PATRONS NOTE PRE-RACE WARM UPS

Patrons are advised that trainers are permitted to "warm up" their horses during the preliminary of the race immediately prior to the race in which their horse is engaged (i.e.: a runner engaged in race two may "warm up" during the preliminary for race one. Runners engaged in race one, "warm up" a half hour before the first race). The purpose of the "warm up" is to loosen up (warm up) the horse's muscles and joints prior to the vigorous exercise of the race. The practice is similar to that adopted by human athletes prior to competition. Exponents of the pre-race warm up believe the practice activates the horse's system to an optimal level for its race. When a horse is being "warmed up" its driver will be wearing the correct colours, however the horse will not have a saddle cloth number on but will have a head number. There may be occasions when the horse is warmed up by a driver other than the driver engaged in the actual race. This may occur when the race driver has a driving commitment in the preceding race.

THE WESTERN AUSTRALIAN STANDARD BRED BREEDERS ASSOCIATION Inc.

Tonight is the 13th running of the \$35,000 Group Three Daintys Daughter Classic for 3yo fillies.

First run in 2000 after an initiative by the WA Standardbred Breeders Association to create a feature 3yo fillies race as a lead-up to the WA Oaks, the race honours the name of WA's best race mare.

Daintys Daughter was the only mare among the six pacers considered in 2007 as inaugural equine inductees into the harness racing section of the WA Racing Industry Hall of Fame.

Trained and driven by Bernie Cushing for her owner and breeder Jock Coleman, Daintys Daughter won 36 races including the Group One WA Pacing Cup and Group One Fremantle Cup. She also set World Records over two miles and one mile.

The Western Australian Standardbred Breeders Association aims to promote and foster Standardbred breeding in WA. WASBA is represented on the Harness Racing Consultative Group (HRCG) the Eligible Harness Racing Bodies Group and Australian Standardbred Breeders Association.

WASBA also strongly supports the Sires Stakes Series, the WASBA BEEDERS STAKES, the COUNTRY OAKS and the GOLDEN GIRLS MILE.

Becoming a Member of WASBA supports the WA Breeding Industry - Members receive copies of the Australian Standardbred Breeders' journal TRACK BRED, plus a monthly Newsletter.

To become a Member of WASBA, contact Secretary Andrea Willis on 0417 918 296

RACE 1: JANI-KING MS PACE (2100M)

GENERAL

The Starter was obliged to call a false start at the first attempt when AGENT SMART NZ (Dylan Quadrio) raced inside the line of the marker posts losing momentum and checking backline runners. It was subsequently established that the Mobile Barrier had strayed inwards from its line slightly with AGENT SMART NZ, which had been following its number, contacting several marker posts. Under the circumstances no action was taken.

LAVROS CONQUEST NZ (Colin Brown) - A post race veterinary examination revealed the gelding to be sore in the near fore suspensory. Will not be permitted to race or trial until a Veterinary Certificate of Soundness is produced.

BARMY ARMY NZ (Michael George) - Raced erratically at various stages at the lead of the one-wide line.

LIQUID RADAR (Gary Hall Jnr) - Failed to run on over the concluding stages. Placed on its last chance to race competitively.

RACE 2: EXTRAORDINARY WESTERN AUSTRALIA INTER DOMINION MS HEAT 5 (2100M)

WASHAKIE NZ (John McCarthy) - Failed to run on over the final 600 metres. A post race veterinary examination revealed nothing amiss. Trainer John McCarthy advised that he had been extremely disappointed in the performance and considered that the gelding may not have fully recovered from the hard run on Friday 17th February 2012. It was his intention to have blood samples analysed and he would report any findings to the Stewards.

LOMBO NAVIGATOR (Matthew White) - Driver reprimanded under the provisions of Rule 162(1)(j) for failing to maintain his position to the start.

HY ROYALE (Kyle Harper) - Driver fined \$100 under the provisions of Rule 162(1)(j) for failing to maintain his position to the start.

SAUCY LEGEND NZ (Gary Hall Jnr) - Driver fined \$100 under the provisions of Rule 162(1)(j) for failing to maintain his position to the start.

BUS TO HARLAND (Shannon Suvaljko) - Driver reprimanded under the provisions of Rule 162(1)(j) for failing to maintain his position to the start. Unable to obtain a clear run to the finish.

EASTWOOD FIRE NZ (Colin Brown) - Driver reprimanded under the provisions of Rule 162(1)(j) for failing to maintain his position to the start.

ERRIS LAD (Mark Reed) - Driver was advised that he was expected to fully test his drives over the concluding stages.

CAPTAIN BROMAC NZ (Bruce Stanley) - Driver reminded of his obligations regarding whip use for the manner in which he used his whip passing the 700 metre mark.

RACE 4: RETRAVISION INTER DOMINION MS HEAT 6 (2100M)

HAS THE ANSWERS (Morgan Woodley) - Hung outwards in the latter stages of the score-up and began badly. Excluded from the Mobile Barrier draw.

RACE 5: SAMSUNG SMART TV MS PACE (1700M)

CALCUTTA MONEY (Morgan Woodley) - Unable to obtain a clear run to the finish.

VILLAGE IN VESA (Chris Voak) - Unable to obtain a clear run to the finish.

RACE 6: V75 INTER DOMINION MS HEAT 7 (2100M)

SNEAKYN DOWN UNDER NZ (Darren Duffy) - Over-raced at the lead of the one-wide line before giving ground over the final 400 metres. When questioned on the performance, trainer Darren Duffy advised that the gelding over-racing had been a major factor in the performance. In addition he felt that it may have been feeling the effects of a hard run on Friday 17th February 2012. It was his intention to monitor its condition over the next few days and he would report any findings to the Stewards.

WRONGLY ACCUSED (Morgan Woodley) - Broke in the score-up and as a result was some distance out of position at release point. Excluded from the Mobile Barrier draw.

LIGHTNING RAIDER NZ (John McCarthy) - The nearside sulky tyre was flattened leaving the 400 metres.

RACE 7: SEW-EURODRIVE INTER DOMINION MS HEAT 8 (2100M)

SCAN AIR (Gary Jones) - Driver fined \$400 under the provisions of Rule 156(2) for having used his whip with a free hand prior to the 200 metres. Driver also fined \$200 under the provisions of Rule 156(3)(b) for an incorrect whip action entering the home straight.

DASHER VC NZ (Chris Lewis) - Raced roughly in the back straight on the final occasion.

GENERAL

Stewards inquired into the reason for DASHER VC NZ (Chris Lewis) racing roughly in the back straight on the final occasion. It was established that as the field entered the back straight on the final occasion, Gary Hall Jnr (IM THEMIGHTYQUINN NZ) had moved to the three-wide line inside

DASHER VC NZ, with Chris Lewis applying pressure to resist any further outward shift from Mr Hall. As IM THEMIGHTYQUINN NZ made ground, to the inside of DASHER VC NZ, wheel to wheel pressure was relieved resulting in there being slight contact to the hind leg of DASHER VC NZ, which raced roughly. Stewards took no action over the matter as they were satisfied that IM THEMIGHTYQUINN NZ had maintained its racing line and the pressure applied by Chris Lewis had been a significant factor in the incident.

RACE 8: BIO-JOHN 3YO MS PACE (2100M)

GENERAL

TRUCKERS RAMROD (Kyle Harper) threw itself to the track whilst the field was circling behind the barrier. The gelding was withdrawn from the event at 9:08pm acting on Veterinary advice. The Starter was obliged to call a false start at the first attempt when SU ADDA SU (Kevin Keys) broke in the score-up checking backline runners. As a result of these delays this race commenced approximately 11 minutes after the advertised start time.

SU ADDA SU (Kevin Keys) - Broke in the score-up at the first attempt, obliging the Starter to call a false start. Excluded from the Mobile Barrier draw. Hung inwards and made contact with several marker posts racing towards the home straight.

TRUCKERS RAMROD (Kyle Harper) - Withdrawn from the event at 9:08pm acting on Veterinary advice. Will not be permitted to race or trial until a Veterinary Certificate of Soundness is produced. Stewards ordered that all bets made on TRUCKERS RAMROD be refunded.

Deductions from winning bets were made in accordance with RWWA Rule of Wagering 56. This gelding must also complete a satisfactory trial before being eligible to resume racing.

WESTERN CULLEN NZ (Chris Lewis) - Over-raced for a major part of the event.
