WAYS YOU CAN BET

Minimum bet to total One Dollar

WIN Simply select the runner you think will finish first. To collect on a Win bet, your selection has to win.

PLACE To collect on a Place bet, the runner you pick needs to finish 1st, 2nd or 3rd. (Minimum 8 runners in a race). If only 5, 6, or 7 runners there will be only 2 Place dividends (1st and 2nd).

EACH WAY This combines a win and a place bet on the same runner. If your selection wins, you collect the Win and Place dividend. If it runs 2nd or 3rd, you collect only the Place dividend.

QUINELLA Select the first two runners home. You win a dividend if they finish 1st and 2nd in either order. For a **Boxed Quinella**, select three or more horses to finish in the first two placings.

TRIFECTA Select the first three runners in a race in correct finishing order. For a **Boxed Trifecta**, select three or more horses to finish in the first three placings. **Boxed Trifectas are available from \$6 (or \$3 for a 50 cent investment).**

DOUBLES Daily Double: (Races stated in Racebook) on two nominated races at the same meeting you select the winner of each. **Running Double:** Select the winners of any two consecutive races in the same meeting.

QUADDIE (Races stated in Racebook) on four races at the same meeting you select the winner of each race.

EXACTA Select the first two place - getters in the exact order they finish. For a **Boxed Exacta**, select two or more runners to finish in the first two places in exact order.

ATTENTION PUNTERS

Did you know you can now place an **EXACTA** or **RUNNING DOUBLE** bet on all races at all meetings throughout Australia? You can also bet on a **QUADRELLA** at any interstate metropolitan harness meeting including tonight's Globe Derby and Albion Park Harness Racing meetings.

TIPS FROM THE HORSES MOUTH !

- Try evaporated skim milk or soy milk to replace cream in sauces.
- Eat fresh fruit and raw vegetables as snack food.
- Leave the skin on vegetables (where appropriate).
- Pack your own nutritious lunch each day, and save money!
- Try warm wholemeal bread rolls with your meals, as an alternative to high fat garlic or herb bread.
- Poach, boil or scramble your eggs rather than fry.
- Use water, wine, stock or vegetable juices, instead of browning foods in fat.
- Try whipped ricotta cheese with a little vanilla to replace whipped cream.
- Buy lean meat, trim all the visible fat, and remove the skin from chicken.
- Bake and grill foods in preference to frying.
- 20 minutes of moderate physical activity daily is your best bet.

THE SIREN: Pink & Red Halves

Back from a spell with a 10m 6th to Star Module 2000m (2.02.8) Maitland Jan 22. Handy type with each way claims from the pole position.

JIMBOB: Yellow, Dark Green Horseshoe & Armbands

Finished last at Maitland past two starts the latter when beaten 43m by Star Module 2000m (2.02.8) Jan 22. Scored here prior but others preferred.

GUIDED BY LOVE: Maroon, Yellow Star

Broke in score up when a 109m 9th to Koheroa King 1940m (2.03.6) Bulli Jan 17. Form patchy prior and others have brighter claims.

MCCOOL MAN NZ: Black & Yellow Stripes

Class runner of the field. Resumed with a disappointing 33m 9th to Its For You 2113m (2.03.8) Fairfield Jan 9. Has since trialled well and looks ideally placed here. Should win.

PETER PETER: Pink, Dark Blue Horseshoe, Hooped Sleeves

Followed a 2.5m 2nd to Star Module 2000m (2.02.8) Maitland Jan 22 with a win at Muswellbrook 2170m Jan 26 defeating Marias Joy and Boldrama. Capable of giving cheek.

ALFRED: Brown & Light Blue Stripes, Striped Sleeves

Struck trouble in finishing an 18m 8th to Barrister 2000m (2.03.5) Maitland Jan 18. Has been below his best of late but does rate a trifecta chance.

TILLI LASS: Yellow, Green V

Better effort in finishing a 7m 4th to Nothingunderneath 1609m (2.02.4) Maitland Jan 18. Tougher from the wide draw and looking elsewhere.

BAY SENSATION: Dark Blue, White Striped Sleeves

Finished a 6m 3rd to Star Module 2000m (2.02.8) Maitland Jan 22 then 17m away when 5th to Peter Peter 2170m Muswellbrook Jan 26. Despite wide alley is capable of being part of the finish.

PRINCELY OSPREY: White

Recorded a win at Newcastle and a placing at Maitland, prior to a 48m 9th to Toliver Cam 2095m (2.02.8) Penrith Jan 6 when he broke soon after the start. Deserving of an each way ticket.

SMOOTH FRENCHMAN: Brown, White Hooped Sleeves

Off the second line when a 9m 5th to Star Module 2000m (2.02.8) Maitland Jan 22. Could sneak a place.

Selections: McCool Man NZ 4; Bay Sensation 8; Peter Peter 5.

11	199	DROVERS SUNSET (CAROLE SIKYR) FT

OVER RINGO: *White & Yellow Diamonds, Light Blue Sleeves*

Hasn't raced for 12 months with latest effort a 4th to Shippis Aura 2100m (2.02.6) Leeton Jan 2. Drawn well and he must be seen as the testing material.

FOREST MASTER: *Orange, Black Crossed Sashes, Dark Green Sleeves*

Has improved with placings at Newcastle and Fairfield the latter a 3m 3rd to Guida Gold 2113m (2.03.8) Jan 16. Drawn well and again has claims on an each way basis.

FAKE TOOTH: *Dark Blue, Yellow Hoops, Dark Blue Sleeves*

Since scoring here five runs back form has been patchy. Checked when a 12m last to Nothingunderneath 2000m (2.04.3) Maitland Jan 22. Worth another chance on an each way basis.

LACKADAISICAL: *Black, White Braces*

Always handy but failed to run on when a 9m 5th to Blue Chip Express 2000m (2.02.9) Maitland Jan 18. Looks to be safely held here as well.

REDROCK: *White, Brown V, Dark Blue Sleeves*

Has broke at his past two runs the latter when a 74m 9th to Mega Sound 2400m (2.01.1) Maitland Jan 15. Hard to have.

MINDYAFIZZ NZ: *Black, Dark Green Maltese Cross & Sleeves*

Hasn't won since Apr/97 with recent form patchy. Beaten 32m when last to Franco Conquest 2400m (2.02.5) Maitland Jan 15. Only a place chance.

GLADIADORA NZ: *Purple, White Sleeves*

Back midfield and worked home fairly when a 6.5m 5th to Nothingunderneath 2000m (2.04.3) Maitland Jan 22. Is capable of better and on the bigger track look for a bold showing.

BAKARDY KING: *Dark Blue, White Star, White Sleeves, Dark Blue Stars*

Struck trouble in finishing a 17m 8th to Prince Topper 2000m (2.01.5) Maitland Jan 18. Scored here six runs back but form since poor. Tested.

GREGS LITTLE MATE: *White, Dark Blue & Light Blue Striped Sleeves*

Safely held of late with recent display a 16m 7th to Blue Chip Express 2000m (2.02.9) Maitland Jan 18. Others again look to have his measure.

MOONSHINE FELLA: *Black & Red Quarters, Red & White Hooped Sleeves*

Hasn't been a threat in seven runs this term with the latest a 15m 6th to Blue Chip Express 2000m (2.02.9) Maitland Jan 18. Needs to show sharp improvement.

DROVERS SUNSET: *Pink, Dark Blue Horseshoe, Hooped Sleeves*

Galloped out in finishing an 8.5m 9th to Nothingunderneath 2000m (2.04.3) Maitland Jan 22. Hard to follow and claims in triecta combinations best.

Selections: Forest Master 2; Mindyafizz NZ 6; Over Ringo 1.

INTERDOM POINTS SCORING

The points system for Tabcorp Interdom 2000 is the same for both the Pacing Championship and the Trotting Championship.

Points are awarded to each horse that starts and finishes as follows:

PACERS QUALIFYING HEATS

Finishing Position	Basic Points	Bonus Points	Total Points
1 st	12	4	16*
2 nd	11	2	13
3 rd	10	1	11
4 th	9		9
5 th	8		8
6 th	7		7
7 th	6		6
8 th	5		5
9 th	4		4
10 th	3		3
11 th	2		2
12 th	1		1

* 2 bonus points go to the fastest heat winner each night so one of the heat winners will get 18 points.

There are special points provisions for the four premium Qualifying races – for pacers, the 'A.G. Hunter Cup – *The Members Race*' and the '*Eat Well Live Well Victoria Cup*', and for trotters, the '*Primus Telecom V.L. Dullard Cup*' plus the '*Sport 927 Australasian Trotters Championship*'.

Each of the four races is a Grand Circuit event in its own right so the points earning potential is appropriately higher than any other Qualifying Races. Double basic points are awarded for these races.

As there were 14 starters in the A.G. Hunter Cup, Yulestar earned 32 points for its win (14x2+4) and Lyell Creek earned 28 points (12x2+4) winning the V.L. Dullard Cup.. Time bonus points do not apply to the premium races.

Double points will also be earned in the two premium races tonight – the Group One \$250,000 Victoria Cup and the Group One \$100,000 Australasian Trotters Championship, both with 12 starters. First will earn 28 points, second 24, third 21, fourth 18, fifth 16, and so on to last receiving two points.

The winners of tonight's Qualifying Heats for pacers will earn points as detailed in the above table but points for the trotters heats extended for 14 starters – the winners earn 18 points (14+4) with fastest receiving another 2 time bonus points for a total of 20 points.

Progress points from the first round of Qualifying Races are detailed in the tables on Pages 25 and 26.

NOTHINGUNDERNEATH: *Pink & Red Halves*
Winner past two at Maitland, leading throughout, the latter defeating Blue Chip Express and Continual Fun 2000m (2.04.3) Jan 22. Drawn well and still a chance in harder grade.

AUSTRALASIAN TROTTING CHAMPIONSHIP

Perpetual Trophy

Graeme Lang holds aloft the 136 year old gold-plated perpetual trophy for the Australasian Trotting Championship (which is known as the "Lord of the Manor Cup") after Dark Edge's win in 1991.

The Cup is superbly crafted with the body of the cup representing the sturdy trunk of a mighty oak tree adorned with leaves and acorns. The lip is capped with a ram's head holding a small oak branch in its mouth.

The cup was first presented at Newton races, Lancashire, England, on June 5, 1850. It was won outright by "Mr J. C. Johnson's Duxbury" ridden by Wells".

Newton races, which were run on Newton Common owned by Lord Newton, ceased in 1898. Later that year the Haydock Park racecourse company was founded and the company leased 125 acres of parkland from Lord Newton.

Lord Newton died about the turn of the century but the Newton Cup, first run in 1807 on Newton Common, is still run at Haydock Park in July each year and it is interesting to note that a trophy which is put on display at Haydock Park on the day of the race is apparently identical to the one now in Australia which bears the inscription "Newton Races, 1850. The Gift of the Lord of the Manor".

An entry in the 1850 English Racing Calendar reads: "The Gold Cup, value 100 sovereigns; the gift of the Lord of the Manor, added to the Handicap Sweepstake of 20 sovereigns. . ."

How the cup found its way to Australia is not certain however it was found in a Brisbane second-hand shop and brought by the secretary of the Brisbane Trotting Club. A clipping from a 1949 Brisbane newspaper reported that "Peter (by Steele Globe from Seal Globe) won the century old, gold-plated Newton Cup at Brisbane Trotting Club's meeting at Kedron".

The cup was subsequently purchased for the Metropolitan and Country Trotting Association of Victoria by former TCB member Cr Ray Heath. In 1963 the M. & C.T.A. donated the cup as a perpetual trophy for the Australasian Trotting Championship and in 1964 the champion mare Gramel became the first of an exclusive list of off horses to earn a nameplate on the plinth of the cup.

AUSTRALASIAN TROTTERS CHAMPIONSHIP

1998-99 Winner, Buster Hanover NZ (Tony Herlihy)

A RACE un-rivalled in tradition, the Australasian Trotters' Championship is an event that can truly carry the term 'championship' to its fullest.

Since its humble beginning in 1964 (run twice in February and December that year), the Group One feature has been captured by the cream of the Southern Hemisphere's trotters.

Gramel, recently voted among the top 10 trotters of the century, captured the inaugural running with Jack Roberts in the cart.

During the years other stars such as Touch Merchant, Amazon, True Roman, David Moss, Wagon Apollo and the greatest trotting mare of all-time, Scotch Notch, have also added their name to the honour roll.

So difficult is it to win the Australasian Trotters' Championship, only two competitors have snared the race on more than one occasion.

Tinmine, driven by Neville Gath, won the feature in 1965 and 1966 and it was not until Buster Hanover (1998 and 1999) came charging onto the race scene with Tony Herlihy in the sulky, that another trotter managed to win dual Championships.

Buster Hanover, trained by Mark Purdon, will be aiming for an unprecedented third victory in the time-honoured event when he takes his place in tonight's \$100,000 Sport 927 Australasian Trotters' Championship.

The outstanding squaregaiter will have his work cut out for him from his 30-metre handicap, giving stars such as Sundowner Bay, Mountain Gold and Lyell Creek starts of up to 20 metres.

Interestingly, the Australian trotters have held a slight edge over their New Zealand counterparts, winning seven of the last 10 runnings – despite the fact the Kiwis have a stranglehold on the Inter Dominion Trotters' Championship of late.

With just two Australians – National Interest and Homer Hawk – in tonight's event, the locals will have a hard task ahead of them.

In a first for the prestigious race, a European trotter will contest the 3020-metre event.

Euro Ringeat, fresh from his strong and fast-finishing second to Lyell Creek in the Primus Dullard Cup a fortnight ago, is expected to make his presence felt from his 35-metre handicap.

Driven by local ace Gavin Lang, the French squaregaiter is bound to be given every chance of success from the driver most consider the best in the world.

Should the pair emerge successful tonight, the victory will be Lang's second, having piloted True Roman to glory in 1986.

Without a doubt this year's field is the strongest yet, and the Sport 927 Australasian Trotters' Championship will long be remembered as one of the most exciting races in harness history.

DETAILED FORM COMMENT

1. Kawarau Invasion (NZ)

Lightly raced Kiwi who was most impressive leading throughout for strong win (2.6.6) in 2540m Interdom heat under these conditions. Ideally drawn and will give good sight.

2. Miss Whiplash (NZ)

Just behind placegetters in Group One Dominion Handicap, Addington 3200m in November. Started Aussie campaign with 3rd Sundowner Bay (2.3.4) 2540m Free For All on January 15 then battled on well for 2nd Kawarau Invasion in last week's heat. Place chance.

3. Homer Hawk (VIC)

One of two Victorian representatives, and fitter after four runs for new trainer. Runner-up to Buster Hanover in 1998 Interdom Final at Harold Park. Used sprint lane to finish 3rd Sundowner Bay (2.6.9) in 2540m heat last Saturday. This is stronger.

4. Sundowner Bay (NZ)

Placed 2nd Lyell Creek in Group One Dominion Handicap 3200m Addington, November 19. Left New Zealand after Ashburton mile win (2.00.3) and has since won both Australian starts, including last week's 2540m (2.6.9) Interdom heat. Value claims to complete Aussie hat trick.

5. Lyell Creek (NZ)

Exciting New Zealand trotter and strong favourite for Interdom. Has taken all before him this season winning his eight outings including the Group One Dominion Hcp and New Zealand Trotting Championship. At Australian debut terrific Primus Dullard Cup win in track record time (2.00.6) January 15. Lightly raced with 13 wins from 15 starts. Exciting prospect who is the one to beat.

6. Africa (NZ)

Ultra consistent Kiwi mare. Runner-up to Special Force in 1999 Interdom Final at Auckland. First up in Australia finished 2nd Sundowner Bay Jan 15 then finished on well out wide for 7m 3rd Kawarau Invasion in heat two, January 22. Always a place chance.

7. Sundons Way (NZ)

Well performed trotter from the Mark Purdon stable. Runner up to Mountain Gold in New Zealand FFA and placed twice behind Lyell Creek during the Auckland carnival in December. Midfield behind Lyell Creek in Primus Dullard Cup. Could find this tough from 20m handicap.

8. National Interest (VIC)

Australia's leading Interdom contender. Won the Consolation of last year's Interdom in Auckland. Battled on well after light preparation in the Primus Dullard Cup when finished 7.5m 5th Lyell Creek, January 15. Should strip much fitter and although off 20m handicap, will acquit himself well.

9. Mountain Gold (NZ)

Top class trotter in the stable of leading Kiwi trainer Barry Purdon. Last season won New Zealand's premier trotting race the Group One Rowe Cup. Brilliantly won two races at Addington during the New Zealand Cup Carnival in Christchurch last November. Led all the way for easy 2540m FFA win here on January 8. Forget Primus Dullard Cup run when he galloped after the start. Strong claims

10. Special Force (NZ)

Defending Interdom champion who took the 1999 title in his hometown of Auckland. Since then campaigned in Europe for a career best 1.55.5 victory. Led in Primus Dullard Cup when weakened to finish 7m 4th after being attacked by Lyell Creek. Should be reaching peak fitness and definite each way claims.

11. Buster Hanover (NZ)

Harold Park Interdom winner in 1998 and won this race for the past two years. Returned to form with 3rd in Cambridge mile January 3. Looked a winning chance at top of the straight in Primus Dullard Cup before going off stride. Capable of upstaging rivals to make it three Australasian Trotting Championships on end.

12. Euro Ringeat (France)

Highly credentialled French trotter who has improved dramatically since exiting quarantine. Very versatile with quick sprint and great endurance. Grand Circuit winner in Germany over the mile (1.57.8) in October. First up 4th to Mountain Gold in FFA here January 8 then just failed to catch Lyell Creek in Primus Dullard Cup when broke in last few strides. Off tough mark and is new to standing start conditions but don't dismiss lightly.

SAMMY BOWEN: *Pink & Red Halves*

Midfield in holding on fairly to finish an 8m 6th to Doodlebug Don 2400ss (2.04.0) Maitland Jan 22. Meeting stronger field here and does appear tested.

SATANS NIGHTMARE: *Yellow, Black Shamrock, Hooped Sleeves*

Never a threat when a 23m last to Scotts Pick 1609m (1.59.4) Maitland Jan 18. Will find this a tough task as well.

BROKER NZ: *White, Dark Blue Stars, Red Sleeves*

Placed Newcastle then finished fairly when a 9.5m 6th to Christmas Cloud 2565m (2.02.3) HP Jan 14. Drawn well and is capable of making his presence felt. Each way.

LIMOUSINE DUNDEE: *Dark Green & Purple Halves, Dark Green Sleeves*

Form sound before finishing a 36m 6th to Prime Time Magic 2360ss (2.06.0) Tamworth Jan 21. Harder here and others have brighter claims.

IDYLL JEB NZ: *Dark Blue & White Diamonds, Red Sleeves*

From midfield was never a threat when a 24m 7th to Franco Timor 2160m (2.00.0) HP Jan 21. Scored a solid win at HP prior and on that form rates a threat.

WINDAMAN: *Light Blue, Dark Blue Diamond Sash, Striped Sleeves*

Scored here four starts and has also scored in fine style at HP before finishing a disappointing 17m 6th to Franco Timor 2160m (2.00.0) HP Jan 21. Enjoys racing here and looks the one to beat.

IMA HARMS: *Purple, White Sash, Hooped Sleeves, White Cap*

Beaten 19m when 9th to Unsurpassed 2160m (2.02.2) HP Jan 4. Capable of better but does appear safely held in this line-up.

NO NEED NZ: *Brown & Light Blue Stripes, Striped Sleeves*

Back in the field in finishing a handy 7m 5th to Doodlebug Don 2400ss (2.04.0) Maitland Jan 22. Usually thereabouts and should be included in trifecta combinations.

DEFROSTEM: *Red, Dark Blue & White Hooped Sleeves*

SMOOTH LOCH NZ: *Purple, White Band & Sleeves*

One win, seven seconds last eight starts. Started odds-on when back on pegs, worked into one-one-800m, and tried hard in straight hd 2nd Besties Legacy 2647m AP 2:01.2 last weekend. Deserves a win on consistency alone.

SEAFIELD PEARL NZ: *White, Blue Braces, Red Stars, Blue Sleeves*

Form is poor and hard to see figuring here after unplaced last 13 starts, latest when faded from behind pace bell 29m 8th Maker Reign 2138m AP 2:0.1 Jan 20. Tested.

TROIS FRERE: *Blue & Green Check, Blue Sleeves*

Runner-up two straight, including 1-3/4m 2nd Touchstone 2138m AP Jan 8 before raced in death and dropped out 26m 11th of 12 Detroit Dan 2138m 1:58.5 Jan 15. Place.

COUNCIL MAN NZ: *Brown, Gold Braces*

Seldom runs two races alike. Trained up three wide and ran on well 1-3/4m 2nd Detroit Dan 2138m AP Jan 15 then 5-4 fav and disappointing 8m 5th Rich In Style 2138m AP 2:0 last Saturday. Too many convictions to back with confidence.

TIMBUCTOO: *Red, White Sash*

Unplaced four runs back this campaign and needs vast improvement on 40-1 and 10-3/4m 7th Rich In Style 2138m AP Claim 2:0 last weekend. No appeal.

Former NSW and Victorian made local debut for new stable with behind pace and plodded closing stages 7-3/4m 6th Detroit Dan 2138m AP 1:58.5 Jan 15. That was first run since June so may strip fitter this time.

RICH IN STYLE NZ: *Red, White Yoke, Red Stars*

RUSSELLS CHOICE NZ: *White, Blue Diamond, Blue & White Striped Sleeves*

No luck last outing when in one-but carried back to rear by firing runner before running on well late 7-1/2m 5th Detroit Dan 2138m AP 1:58.5 Jan 15. Chasing 19th career win and has sound claims.

SUPREME JUSTICE NZ: *Green, Gold Spots, Gold & Green Striped Sleeves*

PRINCE OF REBELS: *Dark Green & Purple Halves, Dark Green Sleeves*

Started fav when a 5m 4th to The Scarlet Manuka 2000m (2.06.0) Maitland Jan 18. Steps up in grade here and others look to have stronger claims.

VICTORIA CUP

1999 Winner, Holmes D G NZ (Barry Purdon)

THE State's premier mobile event, the Victoria Cup is without doubt the most difficult race to win on the Grand Circuit each season.

With the highest echelon of pacers from Australia and New Zealand contesting the feature, the Victoria Cup is widely regarded as the Southern Hemisphere's 'unofficial' pacing championship.

While names such as Chokin, Golden Reign, Sinbad Bay, Franco Ice and the mighty Popular Alm grace the honour roll, the group of pacers who found the race beyond their reach is just as imposing.

Numerous champions have contested the Victoria Cup and found the going too tough when lining up against a field full of outstanding racehorses.

Names such as Inter Dominion winners Westburn Grant, Village Kid, Gammalite, Thorate and Our Sir Vancelot (all record holders for the most Grand Circuit wins during their respective careers) could not manage to secure the prestigious race from numerous attempts.

Add the likes of Jack Morris (also an Inter Dominion winner), Luxury Liner, Blossom Lady, Pure Steel and Franco Tiger to the list, and it's clear to see why such an esteem opinion is held in relation to the Victoria Cup.

Unfortunately there can be only one winner, and tonight another star performer will have its name placed on the honour roll for the Eat Well Live Well Victoria Cup.

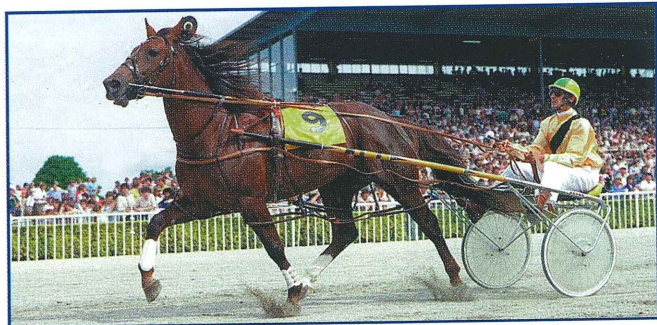

Reigning Grand Circuit champion Christian Cullen and current Grand Circuit leader, Holmes DG, head an outstanding field of hopefuls, including the 'Pocket Rocket' Courage Under Fire and local stars Shakamaker and Safe And Sound.

Holmes DG, yet another topline from the powerful Barry Purdon stable, will be hoping to secure his second win in the feature, following his triumph last season.

Purdon also trained the 1994 winner Chokin, while the late great team of Bob and Vin Knight won an astonishing six Victoria Cups in just eight years.

Without doubt, tonight's \$250,000 race is the strongest line-up of equine stars for some years, with patrons sure to witness a thrilling contest from the moment the mobile barrier rolls away until the winner passes the post!

GAMMALITE

1983 & 1984 INTER DOMINION CHAMPION

Horsemen are quick to agree that it takes a special horse to win an Inter Dominion. Strength, courage, stamina and character are some of the special ingredients required to capture harness racing's holy grail.

It seems fitting then that we welcome back one of the toughest standardbreds ever to race in Australasia, dual Inter Dominion winner Gammalite, to celebrate the world's richest harness racing championship – Tabcorp Interdom 2000.

One of only three horses to win consecutive Inter Dominions (1983-84), Gammalite raced a remarkable 179 times for an astonishing 94 wins and 52 placings. Career earnings of \$1,386,480 place the son of Thor Hanover ninth on the all time list of Australasian stake earners.

Trained by Leo O'Connor and driven by Bruce Clarke, Gammalite claimed his first Inter Dominion across the Tasman defeating arch-rival Popular Alm for only the second time in their illustrious careers. He repeated his Auckland achievement 12 months later taking the title in Adelaide to become only the third dual Inter Dominion winner.

Gammalite returned to Moonee Valley for the 1985 Inter Dominion, but just failed to take the honours finishing a close-up fourth behind Preux Chevalier in the final. That race brought down the curtain on a truly remarkable career.

Along with Westburn Grant and Our Sir Vancelot, Gammalite is the only pacer to claim the mantle of Grand Circuit Champion on three consecutive occasions, a feat he achieved in 1982-84. Perhaps one of Gammalite's greatest achievements, on the way to nine Grand Circuit victories, was a record four consecutive South Australian Cups from 1982-85.

Now at 23 years of age Gammalite returns to Moonee Valley to lead out the field for the \$250,000 Eat Well Live Well Victoria Cup. Be rest assured tonight's champion will need to display every bit of courage synonymous with the great Gammalite to etch their name into the record books.

DETAILED FORM COMMENT

1. Christian Cullen (NZ)

Champion New Zealand pacer who took the 1998/99 season by storm winning all 10 starts including a devastating win in the Miracle Mile, Treuer Memorial and two mile standing start Auckland Cup. Resumed with blistering first-up 1.55.9 mile here January 8. In loads of trouble early in the Hunter Cup and huge effort to get as close as he did. Ideally drawn and has the speed and the stamina to lead throughout. An equine superstar.

2. Tailmade Lombo (WA)

Has mixed her form this season. Three starts back won Tasmanian Pacing Championship. Very classy mare at best however last week in 2060m heat led and weakened badly to finish at the rear of the field. Will have to show big improvement against stronger opposition.

3. Breenys Fella (VIC)

Won (1.57.4) Harold Park 1760m Free For All, then finished excellent 3rd to Holmes D G in Miracle Mile. Ventured to New Zealand for game 3rd Happy Asset in Auckland Cup and won the 2200m City of Auckland FFA there on December 23. Missed the start when midfield behind Yulestar in the Hunter Cup. Place hope.

4. Kyema Kid (NSW)

Won Group One Queensland Pacing Championship in October. He was the giant killer last week when he finished brilliantly to win his heat (1.58.7) and end Courage Under Fire's 24 start winning streak. Good sit and sprint pacer. Trifecta chance.

5. Shakamaker (VIC)

Australia's leading contender for Tabcorp Interdom 2000. Unbeaten in five starts this season taking out the Vicbred Super Sires Final in devastating fashion. Started campaign with easy heat win (1.59.1) last week. May be capable of troubling Christian Cullen.

6. Yulestar (NZ)

Underrated New Zealand pacer who scored a 1.57.3 win at Addington in November prior to 2nd Holmes D G in New Zealand FFA. Placed behind Happy Asset in Auckland Cup before enjoying run of the race for A G Hunter Cup win on January 15. Is tough and rates a chance.

7. Courage Under Fire (NZ)

After an interrupted preparation and 24 wins in succession, suffered his first defeat when close 2nd Kyema Kid in 2060m heat here last week. Will be much fitter for the outing and although poorly drawn do not underestimate this champion little pacer.

8. Saab (WA)

Came from behind to run down Our Sir Vancelot in last year's WA Cup. Finished 3rd to Admirals Avenue in this year's WA Cup but galloped out of contention at the start of the A G Hunter Cup. Strong sit and sprint pacer who is drawn to slipstream Christian Cullen.

9. Safe And Sound (VIC)

Australian Pacing Championship winner in World Record time (1:57.0) at Albion Park in October. Toughened up for the series with close 2nd Sorrento Star in Geelong Cup, then raced in death again to turn the tables in the Group One SA Cup at Globe Derby Park on January 8. Very workmanlike win (1:59.1) in third heat last Saturday night. Each way.

10. Happy Asset (NZ)

Smart New Zealand performer who won 1998 Ben Hur at Harold Park and the 3200m standing start Auckland Cup in December. Finished well for A G Hunter Cup second behind Yulestar on January 15. Back to the mobile conditions and will be running on again.

11. Holmes D G (NZ)

Millionaire pacer whose credits include last year's Victoria Cup and this season's New Zealand FFA, the Miracle Mile and the Treuer Memorial. Disappointing when 10th Yulestar in A G Hunter Cup. An awkward second line draw here but ran a most impressive 2nd to Chistian Cullen over the mile on January 8. Worth another chance.

12. Slug Of Jin (QLD)

North American import purchased specifically for this carnival and has performed admirably in the Grand Circuit events this season. Placed in Qld Championship, Miracle Mile and Bankstown's Treuer Memorial. Impressive A G Hunter Cup 3rd placing indicates that he will be a leading contender throughout the series. Include in trifectas.

DANCING PADDY: *Green, Pink Diamond*

Mildura 2150m win (2.4.2) Dec 8 then runner up at two of next three. Last time just beaten Ardent Kiwi (2.5.0) 2150m here Jan 25. Go close.

CAMBERLEY SPIRIT NZ: *Black, Light Blue Crossed Sashes, White & Light Blue Armbands*

Best of recent runs 7.5m 3rd Ardent Kiwi (2.3.9) Mildura 2150m Jan 15. This is stronger, place chance best.

WISHBONE: *Dark Blue, White V, Yellow Sleeves*

Will need to do more than four starts from spell when finished down the track. Looking elsewhere.

OUR BARGAIN: *Orange, Dark Green Sash & Brown Sleeves*

Resumed from spell with 3m 2nd Tycoons Loot (2.6.4) Broken Hill 2210m Jan 15 then won (2.5.2) 2500m there Jan 22. Good prospects.

WINDGRASS: *Dark Blue, Yellow Maltese Cross & Armbands*

Is in great form at present. Since competing in Sires Final ahas won all three starts here over 2150m impressively. Hard to beat again.

JACK SARNEL: *White, Red Cross*

Placed only once from 14 starts this season. Will find this tough.

GOODBYEMISTERCHIPS: *White, Green Hoops, Yellow Sleeves*

Best effort at three starts from short break 3m 2nd Thoughtful Fella (2.2.7) Nyah 2140m Jan 8. Place chance.

Selections: Windgrass 5; Our Bargain 4; Ardent Kiwi 6.

HISMARTY BLUE: *Orange, Red Sleeves*

Beaten 17m in finishing 6th to Peter Peter 2170m Muswellbrook Jan 26. Struggling to be competitive.

COLESEN: *Dark Blue, White Striped Sleeves*

Placed Maitland last week behind Gloryloo then scored over 2170m at Muswellbrook on Jan 26 in easier company to the field she meets here. Each way.

ROCKONDOWNTHEROAD: *Red, Grey Diamond, Hooped Sleeves*

Back from a spell with a 13.5m 8th to Tonto McTavish 2030m (2.03.5) Newcastle Jan 8. Isn't racing well enough to test these.

LITE ACE NZ: *Black, Pink Stars & Sleeves*

Former Kiwi which made his debut for new stable in finishing a game 2nd to Typical Irish 2130m (2.01.0) Bathurst Jan 5 when fav. All the better for the run and will again prove hard to beat.

FABIENNES DELIGHT: *Black, White Maltese Cross & Sleeves*

Checked at the start and never a threat when an 11m 5th to Fiteenplus 1609m (2.00.9) Maitland Jan 22. Fitter for recent racing but still looks safely held.

SPOTS WUNDER: *Black, Red Diamond, Red & White Striped Sleeves*

Rewarded for recent consistent efforts with a 2170m win at Muswellbrook Jan 26 defeating Kadachia and Andy Lee. Stays under notice on an each way basis.

THE CUSTODIAN: *Brown, Orange Spots, Yellow Sleeves*

Three runs to date only fair the latest when an 8.5m 6th to Hes The Chief 2000m (2.04.3) Maitland Jan 18. Harder here and looking elsewhere.

MASTER FRED: *Orange, Red Sash & Sleeves*

Grade One 4yo stepping out for the first time. At this stage does appear safely held with market best guide.

BOURKLEY ASSET: *Dark Blue, Black Horseshoe*

Safely held of late including a 9.5m 5th to Tonto McTavish 2030m (2.03.5) Newcastle Jan 8. Others gain have brighter claims.

MYSTIC SCORE: *Black, Pink Star, Hooped Sleeves*

Checked and failed to finish in the race won by Hes The Chief 2000m (2.04.3) Maitland Jan 18. Had been racing fairly prior to that outing and rates a chance in trifecta combinations.

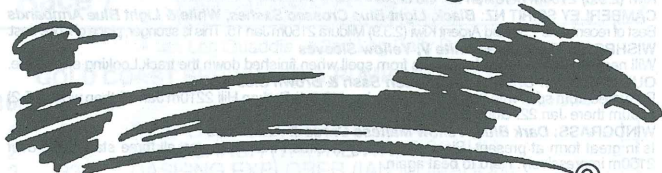

DEETROUBLEMAKER: *Dark Green & Purple Halves, Dark Green Sleeves*

Had been racing well prior to being sent for a spell after failing to finish in the race won by Lochinvar Bill 2030m (2.04.5) Newcastle Apr/99. Looking elsewhere at this stage.

Selections: Lite Ace NZ 4; Coleesen 2; Spots Wunder 6.

HISMARTY BLUE: *Orange, Red Sleeves*

At second run back finished a 17m 6th to Peter Peter 2170m Muswellbrook Jan 26. Harder task here and others have brighter claims.

OUR PET: *Black, Light Blue Stars & Sleeves*

Placed past three including a 5m 3rd to Coleson 2170m Muswellbrook Jan 26. From the good draw similar claims again prevail for trifecta players.

MY GIRL KATE: *Black & Orange Quarters, Hooped Sleeves*

Checked when a 35m 5th to Nancy Brandon 2030m (2.02.8) Newcastle Dec 18. had handy form prior and rates an each way chance.

NELLIE AMBER: *Brown & Light Blue Hoops*

Four runs poor with latest effort a 30m to Superlast 2030m (2.03.7) Newcastle Dec 4. Faces a tough assignment.

EMBLAZON: *Red, Black Sash, Striped Sleeves*

Slightly better effort in finishing a 7m 4th to Rob Bert 2140m (2.03.6) Bankstown Jan 20. May sneak a place at best.

TRIPLE DREAM: *Brown, Pink Sash & Sleeves*

Better effort at fourth run when a 3m 3rd to Hes The Chief 2000m (2.04.3) Maitland Jan 18. In an open race has claims on an each way basis.

PETES GOLD: *Dark Blue, White Striped Sleeves*

Finished 5m away when 4th to Scottish Warrior 2170m Muswellbrook Jan 26. Form prior sound and usually races well this track. Rates an each way chance.

MISTER WONDERFUL: *Brown & Light Blue Stripes, Striped Sleeves*

Always prominent when a 4m 3rd to Barrister 2000m (2.03.5) Maitland Jan 18. Form sound enough to rate a top chance in this field.

FIRST BREEZE: *Black, Dark Green Maltese Cross & Sleeves*

Placed four of past five the latest when a 1.5m 2nd to Fifteenplus 1609m (2.00.9) Maitland Jan 22. As always, rates an each way chance.

LYLE: *Brown, Purple Sash & Sleeves*

Safely held past couple the latter a 13m 7th to Carlyle Park 2030m (2.04.9) Newcastle Jan 8. Looks to be safely held here as well.

MANTHA: *Black, Pink Star & Armband*

Broke at start and again in running, when checked, in finishing a 121m 8th to Bazallenraydancer 1609m (2.01.6) Maitland Dec 3. Makes no appeal.

Selections: Mister Wonderful 8; Our Pet 2; My Girl Kate 3.
