MESSAGE OF WELCOME FROM CHAIRMAN OF ALBION PARK HARNES RACING CLUB

Tonight sees the running of the \$1million Watpac Inter Dominion Grand Final and it has certainly been worth the wait.

To view such elite standardbreds straining every muscle over the past two Saturday nights in the two rounds of heats has been a pleasure to watch and now the best 12 compete for the rich purse.

The racing has been also trouble-free in terms of interference which has been appreciated by the punting public.

The rollercoaster ride of emotions experienced by the connections of Auckland Reactor over the past fortnight has been well-documented. Indeed, as outlined in the media during the week, it does read like a soap opera.

Monday's barrier draw and calcutta event at Conrad Jupiters attracted an excellent response. In fact the social aspect of the Grand Final week has been an outstanding success. Congratulations to those who put these functions together.

I would like to wish all the connections well in tonight's Grand Final. What a privilege to make the final 12!

I know many will be cheering the three-times Inter Dominion champion Blacks A Fake in his history-making attempt for a fourth victory. The fact that he has drawn perfectly at barrier one can only aid his cause.

This forum gives me the opportunity to express a final thankyou to all of our sponsors. Your contributions have been valued greatly.

While there are many, it would be remiss of me not to make particular mention of our main sponsor Watpac who will extend their involvement to Sydney for ID10.

I hope those attending tonight and those who have attended the other two nights of the carnival have and had an enjoyable experience. Back plenty of winners.

All that is left to say is "let the race begin".

Yours sincerely,

WARWICK STANSFIELD – APHRC CHAIRMAN

WELCOME FROM CHAIRMAN OF HARNES RACING QUEENSLAND

It gives me extreme pleasure as the Chairman of Harness Racing Queensland to extend a warm QLD welcome to all visiting the southeast corner of the 'Sunshine State' for the 2009 Watpac Inter Dominion Pacing Championship.

The \$1.45million Inter Dominion Pacing Championship is being sponsored by leading Queensland based construction company Watpac who are to be profusely acknowledged for this magnanimous sponsorship contribution.

The series is a promoters dream with high quality nominations being received that will ultimately result in the 'best of the best' 36 standardbreds contesting the Championship.

Additionally, the Inter Dominion card is supported by a smorgasbord of feature races that include the \$100,000 Queensland Derby (G1), \$75,000 Queensland Oaks (G1) and the \$100,000 Australian Pacing Gold 3YO Finals.

Harness Racing Queensland joins with the host club the Albion Park Harness Racing Club in extending the very best wishes to all who campaign during the Watpac Inter Dominion Carnival at Parklands in March.

**R J (BOB) LETTE - CHAIRMAN
HARNES RACING QUEENSLAND**

WELCOME FROM THE MAYOR OF THE GOLD COAST

As Mayor of the Gold Coast. I'm delighted to welcome you to our city for the 2009 Watpac Inter Dominion Pacing Championship

This prestigious event, which has been described as "the harness racing world equivalent of the Melbourne Cup", is also acknowledged as both the flagship of harness racing in Australasia and one of the seven great harness races in the world.

The Gold Coast hosts a wide variety of world-class sporting events throughout any calendar year, which prove perennially popular with locals and visitors alike - an appreciative audience can be guaranteed in our part of the world!

Given the Watpac ID09 comprises both the outdoors and top-class sport, this event effectively encapsulates the enviable Gold Coast lifestyle, which I hope you'll be able to enjoy while you're here.

With a wealth of both natural and built attractions, the Gold Coast truly has something for everyone - World Heritage-listed national parks, award winning restaurants and wineries, and of course the golden beaches we're famous for. And the vibrant atmosphere that's synonymous with our city makes every day a good day.

In closing, may I wish you all a safe and memorable visit to our city as you enjoy the excitement of the Watpac Inter Dominion Pacing Championship and the beautiful backdrop the Gold Coast will provide for this captivating event.

**RON CLARKE MBE
MAYOR**

2009 WATPAC INTER DOMINION - SPONSORS WELCOME

This is the second year Watpac has sponsored this event, and it is a pleasure to bring the festivities to the Gold Coast, following on from last year's ID08 success in Melbourne.

Watpac is proud to be the major sponsor of the Inter Dominion, and our support will continue in 2010 when the event is held in Sydney.

Watpac is now a national company with representation across Australia in a broad range of operations, including mining, civil infrastructure, construction, property, and specialty services (including refurbishment). This allow us to access more markets, clients, and communities than ever before and our sponsorship of the Inter Dominion across the eastern states in 2008, 2009, and 2010 complements our growing business as it brings a liveliness to the local communities involved.

I wish everyone success at this year's event, and I hope you enjoy the 2009 Watpac Inter Dominion as much as I will.

**GREG KEMPTON
WATPAC MANAGING DIRECTOR**

*Albion Park Harness Racing Club
would like to thank our valued
sponsors for their ongoing
commitment and support.*

Found the lead without doing much work last start and was a disappointing 2nd. He is very smart when right but may not be going as well as he can. Place is best.

FOWLER FACTS : DONT FALL FOR ME (2) is a brilliant beginner with the right draw at the right distance. Comes into this race as a fast last start AP winner. XILE (1) is drawn to get the perfect ride behind DONT FALL FOR ME (2) and looked good winning a recent AP midweek when he parked out and boxed on gamely in strong time. CAMBER LAD (6) a stablemate of XILE (1) is in excellent form but there is every chance he can get caught wide from this gate and they will be running quick time. He can certainly run into the placings, though. FANCY CARDSHARK (3), an AP winner on Tuesday and BENNY MAC (10), a talented 4yo, have place claims.

SELECTIONS: DONT FALL FOR ME (2) XILE (1) CAMBER LAD (6) BENNY MAC (10) SUGGESTED BET: Quinella XILE (1) and DONT FALL FOR ME (2)

POINTS TABLE

Leading Point Scores as of 06/03/09

FOWLER FACTS : Strong M1-M2 line-up but **MILLER (10)** appeals eachway. Suited by a fast speed, he breezed home at Redcliffe last Friday and also won in fast time at an AP midweek recently. Has a strong finish and will be hard to hold out. **COMEONJAN (3)** is ready to win after three runs from a spell and should land a decent trail from this alley, Flew home to just miss out last Saturday. **SMARTY JONES (2)** was checked and broke early then never seemed comfortable in his latest AP 7th after winning twice since resuming. A fast beginner, the one alley is a plus. **MONEYCOUNTER (8)** landed good bets winning last Saturday night when in front but is now drawn the second-line but following **SMARTY JONES (2)** is no hindrance. **WOODLEA GLEN (4)** and **LOOSEN THE LOAD (9)** can place without surprising.

SELECTIONS: MILLER (10) COMEONJAN (3) SMARTY JONES (2) MONEYCOUNTER (8)

**Good beginner who was perfectly suited by the mobile conditions last start. He is suited by the long distance here and can overcome the big handicap with a touch of luck. Each way.**

FOWLER FACTS : MOTU ARMBRO SCOTT (10) is ready to win after two runs from a spell. His heat second was a good run on Wednesday night when he missed away at the start and made up several lengths. His Victorian form suggests he was competitive against a stronger grade than what he will be opposed to tonight. POETIC DEVICE (3) has shaped well during the series, running 3rd in the standing start then a good second under mobile conditions Wednesday when he came from near last. **WHAT EVER YOU LIKE (13)** is capable either from stand or mobile and is one of the classier trotters in the race. He should be in the finish after an all-the-way mobile win on Wednesday. The other mobile heat winner **SUNANA ASSET (12)** must be considered as well.

SELECTIONS: MOTU ARMBRO SCOTT (10), POETIC DEVICE (3), WHAT EVER YOU LIKE (13), SUNANA ASSET (12)

Had every chance when third last start and he follows a horse who is likely to get crossed at the start. Prefer others.

FOWLER FACTS : MAD MEL (3) is a model of consistency who likes to sit-and-sprint.

She had every chance when second here a fortnight ago but is drawn to get a good trail again and looks the hardest to beat. Several ID09 campaigners who failed to make the cut have accepted here and naturally it is a significant class drop for them. The pick of them may be the Kiwi ZENAD (6) who hasn't fired in his two heats but is a lot better than those runs suggest and as his previous Victorian form indicates. ULTIMATE MARK (7) is likely to ease from the wide gate but should find the line well in this suitable assignment. Wasn't disgraced in his opening round heat fifth. JACK AND SIMON (5) is a fast beginner and a last start track and trip winner who can give cheek again while OLIVER ROYAL (1) should have the necessary pace to trail the leader which brings him into the race.

SELECTIONS: MAD MEL (3) ZENAD (6) ULTIMATE MARK (7) JACK AND SIMON (5)
SUGGESTED BET: MAD MEL (3) eachway.

Past 2 QLD runs have been ok but he needs too much luck from this horror barrier. Place at best.

FOWLER FACTS : **OUR AWESOME ARMBRO (3)** is clearly the one to beat. Ruined his ID09 chances when he broke up at the start in the opening heat but then ran a terrific second to Karlo Mick in the second round, pulling out three wide from the 1100m and kept finding the line. He's back in the draw now and can find the lead from his favorable gate. **FLEUR DE LIL (1)** is a top mare who was probably a little unlucky not to make the Grand Final after an unlucky fifth and a slightly unlucky fourth. Drawn to get a perfect trail from barrier one. **CININNATI KID (9)** had absolutely no luck in his second round heat when he would have run a place had he been able to get clear after a good fourth in the opening round. **REPORT FOR DUTY (11)** has been creditable during the series and can place while **MISTER SWINGER (4)** ran too badly to be true in the second round. Worth another chance from the good gate.

SELECTIONS: **OUR AWESOME ARMBRO (3)** **FLEUR DE LIL (1)** **CININNATI KID (9)** **REPORT FOR DUTY (11)**

SUGGESTED BET; **OUR AWESOME ARMBRO (3)** straight out.

TRAINER/DRIVER INCENTIVE SCHEME

- \$5,000 cash is to be offered for the taking each night of the Watpac ID carnival to any trainer or driver that can train or drive a combination three (3) individual winners on a single program.
- If there are multiple winners on an individual night, then the \$5,000 will split evenly between the winners.
- If no one trains or drives a combination of three (3) individual winners a single program then the \$5,000 is to jackpot to the following week.
- If no one trains or drives a combination of three (3) individual winners a single program during the three (3) week carnival then \$2,500 will be awarded to the most successful driver and \$2,500 to the most successful trainer over the three (3) nights.
- The most successful being:
 - a) most winners, if tied;
 - b) most 2nds, if tied;
 - c) most thirds, etc, until the winner is declared

HOW TO PLACE A BET WITH THE TAB AT THE TRACK

The TAB provides "totalisator" betting (often referred to as "The Tote") for all races and has many bet types to choose from. Totalisator betting means that all punters are betting into a pool, and the pool is divided among all the successful bets. This is why the dividend / price for your runner changes up until the race jumps.

HOW TO PLACE A BET WITH THE TAB

1. Decide what bets you would like to place. (If you can't decide, you can ask for a "Mystery" bet and the TAB computer will make the selections for you).
2. Go to one of the TAB betting windows
3. Tell the TAB operator:
 - The location and race number of your bet
 - The bet type you would like
 - The horse number/s you would like to bet on
 - The amount that you wish to spendFor example, for a Quinella bet (the first two horses past the post in any order) you would say: Melbourne Race 2, Quinella with the numbers 2 and 3, for \$5.
4. Repeat this process for additional bets
5. Give the operator the total \$ amount of your bet/s and you make sure you check your ticket/s!

HOW TO COLLECT WITH THE TAB

If you are lucky enough to have a win, you'll be able to collect your winnings shortly after "correct weight" is announced.

The dividends for each bet type will be displayed on screens throughout the racecourse so you can determine how much you have won.

Simply present your winning ticket/s to any TAB operator at the track and collect your cash!

Winning tickets can also be presented at any TAB for collection.

Was well driven to score a good win last start. He should have won his previous start as well and he has the ability to overcome this poor barrier with a touch of luck. Each way.

FOWLER FACTS : I have gone for value in the Grand Final and come up with **WASHAKIE (3)**. I was disappointed with his opening round heat but he proved that all wrong with a great second in the second round. He made up several lengths on **AUCKLAND REACTOR (13)** and his sectional times were the best of the night. Ideally drawn at barrier three and with Luke McCarthy at the helm, he should land a touch better than midfield in a race where several stayers will make the pace genuine. If he gets a touch of luck he will sprint quickly and represents great value. **AUCKLAND REACTOR (13)** is a champion but he will have to prove it from this terrible barrier. It is unlikely he will find the lead or the deathseat so, at some stage, he will have to three wide or wider. Too good to pot but bookies will take him on. **BLACKS A FAKE (1)** will lead and everything is in his favour to win his fourth Inter Dominion but, to be honest, I thought he was disappointing in his second round heat when run down by **CHANGEOVER (4)** who will have admirers. **KARLOO MICK (9)** is happy and healthy and in rare form winning both heats so you can't discount him while **I AM SAM (5)** who is likely to bowl along outside the leader at his favorite distance is the only other realistic winning chance.

DIAMONDS N FURS (8) is a place hope only because it will trail the leader.

SELECTIONS: WASHAKIE (3) AUCKLAND REACTOR (13) BLACKS A FAKE (1) I AM SAM (5)

SUGGESTED BET: WASHAKIE (3) eachway

Did plenty of early work last start and weakened to finish eighth. This is harder now but he could sneak into a place with some luck in running.

FOWLER FACTS : Visiting NSW mare **DYMONDEE (1)** is coming off the ID09 series and has a great chance here. Her heats runs when sixth and ninth are actually better than they look on paper. Gets the right run here either in front or behind the leader. **DEPEND ON DAVEY (7)** was favorite here a fortnight ago and looked disappointing when he led the three-wide line and knocked up from the 200m but his previous AP form was brilliant and is well worth another chance. **ROLLERCOASTER ROAD (2)** ran home late after being drenched off the speed last Saturday but gets the chance to bounce in front here from the good alley. **DECORATED JASPER (4)**, **SLIPNSLIDE (5)** and **POWRR OF TARA (6)** will have admirers because they are coming off the ID09 series. Worth noting **SLIPNSLIDE (6)** had no clear run last Saturday.

SELECTIONS: **DYMONDEE (1)** **DEPEND ON DAVEY (7)** **ROLLERCOASTER ROAD (2)** **SLIPNSLIDE (5)**

SUGGESTED BET: **DYMONDEE (1)** eachway

HUTCHY SAYS: HENCHMAN (11) looks nicely suited here. He beat a stronger field when winning a Geelong claimer a month ago, then was luckless when fifth behind Walton Van at Bendigo before running home nicely for third to Bold Cruiser in an Free For All here a fortnight ago. FAROUK (3) is an old-timer who's never raced better. A nine year old, he won his fourth and fifth races for the season with tough back-to-back Harold Park efforts recently, the latest when finishing off in 58.2 from the breeze last week. ROCKET WARRIOR (9) ran third to HENCHMAN (11) at Geelong, then second to Dark Shadow at Ballarat before missing away and running a brave fourth to Cosmic Under Fire in a stand here last week. He's always a chance at this level. BOLD RAIDER NZ (6) made it two on end when following a wide-to-the-breeze Yarra Valley victory with a fast finishing Cranbourne success last Sunday. A seven time winner this season, he was claimed out of that race into the stable of Stephen Cleave. GARSTANG NZ (2) has speed and could lead for a long way - he has each way claims along with MISTER DOUGLAS (4); PRINCE BONTON (7), who'll be improved by one run from a long spell; MIGHTY MAC CAILEN (8); and tough campaigner SCOTLAND THE BRAVE (10).

SELECTIONS: HENCHMAN (11), FAROUK (3), ROCKET WARRIOR (9), BOLD RAIDER NZ (6).

RATINGS: 11 / 3 / 6, 9 / 2, 7 / 4, 10.

HUTCHY SAYS: An interesting Youthful Stakes for the fillies with quite a few winning chances. PEACES OF YOU (2) impressed on debut here a fortnight ago where she was eased from a wide gate and flashed home for a two metre fourth over the sprint trip to Modern Gir . She'll be even better for that run and the longer trip should suit her as well. GLENFERRIE INN (1) was a luckless fifth in that same race - she was trapped three back the pegs and badly held up. Placed in strong back-to-back Kilmore affairs at her only two previous runs, she draws her best alley so far and is due to break through. BALLANDELLA BABY (9) didn't do much at her first two runs before sitting in the breeze when second to Modern Girl here last time and obviously a driving switch to Greg Sugars had a lot to do with that performance. Rate her highly. REVIVALIST (6) beat top colt Crombie at Kilmore earlier this month, then made a mistake here a fortnight ago before a gallant second to WESTERN IMPACT (3) at Bendigo last weekend where she worked hard to the lead and was cut down late in a 27.6 last split. WESTERN IMPACT (3) draws for similar success - she's a much improved filly. First starter LOMBO QUICK STEP (4) (Modern Art - Hot To Trot Lombo) is a Peter Hornsby trained daughter and first foal of a mare who won five races. This filly ran 1:59.4 in a recent Shepparton trial victory so has obvious ability.

SELECTIONS: PEACES OF YOU (2), GLENFERRIE INN (1), BALLANDELLA BABY (9), REVIVALIST (6)

RATINGS: 2 / 1 / 9 / 3, 4? 6.

SUGGESTED BET: PEACES OF YOU (2) to win.

HUTCHY SAYS: Always a strong race, this Country Clubs Cup features some up-and-coming performers who've qualified at the provincials. **MICKIE DILINGER (6)** was a handy three year old last season, winning four times and racing well at Breeders Crown level, and he looked good in his second run from a long break when wide to the breeze and finishing off in 27.8 in his Bendigo victory last week over **SLEDGING (10)**. He's tough and will be even fitter this time. **LAHAINI (1)** is another former talented youngster who powered home to win first up at Kilmore, then didn't have much luck from an awkward draw when third in the Shepparton heat. She'll also be improved by two runs this time in and has the perfect alley. **OUR MAID MARIANNE (2)** ran a brave second at Stawell before doing plenty in the final circuit when second in the Ballarat heat to **CONFIGURATION (12)**. She has gate speed and draws to use it this time. **SLEDGING (10)** won nine races as a two and three year old and looked good in his come-from-behind first up second at Bendigo to **MICKIE DILINGER (6)**. He draws awkwardly but is a classy animal. Each way chances to **PANSLISWEETHEART (3)**, **STARPICKET OSTI (8)**, and **CONFIGURATION (12)**, who won well at Ballarat but hasn't been favoured by an awkward draw.

SELECTIONS: MICKIE DILINGER (6), LAHAINI (1), OUR MAID MARIANNE (2), SLEDGING (10)

RATINGS: 6 / 1, 2, 10 / 3, 12 / 8.

SUGGESTED BET: MICKIE DILINGER (6) to win.

HUTCHY SAYS: A strong squaregaiters field here where rising star **IN PURSUIT NZ (9)** has an excellent chance of winning his fifth race on end. A Harold Park winner over Conquer All three starts back, he then scored easily from a back mark at Menangle, then last time won the Boort Trotters Cup at Bendigo after surrendering the lead to the talented Skyvalley and running him down in a brilliant 57.5 last half. **OUTLOOKING NZ (1)** is an honest Chris Lang trainee who won the Charlton Trotters Cup three starts back before a couple of back mark failures. Essentially a front-of-the-field performer, he looks well suited from the draw. **DREAM A MOMENT NZ (6)** won races at Geelong and Ballarat before finishing third to **IN PURSUIT NZ (9)** at Bendigo last week and with that horse now coming from the second line, has a chance to turn the tables. **LA MOSCA (11)** made it five placings on end when finishing well from the rear for second to I Didnt Do It here last week, that following an FFA third on this circuit to Sundons Gift. Nearly every runner can win.

SELECTIONS: IN PURSUIT NZ (9), OUTLOOKING NZ (1), DREAM A MOMENT NZ (6), LA MOSCA (11)

RATINGS: 9 / 1, 6, 11 / 3, 7 / 2, 5, 8.

SUGGESTED BET: IN PURSUIT NZ (9) to win.

RACE 7 - MOONEE VALLEY

HUTCHY SAYS: Highly talented mare **MISTY MILLER (8)** was having her first run for Emma Stewart when beaten a lip by Lucky Elsie in a 1:55.2 mile here last week. It was a great effort from an awkward alley and she draws to trail the likely leader this time with the sprint lane her biggest friend. **BROOKLYN BUTE NZ (1)** has been in outstanding form this time in winning his last five and he has his first crack here at FFA company. An all the way winner here over Im Mark Antony a fortnight ago, he sat in the breeze to score at Ballarat last Monday and from the draw will be shooting for an all the way success. **BENUCCI (5)** is racing in career best form. He did a stack of work in the last lap to score easily in a Rising Star heat here a fortnight ago, then was off the track in the final circuit when third in the final last week to Veranje. That was from a wide second line draw and he'll race in a more forward position this time. **KARLSRUHE (6)** has raced patchily this season and not quite attained the level that he raced at this time last year. He's having his first start for seven weeks off an impressive Shepparton trial win and is the best graded horse in the race. **BOLD CRUISER NZ (9)** continues to race well - his FFA win here a fortnight ago when beating Lucky Elsie was a great effort, especially with that mare having won since. **WIDFORD HILL NZ (2)** and **YUCATCHIM (3)** are also in the mix.

SELECTIONS: MISTY MILLER (8), BROOKLYN BUTE NZ (1), BENUCCI (5), KARLSRUHE (6)

RATINGS: 8 / 1 / 5, 6, 9 / 2, 3.

SUGGESTED BET: MISTY MILLER (8) to win.

HUTCHY SAYS: Not a strong field and handy country performer **RONZEL SQUATTER (4)** gets his chance to win one at headquarters. He had the run of the race and fought on manfully when a close second in fast time to Whipair at Bendigo last weekend before missing the start from the stand in the Gunbower Cup at Echuca last Sunday. **CASUAL FELLA (5)** has run some good races here in the past and deserves a metro breakthrough. He finished well for second in a strong Geelong affair eight days ago and drops in grade from that run. Riverina performer **BOXER MANDEL (3)** caught the eye with a fast finishing fourth at Shepparton ten days ago and won't get an easier chance to break his metro maiden status. **CLAUDE GREENGRASS (1)** went nicely when fourth in a strong Bendigo race before having no luck from an awkward draw there last week. He looks nicely suited from the draw. Former top youngster **UNOJOE (6)** is working into some form and has each way claims along with **SMOKIN JOKER (8)**.

HUTCHY SAYS: KISSMECATIE (4) is an outstanding filly who's won 5 of 11, the latest three of those on end. She overpowered recent Queensland Oaks runner up Keppel Bay to score here two starts back, then outclassed a moderate field to win by 20 metres at Shepparton last time - the runner up in that race, Davids Lady winning since. **FLYIN INDI AIR (1)** has only won 1 of 19 but has been a big improver of recent times. That win came up two starts back at Shepparton where she powered home along the sprint lane, then she battled on well when second at Kilmore late last week. Over the sprint trip she draws ideally. **GOLDEN SHOWGIRL (6)** won the Breeders Crown Consolation late last season and scored at her first three runs back this term before being spelled after a couple of lacklustre runs. Resuming from a break of ten weeks, she outclassed moderate opposition at Ballarat last Monday and will be further improved by that outing. **ONEBYONE (5)** did a good job to score well from the breeze at Ararat last time and has claims along with **CASINO PRINCESS (3)**, the likely leader who'll run a bold race over the mile; and ex-Kiwi **HECTIC NZ (7)** who made it two from three in Australia with an amazing Kilmore success last week where she gave her moderate opposition a long start after blowing the start.

SELECTIONS: KISSMECATIE (4), FLYIN INDI AIR (1), GOLDEN SHOWGIRL (6), ONEBYONE (5)
RATINGS: 4 / 1, 6 / 5 / 3 / 7.
SUGGESTED BET: KISSMECATIE (4) to win.
