NSWHRC Chairman's Welcome

We at the Principal Club are pleased to partner with Harness Racing NSW, the NSW Government through Destination NSW and our corporate sponsor TAB.COM.AU in delivering the new era of the Inter Dominion at Tabcorp Park Menangle.

Sunday 3rd March is an historic day for harness racing in Australasia when we offer over \$2million in prizemoney and conduct seven true Group One events, an achievement not accomplished on a racetrack previously.

But there is more as we have created a Carnival encompassing three race meetings which will deliver the excitement and colour our great sport has to offer.

Many champion horses, trainers and drivers will grace our track today as they did on Saturday night 16th February when the Inter Dominion Heats were conducted and Saturday night the 23rd February when the heats of the Derby and Oaks and the rich Allied two-year-old Finals were held.

To all industry participants and enthusiasts thank you for attending the track today and during the TAB.COM.AU Carnival.

Rex Horne
NSWHRC Chairman

HRNSW Chairman's Welcome

The Inter Dominion Championship has always brought together the finest pacers from Australia and New Zealand and this year has been no exception with the winner earning the right to be lauded as the best in the Southern Hemisphere.

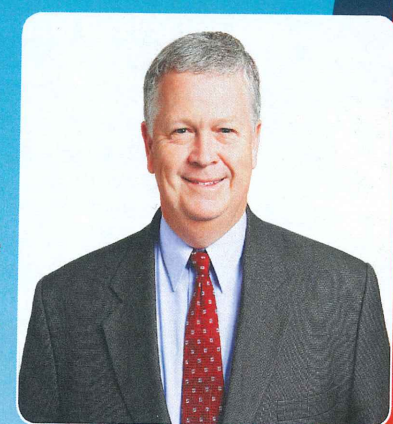

The 2013 series has a new look and feel – the result of a tripartite arrangement between Harness Racing NSW, the NSW Harness Racing Club and Destination NSW – but adopts the identical principles long associated with the Inter Dominion; durability and strength.

A Grand Final over 3000m with 14 starters on the world-class Tabcorp Park Menangle track are the ingredients for an appetising race, especially considering the likelihood which includes dual Inter Dominion winner Im Themightyquinn and two-time New Zealand Cup champion Terror To Love.

Add to the mix a galaxy of stars such as Excel Stride, giant killer Caribbean Blaster, the old warhorse Washakie and the new kids on the block Bitobliss and Pub Blitz, we can expect an enthralling and hotly-contested Grand Final.

On behalf of the Harness Racing NSW Board and our major sponsor TAB.COM.AU I warmly welcome you to Sydney for this wonderful event.

Graeme Campbell
HRNSW Chairman

2013 MAXI TROT INTER DOMINION

Sponsored by Garrards, NSWHRC & HRNSW

Maxi Trots is a new concept introduced to fill the void between Mini Trots and racing. Designed to bridge the gap, our senior mini trot drivers drive de-registered pacers, no higher in class than C2, that have found it difficult to continue at registered harness events. This also offers Life After Racing to our standardbreds.

Last year's participants Nathan Xuereb and Georgia Young have had great success since leaving the Maxi Trots ranks. Nathan recently drove his first winner at Penrith while Georgia had success at the Nowra Show.

Mitchell Frost and Dan Morgan are doing well at their trial drives so keep a look out for them soon at registered meetings while Chris Geary will be making the switch soon and has shown a lot of potential.

Tonight's drivers are starting in the second year of the program.

- **Noveau Shannon** will be driven by Brad Elder from the Hunter Valley. This Maxi Trotter has shown a lot of promise posting two wins from only three starts and comes off win at Newcastle last Friday night so is sure to give a bold display.
- **I'm a Gem** will be driven by our girl driver Madelene Bond from Maitland and she will give her horse every chance. This horse is another that has just began his Maxi Trot career and has shown he will be a real force with a close up second to Noveau Shannon last Friday at Newcastle. Look for further improvement.
- **Strong Impact**, with Grant Ellul on board from Cranebrook, are the experienced combination and go into the event as the ones to beat. This combination have been a real force in Maxi Trots and will be right in the finish.

TAB.COM.AU Inter Dominion Grand Final
Likely Positions After 400m

Distance: 3009m Start: 3.40pm Prize Money: \$750,000

Many moves sure to be made. Lincoln Royal can burn across with Chariot King getting to the fence first and taking a sit on his back. Caribbean Blaster may then want to stay off the fence. Terror To Love will look to slot in midfield and make a move later. Im Themightyquinn will be driven cold.

Based on recent and anticipated racing patterns. For important changes of tactics which may affect the accuracy of this speed map, please refer to the HRNSW website or the Twitter account @HRNSW_Stewards

Has been in sensational form, comfortably winning his heat here, leading for most of the 2400m. Recent Cup victories include the Hunter, Ballarat and Horsham titles, while finishing 2nd in both the Bendigo and Victoria Cups. Draw may be a concern, as he doesn't have gate speed, but a kind run behind the tempo will have him ready to strike. Claims must be respected.

Tough as teak and just as reliable. Outstanding 5yo with a comfortable heat win, followed by a solid 2nd to Melpark Major in the Geelong Cup last week. Won the Victoria Cup in fine style before a grinding 3rd to Mah Sish in the Hunter Cup. Chariots Of Fire winner last year who will run the 3009m out strongly. Will be prominent from his good draw and once again he can't be taken lightly.

Doesn't boast the high profile of most of his rivals, but is a professional with a determined attitude. Big effort when 2nd to Mah Sish in the 3280ss Hunter Cup then again tried hard when 3rd to Caribbean Blaster in his ID heat. Likely to find the stars too tough to overcome.

Former classy juvenile whose career appeared over a year ago. John Tapp has turned his fortunes around with the 6yo looking a shade unlucky in the 'big time' of late, including his 3rd to Excel Stride in a heat of this race. Draw will allow Chariot King to secure a soft run off the speed, enhancing his prospects of sneaking a spot in the exotics.

Has always had a 'boom' on his career since scoring on debut. Has progressed through the ranks in an exciting fashion, winning 24 of his 39 starts while collecting a further 10 minors. NSW Derby winner then a year later finished 2nd to Caribbean Blaster in the Chariots Of Fire. Some of the gloss went off his reputation recently, however, he bounced back strongly with his ID heat victory. Drawn to secure a role close to the action and, as always, his claims can't be denied.

Heads into the Final as the defending champion, having won the Auckland edition two years ago, prior to winning his three heats and the title on his home track (Gloucester Park) a year ago. Has once again been timed to the split second by Gary Hall Snr, with the WA star having all the necessary attributes to continue his winning association with the great race. Drawn to stalk the tempo before unleashing his trademark, powerful sprint, which has been lethal in many of his 46 wins. The testing material.

Champion New Zealander who shares favouritism with Im Themightyquinn after taking all before him over the past two seasons. Has it all, the ability to stay all day, which was evident in his 3200ss NZ Cup win, and his explosive speed over any distance. Did the work in a three horse heat win, en route to scoring impressively. Will relish the trip and he will be engaged in an interesting 'cat and mouse' tactical battle with Im Themightyquinn from the outset, after the pair drew side-by-side. The one to beat.

Has been reliable in a number of feature events at Menangle while his 4th to Mah Sish in the 3280ss Hunter Cup was superb.
