**INTER DOMINION  
GRAND COUNCIL**

**2006 Inter Dominion Pacers Championship  
Hobart &  
Launceston , Tasmania**

The Inter Dominion Championship was first conducted in 1936 in Perth and from its inception it was realised there was a need for the Inter Dominion Council to appoint a supervisory body to ensure that rules, policy and guidelines were uniformly interpreted from Series to Series, and, any disputes resolved during the currency of any Championship Series.

The President of the Council in those days was the late J.P. Stratton who appointed the President of each State and Dominion Controlling Authority to the Grand Council.

Currently, in modern Australasian Harness Racing, this has evolved so that a Grand Council is appointed for each Championship Series by the parent body, the Inter Dominion Harness Racing Council. The Grand Council has a primary role to resolve any disputation referred to it by the Conducting Club.

The Grand Council appointed for this Championship Series is:

- Robert Marshall** Chairman, Inter Dominion Harness Racing Council.  
**Rod Pollock** Chief Executive, Inter Dominion Harness Racing Council.  
**John Devereux** Chief Executive, Tasmanian Pacing Club.  
**Tony Murray** Director , Racing Services Tasmania .

# Waterfront... Absolutely.

Wrest Point. Absolute waterfront – it's the best place to experience the charm of Tasmania's capital city. You'll want to linger over the million dollar views from your room, but there's so much more waiting for you at Hobart's most vibrant hotel. Fine dining in a range of restaurants. Cocktails and live music in one of the bars. Plus day trips to Port Arthur Historic site, or a visit to the world famous Salamanca Place. More than a stay – it's a harbourside holiday in itself.
