WELCOME to the 2006 Wrest Point Inter Dominion Pacing Championship Grand Final

With \$1.5 million stakesmoney on offer in the Grand Final, the Wrest Point Inter Dominion is the richest open age harness race ever staged in the world and we are delighted that you could share this date in history with us at the Elwick Racing Complex in Hobart tonight.

The \$1.9 million race program is by far the greatest we have put together in Tasmania which is truly fitting for the biggest sporting event that has been staged in this state's history.

A world class field has been assembled for the Inter Dominion Grand Final, outstanding pacers will contest the \$75,000 SEW Eurodrive Tasmanian Derby, \$75,000 Tattersall's Tasmanian Oaks, \$70,000 Wrest Point Inter Dominion Consolation, \$60,000 Metropolitan Cup, \$20,000 Matron Stakes and the \$20,000 Light Harness Cup Final.

There will also be a Battle of the Sexes Challenge with 12 of the southern hemispheres champion drivers racing for the prize and the young champions have not been forgotten with the final of the Australasian Young Driver Championship.

The series commenced in Victoria earlier this week before returning to Launceston on Friday before tonight's final event.

You are in for an outstanding night of harness racing and we hope you enjoy the racing, the event and the experience.

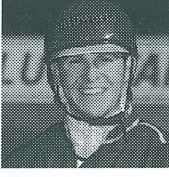

On behalf of 2006 Inter Dominion CEO David Aldred, Tasmanian Pacing Club CEO John Devereux, TPC Committee Steve Devereux, Phillip Bailey, Ian Blackburn, Malcolm Campbell, Alan Gebel, Peter Johnson, Mike Jones & Phillip Young, TPC Office Manager Wendy Mackey and assistant Kelly Bennett who have all worked tirelessly to put this fantastic event together, it gives me great pleasure to thank the event partner Wrest Point and all of the Inter Dominion Championship race sponsors, the Inter Dominion Harness Racing Council, TOTE Tasmania, interstate and overseas visitors and our proud Tasmanian harness racing enthusiastic for their valued support.

TASMANIAN TRAINER STRIKE RATE AWARD

The \$35,000 Tasmanian Trainer Strike Rate Award concludes with tonight's racing.

Neville Webberley and Bill Dornauf are equal leaders with a score of 3.0. Neville's score is unlikely to vary significantly as he only has one starter, Dare We Dream (race 5). If Dare We Dream wins Neville would go to a score of 3.33. If Dare We Dream finishes further back than 5th Neville's score will be 2.7.

Bill Dornauf's score will vary greatly depending on results tonight. He has Terrific Lass (race 2), Time Rolls On (race 6) and Johannreik (race 10).

Michael Laughler now resides permanently in Tasmania and is in third place with a score of 2.0. It is not expected his score will vary greatly. His starters are Namero in race 6, Live Again (race 8) and Finucane (race 11).

Other trainers in contention for the award are Rohan Hadley, Adrian Duggan, Geoff Smith and Rodney Ashwood.

INTER DOMINION GRAND COUNCIL

2006 Inter Dominion Pacers Championship Hobart & Launceston, Tasmania

The Inter Dominion Championship was first conducted in 1936 in Perth and from its inception it was realised there was a need for the Inter Dominion Council to appoint a supervisory body to ensure that rules, policy and guidelines were uniformly interpreted from Series to Series, and, any disputes resolved during the currency of any Championship Series.

The President of the Council in those days was the late J.P. Stratton who appointed the President of each State and Dominion Controlling Authority to the Grand Council.

Currently, in modern Australasian Harness Racing, this has evolved so that a Grand Council is appointed for each Championship Series by the parent body, the Inter Dominion Harness Racing Council. The Grand Council has a primary role to resolve any disputation referred to it by the Conducting Club.

The Grand Council appointed for this Championship Series is:

| Rod Pollock | Chief Executive, Inter Dominion Harness Racing Council. |
