PRESIDENT'S WELCOME

On behalf of Gloucester Park Harness Racing,
I welcome you to Perth for the 2012
V75 Inter Dominion Championship at Gloucester Park.

We are extremely proud to have Swedish wagering company ATG as the Principal Sponsor, securing the naming rights to the V75 Inter Dominion Championship. This partnership promises to be mutually rewarding for WA harness racing and ATG, a relationship which we hope to continue for many years to come.

Gloucester Park is the birthplace of the Inter Dominion; since hosting the first ever Inter Dominion Championship back in 1936, the series has developed into Australasia's premier harness racing event. 2012 is a record 13th time that the Inter Dominion has been hosted in Perth; more than any other Australian city. Perth last played host to this iconic event back in 2004.

With this strong sense of history, Gloucester Park has taken the 2012 V75 Inter Dominion back to its traditional format, running three nights of qualifying Heats starting on Friday 17 February, culminating with a \$1,000,000 Grand Final on Friday 2 March. Each of these Heats was run with nine horses per Heat, all starting on the front line, intended to make for the best possible racing spectacle and spread stakemoney more evenly throughout horses contesting the Championship. Adding to the world class harness racing action on the track there is fantastic on-course entertainment and hospitality. The atmosphere on race nights has been electric - don't miss your chance to be a part of Inter Dominion history.

For visitors to Western Australia, one of the World's great holiday destinations, I encourage you to extend your trip to include some of our beautiful scenery and unique attractions. Spend some time on our picturesque coast lines, visit the famous Margaret River wine region and marvel at the wonders of the Western Australian outback. We thank you for being part of the 2012 V75 Inter Dominion Championship and making it the **'Biggest and Best Ever'**.

John Burt

On behalf of the Western Australian Government, I welcome you to Western Australia the 2012 V75 Inter Dominion Championship.

The State Government, through Eventscorp, is proud to support the championship, which is being held at Gloucester Park for the first time since 2004. The first ever Inter Dominion was held at Gloucester Park in 1936 and it is fantastic to see the event return to its birthplace in 2012.

The Inter Dominion is considered Australasia's premier harness racing event and has been rated as one of the world's seven major trotting championships.

Whilst you are in Western Australia I encourage you to take the time to enjoy some of the extraordinary experiences the State has to offer. From Australia's whitest beach at Lucky Bay on the south coast, to the amazing Bungle Bungle Range in the far north and everything in between, Western Australia has something for everyone. There are endless adventure options in the State's outback and, in the South West, Margaret River is the only wine region in Australia surrounded by stunning beaches, tall-timber forests, world-class surfing and magnificent caves to complement the premium wineries and restaurants.

BORAT NZ (Chris Lewis) – Inconvenienced approaching the turn in the front straight to receive the bell.

GENERAL

Stewards inquired into the reason for SIR ARTSPLACE NZ (Donald Harper) being severely checked racing towards the front straight to receive the bell. It was established that, as the gelding eased towards the three-wide line to commence a forward move, HOSTILE GRINS NZ

(Anthony Butt), which had been racing in advance of it, also commenced to move towards the three-wide line, however was slower to respond than SIR ARTSPLACE NZ. Donald Harper elected to maintain his forward momentum and as a result the gelding raced to the outside of the sulky wheel of HOSTILE GRINS NZ. When being eased the gelding broke gait. Under the circumstances no action was taken other than to remind Anthony Butt of his obligations in similar circumstances.
