Minister's message

The premier harness racing event in Australasia - the Inter Dominion Championship - is about to come to an exciting culmination with one of the best displays of talent at the country's finest harness racing circuit.

It is only fitting that the \$1 million Final – one of four Group One events - will be held at the magnificent new home of harness racing in NSW, Tabcorp Park Menangle.

The iconic event - first held in 1936 - has been run at three venues for the first time in its history this year.

After exciting and successful heats at Harold Park and Newcastle, the Series will now be settled on Menangle's world-class 1400m track.

The 2010 Series could well go down in history as one of the greatest on record.

I look forward to an incredible display of harness racing as we witness the best pacers and drivers in Australasia compete for a place in history as the winner of the 2010 Inter Dominion Championship Series.

Kevin Greene
Minister for Gaming and Racing
Minister for Sport and Recreation

Chairman's welcome

The New South Wales Harness Racing Club continues its proud tradition of conducting harness racing's pinnacle event with the staging of the Watpac ID10 here at Tabcorp Park Menangle and I welcome all participants, harness racing enthusiasts and the public in general to what undoubtedly will be a fantastic racing experience here today.

The club directors and management have once again demonstrated innovation with the structure of the

Inter Dominion which will offer to the sporting public in New South Wales the opportunity to be part of the pinnacle event on the harness racing calendar.

Today I extend a warm invitation to you to enjoy the excitement as you witness this flagship harness racing event.

Rex Horne
Chairman
NSW Harness Racing Club

HRNSW

message

The **Watpac Inter Dominion Final** represents the grand final of pacing in the southern hemisphere and boasts a line up befitting the occasion.

Defending champion Mr Feelgood will have to be at his very best to defend the crown especially given the sensational form of Blacks A Fake, Monkey King, Bondy and Washakie. No doubt the lead position will be eagerly sought but with the tough as teak Smoken Up in the field it is unlikely that there will be any easy sectionals for the leader. With a true and genuine pace over the 2300 metre journey at the magnificent Tabcorp Menangle Paceway, the Final shapes as a test for the best of stayers in the race.

Graeme Campbell
Chairman
Harness Racing NSW

The Watpac Inter Dominion Final shapes as the race of the year and one which will long live in the memories of those fortunate enough to witness it first hand.

HAVING A BET WITH THE TAB AT THE TRACK

TYPES OF BETS

THERE ARE PLENTY OF BET TYPES YOU CAN HAVE WITH THE TAB AT THE TRACK...

WIN: Pick a runner to finish 1st

PLACE: Pick a runner to finish 1st, 2nd or 3rd. If there are fewer than 8 runners in a race, there is no dividend for 3rd place, except if there is a Late Scratching. Place betting not available in races with fewer than 5 runners.

EACH WAY: A combined Win and Place bet.

QUINELLA: Pick 1st and 2nd place in any order.

EXACTA: Pick 1st and 2nd place in the exact order.

DUET: Pick any 2 of the first 3 placegetters.

TRIFECTA: Pick 1st, 2nd and 3rd in the exact order.

FIRST 4: Pick 1st, 2nd, 3rd and 4th in the exact order.

RUNNING DOUBLE: Pick the winners of any two consecutive races at the same race meeting. Include as many selections as you like in each leg.

DAILY DOUBLE: Pick the winners of today's two feature races, as nominated by the TAB. Include as many selections as you like in each leg.

QUADDIE: Pick the winners of today's four Quaddie races, as nominated by the TAB. Include as many selections as you like in each leg.

BIG6: The BIG6 requires you to pick the winners of 6 big races nominated by the TAB. The races that make up a BIG6 may be at the same race meeting, or at different race meetings. If you pick all six winners, you win the major dividend, and there is a supplementary dividend for picking five out of six winners. Available in Flexi betting.

MYSTERY BETTING: Available on every race, includes a \$1 Mystery Trifecta, a \$3 Mystery Box Trifecta and a \$2 Mystery Quinella. When you place a Mystery bet, the TAB terminal will pick your runners, with a bias towards the favoured runners, to give you a better chance of winning.

3UP: A \$3 Mystery Bet where the terminal will select three runners for a Win, Exacta and Trifecta bet.

BETTING OPTIONS

WHAT IS BOXING?

Available on Quinella, Exacta, Trifecta and First 4. When you "box" the runners in your bet, you cover all possible combinations for the finishing order.

WHAT IS A STANDOUT?

Available on Quinella, Exacta, Duet, Trifecta and First 4. A standout is a single runner you pick to come in 1st place* and any of the other runners you select can fill the other places in any order.

*Standout selections operate slightly different for Quinellas and Duets. Due to the nature of these bet types a Quinella standout selection can finish in the top two places while for the duet the standout selection can finish either 1st, 2nd, or 3rd.

WHAT IS A MULTIPLE BET?

Available on Quinella, Exacta, Duet, Doubles, Trifecta, First 4, Quaddie and BIG6. A multiple bet is where you pick more than one runner in each leg of the bet.

WHAT IS A ROVING BANKER?

Available on Exacta, Trifecta and First 4. Select a runner as your "Roving Banker", and then select other runners to fill the remaining places. The Roving Banker must finish in a place and any of your other nominated runners must fill the remaining places in any order.

WHAT IS FLEXI BETTING?

Available on Trifecta, First 4, Quaddie and BIG6. Flexi betting allows you to nominate the total amount you would like to spend on your bet, so you can include as many selections as you like at an outlay that suits your budget. If your bet is successful, you will collect a percentage of the full dividend.

LEARNING HOW TO BET?

The TAB operators are here to help!

If you have any questions about these bet types, just ask one of the friendly operators who can help you place your bet.

Protexin
 Multi-Strain Probiotic

Protexin. No breeding farm or racing stable should be without it!

Whether it's supporting milk production in lactating mares, reducing incidence of scours in young foals, correcting poor digestion or gastric upsets when they start training, or helping fight intestinal stress from a heavy racing schedule...Protexin multi-strain probiotic plays an important role in restoring and maintaining the correct microbial balance in the gut, throughout their entire career.

Less stress for more success!
