, Don Gibson, Diana Trask, Jon English, Marcia Hines and John Farnham.

John cannot be stereotyped as just a country music entertainer. He prides himself in being versatile in his repertoire and includes everything from country to rock and pop ballads.

Another string to his bow is his impersonations of such stars as Willie Nelson, Bee Gees, Tiny Tim, Acker Bilk, Hank Snow, Gene Pitney, Stevie Wonder, Marty Robbins, Tex Morton, Merl Haggard, Johnny Ray, Louis Armstrong, Chad Morgan, Bob Dylan, Kermit the Frog and Al Jolson.

With fourteen albums to his credit and countless 7in. single releases, John McSweeney is without a doubt firmly established as one of Australia's most respected recording artists and all round entertainer.

## ***SIRES STAKES RACING need not be a foreign term to you.***

The concept, while simplistic, is extraordinarily successful in that it provides a sequence of high stakes events in most parts of Queensland for locally produced standardbreds.

Rather than invest elsewhere, breeders are encouraged to match their mares with stallions resident in this State and buyers are urged to purchase Queensland-made.

To reward both parties for their shop-at-home philosophy, more than \$600,000 in stakes is allocated annually for Sires Stakes racing with events set aside for either sex and covering the age groupings between two- and four-year-old.

To this point of the season, finals for the 4YO's have been run and won with the 2YO section set for decision in June and July.

Sires Stakes Racing, which is administered by the Queensland Harness Racing Board, was launched in 1980 in the ensuing 13 years more than \$8 million in stakesmoney and bonuses has been distributed to an army of happy owners.

Its success is underscored by the fact other States have seen fit to copy the Queensland-based program.

Tonight's racing action includes finals for the fillies and colts and geldings in the three-year-old division. To have reached this stage contestants have qualified through a series of divisional heats and semi-finals and favourites in either category are Ima Dream (fillies) and Just Try Him (C&G).

\* \* \* \* \*

The Queensland Harness Racing Board and the Sires Stakes congratulate the Albion Park Harness Racing Club and Conrad Jupiters on their association for the 1993 Inter Dominion Pacing Championships.

The support of the Queensland government through the Queensland Events Corporation has also been a great aid and the efforts of the Albion Park Trust to present the track complex in pristine condition should be noted.

There is no greater harness event in Australasia and the support given by each partner has ensured a successful series.

\* \* \* \* \*

The Queensland Harness Racing Board also wishes to congratulate Sharon McCall and Grant Dixon on their appointment as State representatives to the Australasian Young Drivers Championship, which is being run in conjunction with the Inter Dominion Pacing series.

Sharon and Grant will be presented with their State blazers trackside tonight.

FIRST 4
FIRST 4 PAST THE POST IN CORRECT ORDER

How First 4 works . . .
You don't need to be an expert to take home the First 4 dividend. Wherever you see the First 4 logo in the press, or on the official race lists, you know it is a designated race for First 4.

The First 4 dividend pool is shared by those punters who choose the First 4 official placings, in the correct order.

How the Jackpot works . . .
If the correct combination is not chosen by an investor, the entire dividend pool will jackpot to the next First 4 race. It will keep jackpotting indefinitely until such time as a winning combination is selected.

How to increase your chances of winning . . .
Box First 4
With a Box First 4, any number of runners may be boxed in any order.

Banker First 4
If you feel there's a "sure thing" or a short-priced favourite which is freely tipped to win, then a Banker First 4 is the perfect type of multiple betting. In this case, you could make the "sure thing" a Banker — this runner HAS to win the race. Then you could couple the Banker with 3 or more other runners to finish second, third and fourth.

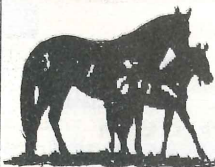

Multiple Combination
With Multiple combinations, any number of selections can be nominated. But a winning combination will result only if the nominated selection is officially placed first, second, third and fourth. If you have a couple of "sure things" in the First 4 race, you could nominate the "sure things" to run first, first and second, OR first, second and third with any number of selections to fill the other placings.

PLEASE SEE YOUR FRIENDLY TOTE OPERATOR FOR COSTS
What if your runners are scratched . . .
If one of your selections is declared a non-runner or is scratched after you've placed your bet, your money will be refunded on every combination which includes the scratched runner.

MAKE SURE YOU CHECK YOUR TICKETS
Your ticket should be checked to ensure you have the requested combination. Please ask the operator if you feel there is some discrepancy, especially if the amount differs from the one which you have already calculated.

**COMMENTS TO RACE FIVE**

1. **ALMOST AN ANGEL** (QLD): Well drawn but outclassed, latest 2nd (14m) Silas Mariner 1:57.7 mile here April 3. Top local 4YO.

2. **ADMIRAL CHIMES** (NSW): Also well drawn but this is his toughest test to date. Started 10-1 latest 11m 4th Hilarious Gent 1:59.1 Harold Park mile. Last won Harold Park last September.

3. **RUSTIC LAD** (QLD): Capable local FFA'er but need luck here. Led 2100m MS win this track March 27 (1:59.9 rate) at 3rd run back.

4. **CAESARS HALO** (NSW): Failing easier races here and provincials. Completely out of his depth.

5. **HILARION STAR** (WA): Smart WA 4YO, facing his acid test now. Started 4-7f latest 4th John Owen 2500m MS Gloucester Park March 19 after won 2500m SS Fremantle stand. Won 7 from 11 this season so can place.

6. **LORD MUCKALEE** (VIC): Won Inter Dom heat in Melbourne last year. Competed in Mildura Cup series, off 10m when 3rd (5m) Classic Alba 2750m SS final April 2. Four runs back won 2550m MS Albury. Rough place hope.

7. **LA BAY** (VIC): Hasn't raced since failing Moonee Valley February 27. Couldn't have.

8. **LEVEL ADVICE** (VIC): Brilliant beginner and likely leader. Led 1850m MS Geelong win April 8 (2:00.1 rate) beat Defoe, Karalta Jet. That was first-up in 7 weeks; take catching. Won 3 Inter heats 1992.

9. **MASTER MUSICIAN** (NZ): Outstanding NZ 5YO and impossible to fault Australian form this campaign. Kept fresh since came off 40m Hunter Cup win Moonee Valley March 6 after won 2380m MS Victoria Cup win (1:56.7 rate) beat Jack Morris. Should win off front-line.

10. **PAPPY MCCOY** (NSW): Not fancied off this wide alley. Started 14-1 (pole) 8m 4th Level Advice 1830m MS Geelong April 8. Placed 1 in 8 since 1940m MS Moonee Valley win January 23.

11. **INSUTCHA** (NZ): Strong-staying type but unsuitably drawn for this. Started 2-1 (pole) latest 2350m MS Harold Park win April 8 after won 2513m MS Fairfield. Those were easier races.

12. **DEFOE** (VIC): Outstanding when right but comes into this series with a lack of solid racing. First-up in 8 months, 4m 2nd Level Advice 1830m MS Geelong April 8 when blocked for a run (11-4). Fitter now and has trailing draw; can place.

13. **SOGO** (NZ): Tough draw for first AP run. Battled on well latest 3rd Chokin 3200m SS Addington Easter Cup April 3. Only won 1 from 18 this season but no surprise to see her place.

14. **FRANCO TIGER** (VIC): Grand Circuit champion and has settled in well to his new surroundings. Kept fresh since struck trouble and retired from Master Musician's Victoria Cup Moonee Valley February 27. Great record this season and great driver in B. Gath; don't underestimate.

**COMMENTS TO RACE SIX**

- MAKER FUSE (QLD):** Quick-beginning local aspirant but outclassed. Drew second-row 4th Tweed Heads April 7. Three runs back won 2100m MS here 1:57.2 rate.
- RED CHIP (NSW):** Top Sydney campaigner but this is his toughest test. Metre win 2500m MS Wagga February 20 after 4-5f 4th Valleys Babe 2700m MS Harold Park February 12. Alley helps but rough place chance only.
- CLASSIC ALBA (VIC):** In peak form easier Victorian provincial class. Came off 15m Geelong 2250m win before won heat and final of Mildura Cup, March 30 and April 2. Much sterner test now.
- LA BAY (VIC):** Outclassed. Hasn't raced since failing Moonee Valley February 27.
- ON PARADE: SCRATCHED**
- WARRIOR KHAN (VIC):** Struck form at right time although rising sharply in class on Moonee Valley wins March 20 and April 3. Rated 2:01 latest 2380m MS win. Place, perhaps.
- HILARIOUS GENT (NSW):** Capable Sydneysider, impressed latest 1:59.1 Harold Park win when led out first 400m in 26.9s. This is a class rise but with good stable and could place.
- CAESARS HALO (NSW):** Outclassed on recent AP and provincial failures.
- CAPTAIN LEE (WA):** Disappointed 37m 7th Genghis Karalta 2610m MS Easter Cup Launceston last Saturday (7-4f) after impressive Gloucester Park form. Won Gloucester Park 3 runs ago 2100m MS 1:58.2 rate. Has to improve on latest run, however.
- FRANCO GLEN (NSW):** Capable Sydneysider but poorly drawn. Has to improve sharply on latest fading 7th (27m) Insutcha 2350m MS Harold Park April 8. Three runs back won Harold Park fast 2:00.2 rate.
- JACK MORRIS (WA):** Boom type, kept fresh since big 6m 2nd Master Musician 2380m MS Victoria Cup Moonee Valley February 27 after won 1940m MS Prelude. Trialled brilliantly since last run. Awkward draw is only obstacle.
- TWO UNDER (NZ):** Capable member of Purdon stable who has failed since in Chokin's 3200m SS Easter Cup at Addington April 3. Minor place claims.
- IMPRESSIONIST (VIC):** Had an interrupted campaign leading up to this series. Fair 4m 3rd Dark Paul 1940m MS Moonee Valley April 3. This is a much harder assignment however and he is not well drawn.
- CHOKIN (NZ):** Brilliant 4YO who has come right at the right time. Impossible to fault lead-up form won past 4 races inc 3200m SS Addington Easter Cup win April 3. Tough alley but certain to be in the finish.

**COMMENTS TO RACE SEVEN**

1. **LA BAY (VIC):** Outclassed. Hasn't raced since failed Moonee Valley February 27.

2. **BAND MAGIC (NSW):** Capable Sydneysider, well drawn but this is his toughest test. Started 5-1, drew 5, latest close 2nd Insutcha 2350 MS Harold Park April 8 after won 2540 MS Bathurst.

3. **WEONA WARRIOR (NSW):** Smart Sydney 4YO but facing huge class rise and looks tested. Started 10-9 on latest 10m 2nd Tact Rashad 2420m MS Penrith April 1 after 6-1 2350m MS Harold Park win.

4. **VALLEY CHAMP (WA):** Most impressive Gloucester Park form but facing his acid test now. Won past 5 straight, latest 2100m MS win April 2 1:59.3 rate (3-1?). Worth some respect, however.

5. **ANVIL LAD (NZ):** Average NZ form for this series although latest 4th Blossom Lady 2600m MS Addington was a fair effort. Won 1 of 12 this season.

6. **CAESARS HALO (NSW):** Outclassed.

7. **BOWRAL BOY (VIC):** Capable Victorian but short of top class. Been kept fresh since his 3rd (9m) Master Musician 2840m SS Moonee Valley Hunter Cup March 6. Won 2380m MS Moonee Valley 7 runs ago.

8. **JOHN OWEN (WA):** Impressive Gloucester Park form, latest 2500m SS win April 2 at 4-7f after 2500m MS and 2100m MS wins. Harder now but can place without surprising.

9. **DARK PAUL (VIC):** Fast beginner and racing well Moonee Valley. Drew 3, rated fast 1:58.9 latest 1940m MS win after 2380 MS win (2:0.6 rate). Harder now but has place claims.

10. **BLOSSOM LADY (NZ):** Grand-staying NZ mare and racing in stout heart. Rated excellent 2:00.2 in 2600m MS Addington win since came off 20m big 2nd Chokin 3200m SS Easter Cup at Addington. Has struck the easiest heat and must be a big chance.

11. **THE UNICORN (VIC):** Consistent campaigner but not well drawn for this. Started 4-1, led, latest 4m 2nd Dark Paul 1940m MS Moonee Valley April 3. Hard to see him turning the tables.

12. **WESTBURN GRANT (NSW):** Champion pacer and defending his 1992 title. Suited from trailing draw and must respect on latest 1:57.3 Harold Park mile win March 19 (led). This is the easiest heat.

13. **CHRISTOPHER VANCE (NZ):** Strong-staying NZ 6YO who doesn't know how to run a bad race. Must respect on latest 2nd Blossom Lady 2600m MS Addington April 10 (2:00.2 rate). That was an improve on his previous 2 below par Addington runs.

14. **THE EMCEE (QLD):** Grand local campaigner but outclassed in this. Beaten 14m latest Rocklea 5th April 10 at 4-9f after won that track off 50m.
