MOBILE START PROCEDURE

In most cases a false start in a mobile barrier event will only be declared in accordance with Rule 216.

RULE 326

The Starter may defer the start if at the designated starting point:-

- a horse has fallen;
- the chances of any runner have been or are being materially affected by interference;
- a horse has broken equipment;
- any horse is not fully behind the arms of the barrier or if a horse scores ahead of the barrier;
- any horse is likely to gain an unfair advantage; or
- any horse has by reason of its position at the start been denied a winning opportunity, provided that a start will not be deferred merely by reason of the fact that a horse is in a break or because a horse is back from its barrier position at the time of starting.

Provided that the Starter will always have the power to abort a start as outlined in Rule 317, should something untoward occur.

RULE 317

The Starter shall endeavour to get all horses away in position and in gait and may abort a start should he for any reason not be satisfied with the score up.

EXTRACT FROM REGULATIONS UNDER THE RACING AND GAMING ACT, 1952.

Regulation 157

(1) Subject to subregulation 92), if -

- a bookmaker carries on the business of bookmaking on a racecourse in this State; and
- the bookmaker offers odds against a horse or dog; and
- a bettor tenders a bet on that horse or dog -

the bookmaker is to lay those odds to a sum not exceeding \$100 if demanded by the bettor, but so that the bookmaker is not obliged to lose more than \$700 in respect of that bet.

(1a) Subject to subregulation (2), if -

- a bookmaker carries on the business of bookmaking on a racecourse in this State; and
- the bookmaker decides to accept each way bets on a particular race; and
- the bookmaker offers odds against a horse or dog; and
- a bettor tenders an each way bet on that horse or dog in that race -

the bookmaker is to lay those odds to a sum not exceeding \$100 each way if demanded by the bettor, but so that the bookmaker is not obliged to lose more than \$875 in respect of that bet.

(2) If -

- a bookmaker carries on the business of bookmaking on the racecourse at King Island; and
- the bookmaker offers odds against a horse; and
- a bettor tenders a bet on that horse -

the bookmaker is to lay those odds to a sum not exceeding \$20 if demanded by the bettor, but so that the bookmaker is not obliged to lose more than \$200 in respect of that bet.

Regulation 161

Concession Betting

161a A concession bet is subject to the following conditions:-

- that if a bettor selects the winner, the bookmaker is to pay the bettor the face value of the betting ticket;
- that if the bettor selects the second-placegetter, the bookmaker is to return the stake to the bettor;
- that if there is a dead-heat for first place and a bettor selects one of the dead-heaters, the bookmaker is to return the stake plus one half of the amount that the bettor would have won had the competitor the bettor selected been the only winner;
- that if there is a triple dead-heat for the first place and a bettor selects one of the dead-heaters, the bookmaker is to return two thirds of the stake plus one third of the amount that the bettor would have won had the competitor the bettor selected been the only winner;
- that if there is a dead-heat for second place and a bettor selects one of the dead-heaters the bookmaker is to return the stake divided by the number of dead-heaters;
- that the bet is void if the race becomes a walk-over.

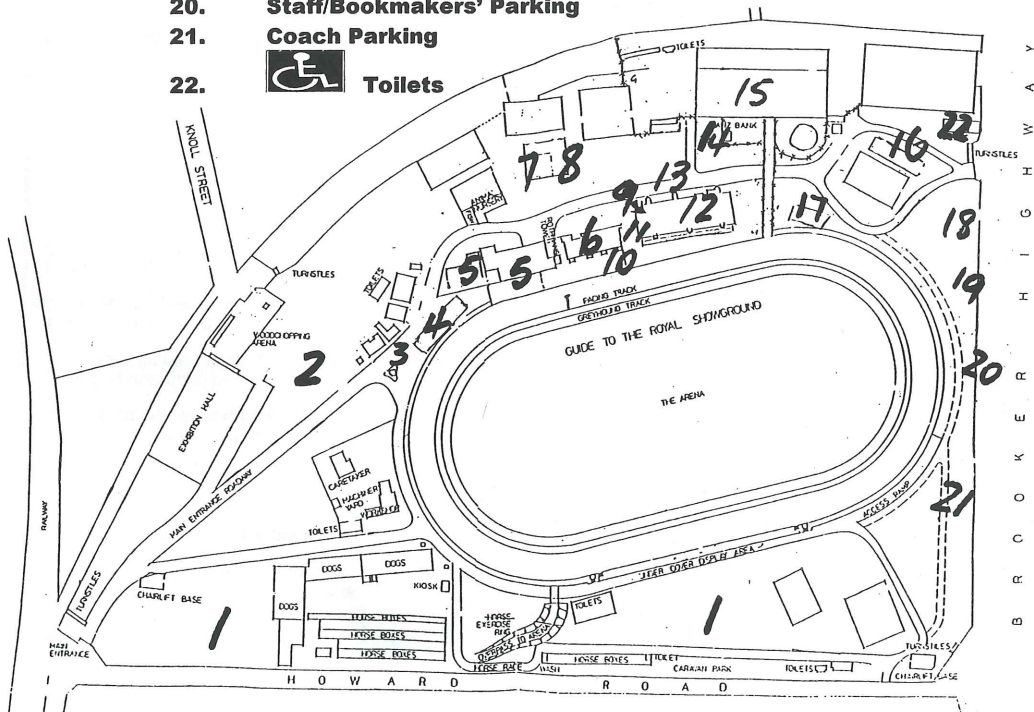

Odds and Evens Betting

161b An odds and evens bet is subject to the following conditions:-

- that the number of a competitor in a race is the number of the competitor set out for that race in the programme produced by the body conducting the race;
- that the bookmaker is to pay the bettor the face value of the ticket if a bettor correctly selects odd numbers or even numbers as the group of numbers to which the number of the winner of a race belongs;
- that the bet is void if a race results in a dead-heat between an even numbered competitor and an odd numbered competitor.

1998 GRAND COUNCIL

The Inter Dominion Championship was first conducted in 1936 in Perth and from its inception it was realised there was a need for a supervisory body to ensure that rules, policy and guidelines were uniformly interpreted from Series to Series.

The President of the Council in those days was the late J.P. Stratton who appointed the President of each State and Dominion Controlling Authority to the Grand Council. The Grand Council for the 1998 Inter Dominion Championship comprises:

Dr Ern Manea

- President, Inter Dominion Harness Racing Council

Keith Adams

- Senior Vice President, Inter Dominion Harness Racing Council

- President, New South Wales Harness Racing Club

Tony Abell

- Vice President, Inter Dominion Harness Racing Council

- President, New Zealand Metropolitan Trotting Club

Kevin Bengston Treasurer, IDHRC

- President, Albion Park Harness Racing Club

Lawson Cockburn

- Board Member, Queensland Harness Racing Board

John Devereux

- President, Tasmanian Pacing Club

Noel Gibson

- President, Auckland Trotting Club

Ray Holloway

- Vice President, Western Australian Trotting Association

Ralph Kermode

- President, Harness Racing New Zealand

Peter Marshall

- President, South Australian Harness Racing Club

Ian McEwen

- Chairman, Harness Racing Victoria

Tony McGrath

- Board Member, Harness Racing New South Wales

Michael Trenerry

- Chairman, South Australian Harness Racing Authority

Lloyd Whish-Wilson

- Chairman, Harness Racing Tasmania

Rod Pollock

- Chief Executive, Inter Dominion Harness Racing Council

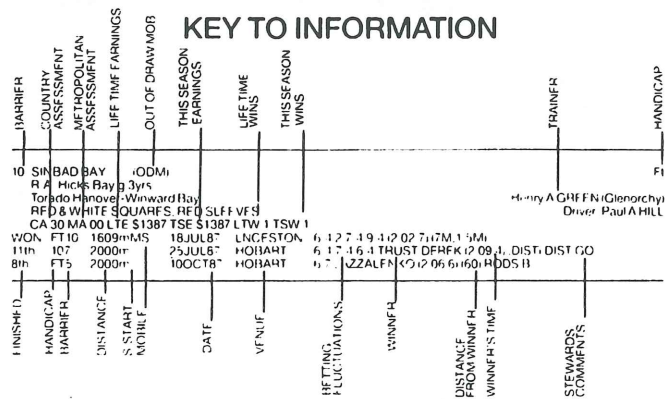

390 St Kilda Road, Melbourne, Vic. 3004

Ph: (03) 9867 8033. Fax: (03) 9866 8356

Email: ahrc@harness.org.au

STEWARD'S REMARKS

KEY TO INFORMATION

B	Broke in running	D/PENALTY 2	F\$ - fined \$
BA	Bad away	D/PENALTY 3	*RD - Suspended *(number)
BAS	Broke after start		race dates
BCL	Barrier caught legs	DH	Dead heat
BCS	Barrier caught sulky	DIST	Distanced
BG	Broke gear	DKB	Dropped knee boot
BLD1	Bled first occasion	DS	Delayed start
BLD2	Bled second occasion	DW	Dropped whip
BLD3	Bled third occasion	FB	Fractious barrier
BSU	Broke in score up	FELL	Fell
BUP	Broke under pressure	FSU	Fractionous score up
BW	Buckled wheel	FT	Flat tyre
C	Checked	FW	Forced wide
CB	Checked and broke	GA	Galloped away
CD	Choked down	GE	Galloped excessively
CF	Cross fired	HI	Hung in
CFS	Caused false start	HO	Hung out

BIO-K2000

Assists with one with one of the major problems in our industry.

Which problem? please read on...

We have a
100% Money Back Guarantee
on our product

The product of the Future available NOW.

BIO-K 2000 is 100% natural and has been put together by a Master Herbalist and a food scientist and is guaranteed to help prevent bleeding, from the lungs and will assist in the overall health and performance of the horse

It will help:- strengthen the small blood vessels, improve function of the kidneys, lessen the blood pressure, so minimising the possibility of blood vessels bursting and gives a boost of energy when required.

BIO-K 2000 should always be given at night with the feed. This is so it has all night to be taken up by the blood, when the horse exercises in the morning, the spleen vents its supply of blood, (up to 12 litres) and at the end of the exercise, the blood is drawn back into the spleen. Each time the horse is given **BIO-K 2000** and exercised then rested, it retains more and more of the product in the spleen. So, on race day when the horse starts out of the barrier, the spleen vents its 12 litres of blood plus all the stored **BIO-K 2000**, this is the bonus that the horse needs for the extra energy and bleeding control during the race. Full product information, and dosage is supplied with each container

When the recommended dose is followed 1 Kg should last approx 5 to 6 weeks, and it only takes about 5 days to become effective

This represents tremendous value for money

1Kg of BIO-K 2000 costs only \$120 plus \$10 p/h

To order your product with overnight delivery in most metropolitan centres, phone

1800670323 (order line), Fax orders **(03) 6273 4441**

General inquiries:- **(03) 6273 4737** email to groupa@trump.net.au

Payments can be made by:- Major Credit cards, Bank Deposits,

Money Orders or Cheques made out to Group 'A' Health and posted to :-

OLD PHOTOS

The Club has in its possession many old photos which eventually will find their home in a museum which is a long term goal.

In the meantime, a programme has commenced to have several of them reconditioned. This will involve some replacement of frames, some aren't in frames and some just need a good clean up.

The work is being done progressively and in the short term the finished products will be hung in the Club offices.

Sponsorship of a reconditioning is available at \$60 and this will entitle the sponsor to the recognition plate attached to the photograph, and acknowledgement in the Club's race book.

Inspection and enquiries of the Photographs can be directed to Club office or call on 62 726 121.

TRACK CLOSURE

During the Inter Dominion Carnival, the Pony Inter Dominion will also be conducted. Ponies from most States will be taking part and most of those from interstate will be stabled at the Showground.

In order for them to have access to training facilities during their stay, **the track will be closed to all but ponies from 12.30 to 1.30 each day** except Mondays when ponies will have access after greyhound trials are completed.

Your assistance and co-operation is appreciated by the Tasmanian Pacing Club and Des Berry and his Organising Committee.

Van Ransley

Dear Participant,

- (1) The Club is concerned as we are sure you are, with the possibility of a child being injured in the area of the race day stalls and seeks your help in minimising the potential risks.

It would be appreciated if at any time that you have children in your care, they are maintained under your control and not exposed to unnecessary dangerous situations during a race or trial meeting.

Whilst it is recognized that in lots of cases the children are totally at ease around horses, unfortunately accidents do happen and none of us wants any person injured particularly not children. We hope that you will understand the Club's concern and help us make the environment a little safer.

- (2) During the period of the Cadbury Inter Dominion, only people with appropriate passes will be permitted in the restricted stable area. This policy has been arrived at by the Club in consultation with and at the request of Harness Racing Tasmania's Stewards.

The passes will be issued to participating trainers, drivers, nominated strappers and owners of participating horses. Consequently, unless a child is old enough to be acting as a strapper for a specific horse and is issued with the suitable pass, (in which case no other person will be accredited as a strapper for that horse), children will not be admitted to the stabling area.

- (3) Where authorized people entering the stables have children in arms the child will be admitted. PRAMS AND STROLLERS WILL NOT BE ADMITTED TO STABLING AREA.

Whilst these provisions have been introduced prior to the Inter Dominion, they are safety issues that will impact on the industry. The conditions will be retained in some form after the Inter. Your understanding and co-operation with these three matters is appreciated.

CADBURY INTER DOMINION TRAFFIC ARRANGEMENTS

Members and patrons are advised that the following summarised conditions will be in place for all nights of the Cadbury Inter Dominion.

There are some minor alterations to normal procedures, however committee has introduced the arrangements to help the meetings run smoothly. It apologises for any inconvenience to any person.

KNOLL ST. - Will be closed to all but horse transport and pedestrians.

HOWARD RD. - Will be closed from the Brooker roundabout to the main gate to all but coaches. Only traffic authorised to enter the Showground will be admitted into Howard Rd off Lampton Avenue.

ELWICK RD. - The section running from Elwick Rd proper up to the Showground entrance will be closed to traffic except pedestrians and walking horses.

BROOKER GATE (by roundabout) - Accessible to pedestrians.

BROOKER GATE (near Itec) - Accessible to pedestrians.

PARKING

MEMBERS - Parking for members will be provided within the Showgrounds. Entrance will be through the main gate only.

PUBLIC - Public parking will be available on the vacant land opposite the Showgrounds and in Elwick Racecourse. Entrance to the track will be through either of the Brooker gates.

6 good reasons

to choose... **DRAKE** SHOE REPAIRS

441B Main Road Glenorchy Phone 0362 724543

1 Shoe Repairs

We can protect your new shoes and restore your favorite shoes to new condition. From heel, soles to full soles for work boots and sports shoes. Also handmade surgical & orthopedic shoes, and footwear adaptations. Made to Order.

4 Sharpening

We can restore knives, scissors, shears and hedge clippers, honing them to a razor sharp finish.

2 Key Cutting

We can duplicate keys from your car to the security of your home. We also stock a wide selection of padlocks and keyrings.

5 Shoe Care Products

This is your one-stop-shop for all your shoe accessories. From polish to dyes, water proofers, innersoles, shoe trees, shoe horns and 100 different types of laces. You can be confident we will have your requirements. We are proud sellers of the 'Tana cosmetics for shoes'.

3 Engraving

'Don't say it, engrave it' We specialise in wedding and corporate engraving. From wine bottles, trophies to glassware and picture frames. Engraving is ideal for the security of personal items and puts that special touch to that gift.

6 Stitching

As well as restitching shoes and bags we can also replace zips in boots, handbags, backpacks and schoolbags.

'Your satisfaction is our guarantee'

ROUGH PLACE CHANCE.**IMPORTANT RULE CHANGE**

LR 38B

'Any trainer who wishes his horse to use the urinal within one (1) hour of their scheduled race start time must first seek permission from the Chairman of Stewards'.

NOTE THIS RULE IS TO COME INTO FORCE AS FROM 24TH FEBRUARY 1998

Wayne Kirby
CHAIRMAN OF STEWARDS

FALSE STARTS

The THRB has adopted the following policy in respect of false starts in mobile races, to commence from 8/4/94.

Firstly, if a horse misbehaves and causes a false start, it will score up from its allocated barrier position for the second attempt. (In extreme cases, Stewards may still scratch a horse or send it to the outside after the first offence),

Secondly, if it again causes a false start it will be sent to the outside.

The starter will still call false starts only if a horse is interfered with or denied a fair chance to start. No false start will be called simply if a horse misbehaves without interfering with other runners.

Tasmania was the only State which sent an offending horse to the outside after it caused a first false start.

The procedure outlined above is in line with the system currently operating in Victoria.

TAFE Tasmania congratulates the trophy winners

When the Tasmanian Pacing Club needed over 50 unique Tasmanian trophies for the Inter Carnival they turned to TAFE.

Institute of Industry

They were on a winner. The Institute of Industry is proud to have made the Inter Dominion trophies. It's another example of the skills TAFE contributes to Tasmania.

Be a winner with TAFE.
